New Zealand Dairy Officials Seek To Boost Butter Sales To Canada

OTTAWA, Sept. 12 (CP)—William Marshall, New Zealand's top butter man, conferred today with government officials, seeking clarification of Canada's position on New Zealand butter sales. The head of the New Zealand Dairy Products Marketing Commission kept mum, but informants said he was perturbed over the Canadian decision to cut a prospective order for 10,000,000 pounds of New Zealand butter to 3,000,000. He also was reported to be interested in finding what Canada proposes to do about butter imports in the future.

Coming Events

- **Dance, Belfast Hall, Saturday, September 15th.
- **Buying Timothy Seed daily McGuigan and Boyle.
- **Dance in Howe's Hall, Brackley Point, September 13th.
- **Dance in Caledonia Hall, Friday evening, September 14th.

Third Holed Up And Under Siege In Bush

ST. DAVID'S, Ont., Sept. 12 (CP)—Two gunmen were wounded this afternoon in a roaring gun battle which began when three men tried to hold up the Imperial Bank here. The third man late today was holed up in a bush nearby and armed squads of police were closing in on him.

A St. David's citizen, Kenneth Hooper, who was passing the bank when the shooting occurred was wounded in the arm when a bullet came through a window.

The gunmen were wounded by revolver bullets fired by the manager of the bank, A. T. Minnls. They dragged themselves from the bank, leaving a trail of blood, got into their car and sped away. They got none of the bank's money.

A merchant, Carl Slingerland, spotted the car pulling away and fired six shots after it. At least one of the bullets pierced the left front tire.

The car broke down about a mile from St. David's and the two wounded men were captured by police. A third man escaped into a bush west of St. David's and just

Attlee Keeps Party In Dark Over Election

Double Ferry Service Extended

The double ferry service on the Borden-Cape Tormentine run which was scheduled to end September 15 has been extended to Saturday September 29.

The car ferry S. S. Prince Edward Island started operating on the double service in conjunction with the M.V. Abegweit on June 15 to help handle the summer traffic flow between this Province and the mainland.

Dominion Drama Festival To Be Held In St. John

P. E. Island Regional Festival Scheduled For Feb. 4-5.

OTTAWA, Sept. 12 (CP)—Canada's 1952 Dominion Drama Festival will be held April 28 to May 3 at Saint John, N.B., the governors of the Dominion Drama Festival announced today. This is the first time the festival will have been held east of Montreal. It will be preceded by 13 regional festivals across Canada. An adjudicator for the 1952 Dominion festival has yet to be chosen. Dates for the regional festivals are:

British Columbia: Jan. 14-19 at Vancouver; Alberta: Jan. 21-23 at Edmonton or Medicine Hat; Saskatchewan: Jan. 24-26 at Regina; Manitoba: Jan. 28-30 at Winnipeg; Prince Edward Island: Feb. 4-5 at Charlottetown; New Brunswick: Feb. 7-9 at St. Stephen or Moncton; Nova Scotia: Feb. 11-12 at Halifax; Eastern Quebec: Feb. 14-16 at Quebec City; Western Quebec: Feb. 18-23 at Montreal; Eastern Ontario: Feb. 25-March 1 at Peterborough; Western Ontario: March 3-8 at Hamilton; Central Ontario: March 10-15 at Toronto; Newfoundland: March 20-22 at St. John's or Corner Brook.

St. Peter's Boy Killed On Highway

An inquest has been called for Monday afternoon in the City Police Court to inquire into the death of John Kenneth MacCallum, son of Mr. and Mrs. K. E. MacCallum, St. Peter's, who was killed in a highway accident Tuesday.

The boy, only two years and 10 months old, died as a result of being hit by a vehicle near his father's store. R. C. M. P. said the vehicle was operated by Harold Dockendorff of Mount Hope. A few minutes after the accident, which was apparently not witnessed by anyone, Mr. Arthur Wright, Charlottetown, was passing in his car. He called Dr. Roddy MacDonald, who advised taking the child to Souris Hospital. There it was thought better to remove him to the P. E. I. Hospital here. The boy died shortly after being admitted.

The boy had been playing by the side of the road near his father's store with a young companion, David MacDougall, David crossed to the other side of the pavement and when Kenneth attempted to follow him he was struck by the vehicle while part way across.

In addition to his parents he is survived by two sisters, Mary 10, and Helen Ann, 7. Funeral services will be held Friday afternoon at 2 p. m. from the United Church, St. Peter.

The inquest will be presided over by Coroner Dr. I. J. Yeo. Members of the jury are George L. McMahon, foreman; Herbert Strickland, Monroe L. MacLeod, Dr. R. H. Barrett, W. M. Forsythe, E. W. Campbell and C. E. McGinn.

