Local show sponsored by Bergmans, Montague at New Perth Hall, Wednesday, March 8th. Also a bean supper, sponsored by the New Perth Women's Institute, in same hall, will precede film.

IN MEMORIAM

JOHN A. COLLINGS

A wide circle of relatives and friends learned with heartfelt sorrow of the passing away at his home in Sturgeon on February 15th, of Mr. John A. Collings, Mr. Collings, who was the last surviving member of the family of the late John M. and Mrs. Catherine McDonald Collings, would have been 87 on March 26th.

Mr. Collings was a man of fine Christian character and was the oldest member of the Sturgeon United Church. During his long and useful life he occupied the positions for a number of years of Secretary of the Sturgeon Methodist Church (later United Church), secretary of the Sturgeon Cemetery, and secretary of the Sturgeon School and the Murray Harbour North Dairying Co. His political affiliations were Liberal.

The funeral service, which was held on February 17th, from his late residence, and was attended by a very large number of mourners, was conducted by his minister, the Rev. Sidney J. Boyce, assisted by the Rev. C. D. Henderson. The hymns sung were "O God Our Help in Ages Past", and "Abide With Me". A solo by Mr. Willard McLean, "Will the Circle be Unbroken", was a helpful feature. The minister, taking as his text "I thank my God upon every remembrance of you" (Phil. 1:14), paid a sincere tribute to the attractiveness and faithfulness of the personality of the deceased and exhorted all to rally around the Church and the principles for which it stands.

Mr. Collings is survived by the following sons and daughters: John at home; Herman, Coleman, Alta; Russell, Dartmouth, N. S.; Lloyd, Lower Montague; Mrs. Clair Johnston, Charlottetown; Mrs. Russell Conrad, Attleboro, Mass.; Mrs. George M. Clow, Murray Harbour North; Muriel, Charlottetown; and Lillian, Saint John, N. B. His wife and a son Willard predeceased him. Interment was reverently made in the Sturgeon United Church Cemetery.

The pallbearers were Richard Creed, Nathaniel Taylor, Hugh Collings, A. R. Clow, Sterling Conrad and Percy King.

The floral tributes were as follows:

Fellow: The Family.

Wreaths: Hemman, Mary and Family, Elizabeth Ann, Barrie, Edison, Wendell, Stanley and John Simon The Congregation of the Sturgeon United Church, The Hart Lumber Co.

Sprays: Clair, Lottie and Family, Ruth and Russell, Gail and Myrna, Guy, Betty and Susanne Carl and Rachel, Derrall, Mrs. Grace Collings, Neil and Myra Collings, Mr. and Mrs. George Appt and Family, Mr. and Mrs. Ross Millett and Family, Harry Lavers, Machon Family, Ruth Perry.

Sheaf: Mr. and Mrs. D. L. Hicken and Billy.

Cross: Jessie and Carrie Hart and Alice Lookhart.

CARD OF THANKS

The family of the late John A. Collings wish to thank their many friends and neighbours for their numerous kindnesses during their recent sad bereavement and also to thank all who sent flowers, cards and letters.

ST. PATRICK'S ROAD

Report for month of February: Grade IX: 1, Pearl Grant; 2, Olib Birt. Grade VI: 1, Mabel Grant; 2, Fred Handrahan; 3, Shirley Rogerson. Grade V: 1, Huntley Stewart and Tommy Grant (equal). Grade IV: 1, Patricia Grant; 2, Clarence Birt; 3, Billy Rogerson. Grade I: 1, Aletha Stewart; 2, Ruth Donnelly.

HAIL FALLS ON PYRAMIDS

CAIRO, March 5 (AP)—Hail fell Saturday on the Pyramids. Historians said it was the 13th such storm on the Pyramids in recorded history. The hail fell for about eight minutes.

