A WOMAN fainted in the Salvation Army Barracks last evening. The services of a physician was called in and she speedily recovered.

THE OWNED by Richard Heartz, Esq., which gave birth to the twin clyps a few days ago, is an Ayrshire, and a fine specimen of the breed.

A "GO-AS-YOU-PLEASE" fight took place near the Gas House about six o'clock Saturday evening. Some four or five individuals participated, one of whom was severely stabbed in the cheek.

THE attempt of the Princess of Wales to reach Pictou to-day was a failure, owing to the large quantity of ice along the Nova Scotia coast. Another attempt will likely be made on Thursday.

AT the Stipendiary Magistrate's Court this forenoon, three drunks were fined in sums ranging from \$1 to \$3 each; a trespass case was dismissed; an assault case was remanded, and two Scott Act cases were adjourned until to-morrow.

AT the meeting of the Salvation Army in the Market Hall, several Sundays ago, the Captain, in the course of his prayer, asked for a blessing upon the "Barracks"—meaning the Hall in which they were assembled. Never before was a name so well applied.

AT the Methodist (Brick) Church last evening, the Pastor, Rev. Job Shenton, delivered one of his most eloquent sermons, taking for his text, "Render, therefore, unto Caesar the things that are Caesar's, and unto God the things that are God's." Probably a more practical and convincing discourse has never been delivered in that Church.

GOOD FARMERS throughout the country would do well to try the "Soluble Pacific Guano," advertised by the "Pacific Guano Company." It is highly recommended. Pamphlets with directions, etc., can be had on application to the local agents, Thomas Amner, M. L. C., Lower Montague, and Hector McLeod, Charlottetown.

MISS JOSEPHINE CARTIER, whose death, at Cannes, was reported a few days ago, expressed the wish before she died that her body should be laid by the side of the remains of her father, Sir George Etienne Cartier, in the Cote des Neiges Cemetery, Montreal. This wish of the dying lady will be complied with, and the remains will be brought over to Canada in a few weeks.

WOULD it not be well for our City Fathers to consider the propriety of removing the Hay Market to the Jail Square, and erect a Fish Market at one of our wharves. If this were done, the filth and poisonous gases would not abound around our most public Square to our disgrace. Part of the ground now occupied as Hay and Fish Market could be then converted into an ornamental flower patch, and decorated with suitable trees which would add much to the beauty of Queen Square. Who will move in this matter?

A CORRESPONDENT at Georgetown, writing on the 7th inst., says: As Miss Reynolds and Mr. J. Rogers were driving across Brudenell ice yesterday their horse and sleigh broke through. They were rescued with great difficulty. * * * Mr. D. McLeod is fitting up his schr. Coastguard for the purpose of carrying supplies to St. John's, Nfld. * * * About thirty lobster boats are in process of construction in the neighborhood. * * * The skating rink closed a few nights ago, after a very successful season.

ST. JOHN MARKETS.—The country market during the past week was not as dull as the previous week though it was almost devoid of any stir whatever. A large quantity of pork shipped from P. E. Island by Mr. P. Macdonald is selling for 8 cents per pound. Butter has advanced in price, being from 26 to 28 cents by the roll and from 22 to 24 cents by the tub. It is very scarce. Eggs are bringing 16 cents per dozen. Lettuces and radishes are in and are bringing \$1 for a dozen heads. Other quotations are the same as last week.—St. John Telegraph

We are requested by the medical gentlemen who attended upon the late Mrs. Burns to state in the interest of suffering humanity that she did not die as reported from strangulated hernia. For this she had been operated upon with complete success, affording her entire relief from her imminently dangerous condition. Her death was due to an unfortunate attack of pneumonia of the right lung, which ap-

peared on the fourth day after the operation, and which was altogether distinct from the trouble which required the operation, or of the treatment pursued for its relief.

TWO MEN DROWNED.—A sad accident happened to a shooting party near Egg Island, East Halifax, on Monday. Two men named East Laybott and Ambrose Murphy were in a boat and attempted to row over a breaker.

CHARLES LEIGH, Esq., was one of the Masons who turned out on Saturday afternoon to attend the funeral of Mr. C. Hansen. He was in his usual good health and spirits. When nearing King Square he complained to his partner that the pace at which the procession was moving was too brisk, and expressed the belief that if it were not moderated he would be obliged to drop out. His partner thought nothing of the matter at the time; but was shortly afterwards surprised to see Mr. Leigh stagger and fall prostrate to the ground. Kind hands at once came to his assistance, the services of Dr. Bear were called into requisition, and Mr. Leigh was, after a short rest, able to return to his home.

