REASONS 2

why your new Child's Carriage should have wide rim wheels.

1st—Nothing pulls a carriage to pieces faster than the constant locking of the wheels in the openings between the planks.

2nd—Comfort for the babies and the users. It's a pleasure to push a wide-rim wheeled carriage. It's nothing but an aggravation to push one with narrow rims. Ask those who have used both kinds.

MURRAY HARBOR MEETING.

Ferguson and Martin Heartily Received.

Branch Railways and Other Questions Discussed.

A large audience greeted the Hon. Mr. Ferguson and Mr. Alex. Martin last evening in the hall at Murray Harbor South.

The most enthusiastic interest was manifested.

Hon. Mr. Ferguson was heard with rounds of applause as he scored the Liberal party in respect to their shifting and shuffling policy on the trade question, the Manitoba School Question, and, most important of all, for the people of Murray Harbor, the Branch Railway question. He ably defended the policy of the Liberal-Conservative party on all those questions.

Mr. Martin followed with a very able address in advocacy of the Branch Railway, which was greeted with enthusiastic cheers.

The meeting broke up at a late hour with three ringing cheers for the Queen, Sir Charles Tupper and the Liberal-Conservative party, and the Branch Railway.

A SUGGESTION TO MR DAVIES

SIR,—The people of this section were very glad to have a political meeting here on Tuesday night, and to hear Mr. Davies and Dr. Jenkins discuss the public questions of the day. They, however, fail to appreciate the point of bringing a lot of public officers from Charlottetown to applaud Mr. Davies and interrupt other speakers. As a farmer, and one not depending on any government for a living, I would have much preferred having the meeting to ourselves; but as these outsiders did see fit to come, the least they might have done was to have behaved themselves, and allowed any cheering and applause, as well as any interruption, to have come spontaneously from the residents of North River. It looks as if Mr. Davies was afraid that he would get no applause, and that his opponents would get no interruption unless he brought with him a quantity of public crib-feeders from Charlottetown. If Mr. Davies wishes to get a name for fairplay, he should leave these public officials at home; if they do follow him, then he should ask them to act decently.

A BOON TO THE FARMERS OF KING'S COUNTY

Our Charlottetown correspondent saw the colt Progress Lad, registered under Rule 6, Vol. 14, No. 28,573, by Parkside (2.22¼) 9,280, he by Clay, 4,779, bred by Benjamin Heartz, of this place, from his mare Gladdie, registered in the American Trotting Register, Vol. 6, bred from Hernando, 2,891, he by Almont, 33, dam Pink, by All Right, 5,817. Grand dam Pet, by Bush Messenger, G. G. D., thoroughbred.

This colt is a coming two-year-old, and is a large, blood-like animal, showing his superior breeding, is open-gaited and shows promise of great speed. Judging from his present appearance and breeding he should make one of the best stock getters to be had anywhere. It is understood he has been sold to Messrs. McFarlane and William Morrow, of Souris East, King's County. The breeders of that locality are to be congratulated on securing the service of probably the most valuable colt in the province.—Turf, Farm and Home.