REPORT EARTH HAS TAIL

LONDON, March 5 (AP)—Soviet astronomers reported Saturday the earth has a gaseous tail, like that of a comet, 62,000 to 78,000 miles long. The tail stands out from the side of the globe opposite the sun, said Vasili Feenkov, a member of the Russian Academy of Sciences. He declared it was formed "as a result of the loss of gases in the higher layers of the earth's atmosphere."

Her friends are pleased to learn that Mrs. Elsie Waterworth, Montague, is convalescing satisfactorily after her recent operation in the Kings County Hospital.

At the regular meeting of Acme Rebekah Lodge, Montague, extensive plans were made for presenting the St. Patrick's concert. The convener of the committee, Mrs. C. S. Stewart, gave an encouraging report on the progress of the program. At the close of the meeting several tables of bridge were enjoyed and a lunch was served by a committee of the ladies.

BISONS DEFEATED

Suffering their second straight setback the Montague Bison Bombers were defeated by the Southport Rovers by the score of 8-3.

The game proved to be a very fast encounter with both teams playing at top speed to force the play into the other zone. However, the Rovers took the edge of the game, particularly in the third period, although the Bombers gave them goal for goal in the first and second sessions. The two teams looked pretty evenly matched and the fans are hoping that they will get together for another encounter.

Lineups: Bison Bombers — Goal, F. Fraser; defence, T. Clair, McCarron, L. Fraser; forwards, Campbell, Pearson, Collings, M. Clair, Poole, Sorrey, MacKenzie. Southport Rovers — Goal, H. Hooper; defence, Henry, Driscoll, MacDonald; forwards, Driscoll, MacDonald, Pippy, Mulise, Drake, Connolly, Peters, Burns.

SUMMARY

| 1st Period | |
|-----------------------------------|-------|

Personal Messages of Inspiration and Faith

Edited by Norman Vincent Peale

18.

THE LORD'S WORK, HENRY FORD AND I

By Perry Hayden

A simple, spiritual formula re-visualized the business, of Perry Hayden. And that isn't all. It made him a dynamic and forceful, as well as a radiantly happy individual. Mr. Hayden is president of the Hayden Flour Mills, Tecumseh, Mich. Henry Ford helped him as this interesting story relates.

I recommend taking God in partnership. He has blessed my business, my family and me, spiritually, physically and financially. Very few are the mornings when I do not take time to get up before the rest of the household and to thank God to lead the way during the day.

God was real to me as a lad, and He is more real than ever today. In 1930, when I was 29 years old, I attended a Christian Endeavor conference in Columbus, Ohio. The speaker on Saturday afternoon spoke directly to me. It was a challenge to surrender all I had to the Lord and let Him work in and through me.

I wanted to be a successful flour miller. I wanted to make money. But how could I shake money and go to China as a missionary at the same time? It was something I couldn't understand until I waited till after the meeting and asked the speaker what he would advise me to do. He knew my situation, and gave me some mighty good advice.

"Give All You Can"

He said, "Perry, you go home and make all the money you can make, honestly. Then you give all the money you can give, and mind the Lord." I have followed that advice for the past fifteen years, and they have been the happiest years possible. Two years later, someone mailed me a little booklet on "Tithing." I had not heard of it before, but it sounded reasonable. I began to practice it. It brought happiness and wealth, just as God promised it would.

Then, in 1936, came the opportunity to take over control of the family business, which was then called the Wm. Hayden Milling Co. I wanted to prove to the world that a man could be a Christian and a business man at the same time.

But I had been running this 100-year-old business but a few months when I came to the greatest crisis in my life. I was losing money, and losing it fast. But I faithfully tithed ten per cent of my weekly pay check and kept asking God to show me the way out. In 1936 the firm was placed under the control of a group of creditors. They were a grand bunch of men. To make a long story short, we were out of the woods in 1937, and I was "boss" again. God did just as He said He would in the 3rd Chapter of Malachi, and my faith was stronger than ever.

'An Interesting Sermon

After the business got into the "black" again, and we were making just fair progress, I heard an interesting sermon. A student preacher brought the message that morning and his text was John 12: 24—"verily, verily I say unto you, except a corn of wheat fall into the ground and die it abideth alone, but if it die it bringeth forth much fruit."