On the premises of a certain vendor under the Scott Act, in Summerside, there are three "business apartments." First, there is the "Outer Bar," at which liquors for medicinal purposes are to be had "cheap for cash." Next is the "Reception Room," and beyond is the "Commons," otherwise "No Man's Land." On Saturday evening business was somewhat slow and the only occupants of the place were two young men who were in the "Reception," discussing the advisability of joining the Salvation Army. The proprietor being left alone, fell to musing. His thoughts were on things financial. Here was Saturday night and there was little or no demand for Sunday "medicine." He went to the door and looked up and down the street, but not even the ghost of a customer could he see. He became disgusted, closed the door with a bang, and returned to the "Outer." He determined to close up the shop for the night, as there was nothing to be made and much to be lost by keeping open longer. He accordingly extinguished the lights, locked up the store, and left for home, leaving the two "Salvationists"—who were so engrossed in conversation that they did not notice his departure,—in the "Reception." About half an hour after the vendor's departure the young men awoke to a realization of the fact that they had been locked in. At first they were inclined to get mad and break things generally. This feeling, however, soon wore away, and they determined that since they had "got left" they "would make a night of it." After taking a bottle of "medicine" and a box of choice Havanna's (three for a quarter) from the shelf, they seated themselves at one of the tables. About eleven o'clock a tonsorial artist who had just closed for the night, noticed a light burning in the vendor's store. As this was an unusual occurrence, the brave artist proceeded to investigate. He looked in and saw by the dim light, the forms of two men. Suspecting that they were burglars he made a brilliant dash for the vendor's residence. After a considerable amount of hammering, the vendor was aroused, and the state of affairs revealed. He became thoroughly alarmed, and slipped into his pants with unusual rapidity. Grasping a potato pounder, and calling to the tonsorial artist to seize a butcher knife, he started off bareheaded and sock-footed for the scene of action. On arrival there the vendor confronted the two men and demanded to know by what right they were in his store, and "panishing" his "medicine." Some hot words were exchanged between the parties. The vendor threatened proceedings for burglary, (he did not know he locked them in) and the young men threatened a suit for false imprisonment. The matter was finally explained to the satisfaction of all concerned, and after conferring the "bumper" all retired to their homes.

AN inter-Provincial Shooting Match, which, it is expected will be participated in by teams from New Brunswick, Nova Scotia and P. E. Island, is to be held early next July. A week or so ago Major Doherty received a letter concerning the matter from the Secretary of the New Brunswick Rifle Association, and which was accompanied by the following conditions:

Conditions of the Inter-Provincial Team Match, as proposed by the New Brunswick Rifle Association:

1. The match to be an annual one between teams of eight representatives from each of the three Maritime Provinces. Teams to be composed solely of bona fide members of the Active Militia.

2. Ranges 200, 500 and 600 yards; seven shots at each range and one sighting shot at the option of each competitor.

3. Rifle—Martini-Henry (Government made or Government viewed).

4. Position at the different ranges to be respectively similar to that required in the Queen's First Stage, part 1.

5. Targets and scoring—Those of Wimbledon for the year.

6. The match to be shot in uniform, full or undress.

7. Coaching, shading and spotting to be permitted.

8. The competition to be shot early in July, in any year on a day to be agreed upon by the three associations.

9. Place, a centrally situated range—and as far as possible a neutral one. (This association would suggest the range at Moncton.)

10. Each team to be under the control of a Captain appointed by his association, and the competition to be under the control of the three Captains. Each team may also at its option have the services of an Adjutant to assist in coaching the team. The Captain may or may not be a member of his eight.

11. Team to provide their own ammunition.

12. Blow-off shots to be allowed.

13. Each of the associations to contribute an annual entrance fee of — dollars, (\$15 or \$20) out of which the necessary range expenses of the competition shall be defrayed, and arm badges provided for the members of the winning "eight."

14. A handsome challenge prize to be obtained through the joint efforts of the three associations. (It is suggested that respective applications be made to the Provincial Legislatures for a money grant, to be devoted to the purchase of a suitable prize.)

15. In the event of a prize being obtained, it shall be held for the year by the President of the winning association.

Submitted by order of the Executive Committee of this association.

J. TWINING HARTT, Captain, Secretary.

A meeting of the Council of the Rifle Association was held in the Stipendiary Magistrate's Court on Saturday evening. The matter was discussed but no definite action was taken. It was however decided that should a team from the Island take part in the affair, the match would have to be fired with Snider rifles and not Martini-Henri, as called for in the articles.

A little boy went into the parlor where his sister was being courted, and said: "Brother Tom told me to ask you what was the date of your last bustle, for he can't find to-day's paper high or low, and he left it in your room just before supper."
