

**'SIDE SEA CADETS ARE SELECTED**

Five members of the Summer Sea Cadet Corps will leave June 30 for Point Edward Naval Base near Sydney, N.S. to begin a two-month period of training.

**Brampton Is Getting Ready For Annual Flower Festival**

The flowers that bloom in Brampton, Ont., will be honored with a festival this summer. The festival, organized by the town's active Chamber of Commerce, is now in the hands of a Festival of Flowers Association, made up of volunteers from Brampton business, industry and homes.

Four of the select group are seen above and are from left to right, Leading Cadet Wayne Pickering, PO Clifford (Sonny) Gaudet, PO David Coffin and CPO Charles Conroy.

The first two will take leadership training and the latter pair band training. Missing from the photo is PO Paul Mullin.

Brampton holds a key position in Canada's commercial flower production. The festival, originated by the town's active Chamber of Commerce, is now in the hands of a Festival of Flowers Association, made up of volunteers from Brampton business, industry and homes. Working throughout the winter months, the association, with

some 20 committees handling details of the festival, enlisted support of community leaders, town

council and the men in the street, to get the first festival rolling this year.

The four-day fête will include a list of special events including: two parades—the grand floral parade of floats constructed almost entirely of fresh flowers and the junior parade arranged for and by Brampton's small fry.

Crowning of a flower queen and her princesses, a grand floral ball and a junior ball comprise the more formal festivities while square dance and skill driving competitions, tennis tournaments, flower shows, art exhibits, greenhouse tours, sports events, carnivals, fireworks and band concerts will keep the town hopping.

**BURN TIRES**

CARACAS, Venezuela (AP)—Anti-U.S. terrorists raided and set fire to the Goodyear Company tire factory here Tuesday. Four gunmen overpowered guards and employees, poured gasoline over the tires and then tossed incendiary bombs into the stacks. They fled in a car. The gunmen identified themselves to the factory workers as members of the Armed Forces for National Liberation, which has pledged support to Communist Cuba and seeks the overthrow of President Romulo Betancourt.

**Now you can judge a banana by its cover Meet Chiquita Brand Bananas**

This seal outside means the best inside!

Some bananas come from the tropics unprotected . . . get exposed to bumps and bruises. Now Chiquita Brand Bananas are shipped in heavy boxes, to protect them from bruises inside and out.

Remember how it used to be? You could never really tell, whenever you bought a banana, whether you might be getting a peach—or a lemon. It might be bruised on the inside. Instead of coming up from the tropics in their birthday suits—on big stems—these bananas come in strong fiber boxes. To protect them from bruises, inside and out.