It was wheat planting time in Michigan. Being a miller, and being interested in actually proving God in a rather unique way, I was led to do something the following Thursday that has since been heard of all the way around the world.

I had a few kernels of wheat actually planted, a cubic inch measure. There were just 360 kernels in the little measure. And it takes 2,160 cubic inches to make a bushel so you can see how small a beginning this wheat project actually had.

When we planted the wheat Sept. 26, 1940, on a plot four feet by eight feet, I told those who were present that in 1941 we were going to tithe the crop and report it. I was taking Malachi 3:10 seriously. Furthermore, it did appear reasonable that we could carry this project on for six years, because it said in Leviticus 25:3 and 4, to "sow the field" for six years and let it rest the seventh.

Hand Threshing

In 1941 we cut the "world's smallest wheatfield" with a scythe, cut the heads off with a pair of shears, and threshed it with a carpetbeater, and blew out the chaff with lung power. The result was a crop of fifty cubic inches! We im-

AT BLUE CROSS MEET—Officials connected with various phases of prepayment medical insurance plans met at the Blue Cross convention in Montreal recently. Among them were (left to right) Rev. H. L. Bertrand, president of the Catholic Hospital Council of Canada; E. Duncan Millican, Blue Cross Commissioner for Canada; Dr. J. A. Mc Millan, president of the Maritime Hospital Service Association; and Hon. Marc Trudel, president of the College of Physicians and Surgeons of the Province of Quebec.

GRAHAM'S ROAD W. I.

The February meeting of Success W. I. was held at the home of Mrs. Bert MacKay. The president, Mrs. Francis Murray, presided and opened the meeting in the usual manner. Roll call was responded to by 17 members passing in a tea towel to be placed in the hall. The minutes of last meeting were read and approved which stated 10 copies of Institute News had been ordered, \$5.00 voted for "Save the Children Fund". Collection for January meeting \$17.75.

Under the item of unfinished business the treasurer reported having purchased three dozen cups and saucers for public hall, also soap and paper towels for school and a new desk chair in order for school. Proceeds from two card parties amounted to \$28.20. The members cast their ballot for the choice of a delegate to the A.C.W.W. conference to be held in Copenhagen, Denmark, next September.

Letters of appreciation were read from the hall company expressing thanks for improvements made on public hall including the fine job of painting on the exterior of the hall; also a letter from the hockey club for generous donations received. Several "thank you" notes were read from sick folk in the community who had received treats. Correspondence included a message from the Social Welfare Convener, Mrs. MacKinnon, Ugg, with a request for the members of the Institute to act in an advisory capacity to the Children's Aid Society. It was agreed to do so; a letter from Miss Wilson reminding the Institute to take advantage of the radio program "In Search of Ourselves".

Ten dollars was voted, as a gift to Mr. and Mrs. Edwin Stevenson, New Glasgow, in sympathy with their tragic loss of home by fire. A letter from Musical Festival Association was read and syllabus received.

A drama committee was appointed viz., Mrs. Ray MacLeod, Mrs. John MacKay, Mrs. Francis Murray and Mrs. Fred Campbell. The following Red Cross articles were passed in to the Red Cross convener: six toques, three sweaters, four nighties, three pairs of children's stockings and three dresses.

The programme committee entertained with two contests. The following committees were appointed. School — Mrs. John MacKay and Mrs. Angus Green. Programme — Misses Katherine Auld and Laura MacKay. Lunch — Mrs. Roy Brown and Mrs. John MacGregor. Collection taken amounted to \$3.65.

Meeting and roll call will be immediately turned over to the local Quaker Church, and replanted the remaining forty-five cubic inches in September 1941. In 1942 we cut the second crop and found the yield was 55 fold, or 70 pounds. Again, we "tithed" the wheat and replanted the remaining 63 pounds on land that, for the third year in succession, had been furnished by Henry Ford, who owned a large farm near Tecumseh.