Many Jamaicans Need Assistance

TORONTO, Sept. 12 (CP)—S. G. Fletcher, managing director of the Daily Gleaner, Kingston, Jamaica, said today thousands of Jamaicans will have to be fed and housed at public expense for months as a result of last month's hurricane which left 25,000 homeless and caused \$50,000,000 damage.

"We have an emergency and we must seek help," he said. "Four hundred thousand coconuts trees were destroyed. . . the \$8,000,000 banana crop is a complete loss."

Mr. Fletcher, here on business arrived yesterday to find that \$100,000 already had been donated by Canadian business firms to help his island recover from the hurricane.

Mr. Fletcher said drownings were responsible for as many of the 150 casualties in the hurricane as flying debris. The heaviest rain that ever fell on the island—17 inches in five hours—caused widespread flooding.

He told of one man who led his family to a road after his house was flattened by the winds. The whole family stepped unwittingly into a deep cave in caused by the rains and the man was able to save only one child.

"That happened 'hundreds of times in the course of a day,' he said. 'Those are the people we have to help.'"

He said he was impressed with Canada's response to Jamaica's need and added: "In Jamaica, we were very grateful to the Jamaica Republic Service Company, a Canadian-run hydro service, which got our lights operating again very quickly."

UNDERGROUND HONEYCOMB
One of the few iron-ore mines in England, a mine at Irthlingborough near Northampton has 45 miles of tunnels.

DIAMOND SOURCE
The Indian peninsula was the only known source of diamonds until they were found in Brazil and later South Africa.

Aimed At Keeping Reds Off Balance

By John Randolph
U. S. EIGHTH ARMY HEAD-QUARTERS, Sept. 13 (Thursday)—(AP)—Allied infantrymen, supported by flamethrowers, tanks and planes, drove slowly northward Wednesday in limited objective attacks along the endless hills of Central and East Korea. They met some of the stiffest resistance of recent months. The Allies ground forward along parts of an 80-mile front. It stretched from the iron-triangle sector in the west-central front to the Sea of Japan. The Allied objective was to keep the Communists off balance.

Gen. James A. Van Fleet, Eighth Army commander, told reporters during inspection of U. S. 25th Division troops on the west-central front that there are no present indications the Red armies are ready to launch an offensive, despite the recent Communist buildup. This seemed to contradict a statement by Gen. Matthew B. Ridgway's headquarters in Tokyo last week that events in Korea "suggest the possibility of a forthcoming air and ground offensive by the enemy."

Possibly the difference was only in time—Ridgway thinking in terms of weeks or months, and Van Fleet in days.

Heavy Red Traffic

Whatever the opinions, there was evidence of an uninterrupted Red buildup. There was huge truck traffic in North Korea, slacking off slightly only in the

Fine Exhibits, Large Crowd At Egmont Bay

Fine summer weather prevailed yesterday for the annual Egmont Bay and Mont Carmel exhibition and there was a very large crowd in attendance and the usual fine exhibits of livestock, farm produce and handicrafts were on display. The fair was declared officially open by His Honor, Lieutenant-Governor T. W. L. Prowse and the crowd was addressed by other prominent speakers as well.

The sheep exhibits elected the highest praise from the judge, Mr. H. W. Clay, livestock field man of the Federal Department of Agriculture. He said that it was the best exhibit of sheep he had ever seen at this exhibition, both in quality and quantity. This was particularly true, he said, of the stock showing a percentage of Cheviot breeding. The Cheviot market lambs were outstanding. He explained that his department is carrying out an experiment in this area which started four years ago when 16 Cheviot rams were brought in for a cross-breeding experiment. He said that very satisfactory results have been obtained and this is the only place in the Maritimes where this is carried on. The champion ram was owned by Mr. Eric B. Arsenault of Urbanville.

Mr. Clay also judged the swine and here he was more restrained in his comments but stated that the exhibits were too few in number and that "there is evident room for more interest in swine production in this district."

He stated that the aged sows shown were good. The champion sow was owned by Mr. Camille Arsenault of Maximville and the only boar shown was owned by Mr. Adrien Arsenault, Urbanville.

Mr. C. S. Scranton, poultry field man for the Federal Department of Agriculture judged the poultry

Triplets And Twins At Halifax Hospital

HALIFAX, Sept. 12 (CP)—A set of triplets, all boys, were born at the Grace Maternity Hospital here today to Mr. and Mrs. Richard Parker of nearby Bedford.

At the same time twins arrived in the adjoining delivery room. "It made for a busy half-hour," reported one nurse.

Only other triplets in the hospital's history died a few hours after birth.