In 1943, this acre of land yielded 16 bushels from the one bushel of seed, Henry Ford himself, came out to see the wheat cut. Not only that, but Henry Ford again furnished land for the fourth crop. In 1944, this crop on fourteen acres yielded 360 bushels. Again, the tenth of the crop was "tithed" and the remaining cleaned and replanted. Henry Ford furnished the land for the fifth crop. It was 230 acres.

A Big Yield

In the summer of 1945 a fleet of forty combines one day was sent out to the wheat field by Ford and threshed the crop of Dynamic Kernels. The yield was 5,566 bushels. The value of this little fifth crop at the market price of wheat of \$1.55 per bushel, when harvesting, was \$8,610.25. The tithe of \$861.03 went to the Friends Church who, in turn, gave it to the Tecumseh Hospital.

And now comes the thrilling outcome of this demonstration. After Henry Ford turned over the fifth crop of 5,566 bushels and it was tithed, the 5000 bushels of seed remaining were sold to 278 farmers, representing thirty religious faiths and creeds, who planted this seed on 2,806 acres, agreeing at the time to tithe the 1946 crop to their own church.

By proclamation of Governor Kelly of Michigan, Aug. 1, 1946 was declared Biblical Wheat Day. On that day we celebrated the sixth and final harvest of 72,150 bushels of wheat, worth at that time approximately \$100,000. A large portion of the tithe, together with added gifts of other interested persons, was sent to Europe for famine relief.

I feel that one of the most significant statements ever made about tithing was uttered by Mr. Ford to a friend of his, as this project was drawing to its close. He said, "I believe the lesson we taught on tithing at Tecumseh, Michigan, will eclipse any other of my accomplishments."

TOMORROW — Alcoholics Anonymous is a success. It really works in curing people once given up as hopeless cases. Its founder, Bill W., wonders why the same principles can't be applied to other human problems. (From the magazine "Guideposts" and the book of the same name. Copyright 1950 by Guideposts Associates Inc., Pawling, New York).

TORONTO SCHOOL

The following is the report for the month of January.

Grade VIII — 1, Frederick Blaquiere. Grade VII — 1, Lorina Peters, 2, Loraine Dolron, 3, Maynard Gallant.

Grade VI — 1, Joseph Dolron, 2, Ronald Peters. Grade V — 1, Helen Gallant, 2, Herbert Blaquiere, 3, Mattie Dolron.

Grade IV — 1, Edwin Peters. Grade III — 1, Norma Gallant, 2, Gloria Peters, 3, Celia Gallant. Grade II — 1, Mary Gallant, 2, Walter LeClair. Grade I A — 1, Elmer Dolron, 2, Doris Gallant, 3, Reggie Peters. Grade I B — No tests.

WAR'S DEATH TOLL

Approximately 1,089,500 officers and men in the British Empire forces lost their lives in the First World War.

Stomach Pains So Intense—Often Had To Stop Work and Lie Down

—braun woodman and farmer is now grateful to Sarnak for almost immediate relief it brought him!

MR. CURTIS McGRATH

Life in the woods and on the farm is strenuous—and not for a man with stomach complaint, suffering such agonizing abdominal pains he was often unable to stand up straight!

After a year of this, it looked like Mr. Curtis McGrath, of R.R. #2 Prince William, York County, New Brunswick, might have to give up. He tells us—

"I had attacks of terrible pain in the upper stomach that were so severe I felt sick and had to lie down. These often bothered me before breakfast and sometimes during the day. "I tried numerous remedies but nothing seemed to help. And it was only after I had suffered for over a year that I heard of Sarnak and tried it. Before I was half way through my first bottle I noticed an improvement. So I continued taking it, and can honestly say the stomach condition is completely relieved and now I never suffer with any abdominal pains whatsoever."

"I usually took Sarnak before a meal—and must say it is very pleasant-tasting and doesn't ruin the taste of the food. So I'm doubly grateful for Sarnak."