Both mothers and children are reported "doing nicely"

Reds Hint U. N. Apology For Strafing Not Acceptable

Marshall Resigns

By TOM BRADSHAW
TOKYO, Sept. 13 — (Thursday)—(AP)—The Communists hinted today that the formal United Nations apology for the inadvertent strafing of Kaesong Monday would not be entirely acceptable. Such a decision would throw another roadblock in the path of a resumption of suspended Korean truce talks.

The North Korean - Chinese high command maintained an official silence on the Allied note of regret handed them Wednesday.

However, Peiping radio, broadcasting the first Red comment on the note, said:

"At last (General) Ridgway has been forced to admit that one of his planes carried out the Monday morning strafing attack on Kaesong. But his claim that the attack was a mistake is absurd."

The radio quoted a Communist writer at headquarters of Lt.-Gen. Nam Il, senior Red armistice negotiator. While such writing was not official in the past it frequently has served as a bellwether of official Communist

Canadian Sales To U. S., Britain Take Jump

OTTAWA, Sept. 12 (CP)—A sharp climb in sales to Britain and the United States boosted Canada's total exports in July to a record \$374,300,000, the Bureau of Statistics reported today.

Shipments to the U.S. jumped almost \$50,000,000 to \$203,900,000 from \$169,600,000. Exports to Britain doubled to \$74,700,000 from \$35,200,000.

This bright turn to Canada's foreign trade picture provided a 47.6 per-cent gain over last year's \$253,700,000 worth of exports and helped boost the seven-month total for 1951 to \$2,114,700,000 — a half-billion-dollar increase from \$1,684,200,000 last year.

It was the first surplus in a six-month pattern of trading deficits.

Wood, Paper Lead
Largest dollar gain in the month's shipments to the U.S. was in wood and paper products, which rose to

Souris Exhibition Is Huge Success

A most successful exhibition was held in Souris yesterday afternoon with over one thousand people attending the annual event which brings out the best in agriculture and home classes in the County. Each class was well filled, and the judges expressed pleasure at the display.

Hon. C. C. Baker, Minister of Agriculture, opened the exhibition and complimented the president, Mr. D. F. MacAulay and the secretary, Mr. Henry Peters on the splendid showing. He stated that this exhibition was one of the major shows in the Province during the year, and that the residents of the area were to be well proud of their excellent fine breeds of stock and also on the floral and home cooking exhibits.

Mr. William Acorn, M.L.A., also spoke expressing his compliments to the executive and all those who in any way had assisted in making the exhibition such a success.

The following is the list of classes and the major winners. Horse Class: Mr. P. J. Kicker. (Continued on Page 8 Col. 3)

P.E.I. Rates Case Judgment To Be Given Saturday

OTTAWA, Sept. 12 (CP)—The Board of Transport Commissioners Saturday will hand down its judgment on a question concerning freight rates on Prince Edward Island potatoes. The application, by the Transportation Commission of the Maritime Board of Trade, was made on behalf of the P.E.I. Potato Shippers Advisory Association for establishment of a one-rate zone in the Island province.

The Board heard the case in Charlottetown last June 15.

Head Of Business Machine Firm Dies

PHILADELPHIA, Sept. 12 (AP)—Frank J. Roderick, 64, president of Safeguard International, business machine manufacturing firm, died today.

He was a native of Saint John, N. B., and came to the United States in his early 20's. He became a citizen shortly thereafter.

He founded Safeguard International in 1945 after a long career with the Lanston Monotype Machine Co.

Roderick was credited with inventing the Executive Checkwriter a device to safeguard cheques against alteration.

HISTORIC PORT

The small Devonshire port of Topsham in 1690 carried on more trade with Newfoundland than any English port except London.

Convicted On Reduced Count

BATHURST, N.B., Sept. 12 (CP)—The trial of J. Enis McLean, Moncton, charged with manslaughter following a highway fatality at Tracadie last May, ended today in conviction on a reduced count of driving in a manner dangerous to the public. He was sentenced to six months in jail and had his driving licence cancelled for two years.

The case resulted from the death of Miss Alphonine McGraw, Tracadie school teacher who was hit by a truck.

Navy To Begin Recruiting 500 Women This Month

OTTAWA, Sept. 12 (CP)—The navy announced tonight it will start recruiting women this month for 21 reserve naval divisions, thus bringing them back into uniform in all three of Canada's services.

Actually the navy has had women in uniform in a small way since last July when recruiting was opened for 150 to serve as full-time members of the reserve in naval radio stations.

Spokesmen said response to this first call has been "favorable." They will begin basic training at H.M.C.S. Cornwallis Oct. 1.

On Sept. 17 recruiting will begin for 500 women for reserve training on a one-night-a-week basis. They will be taught as medical assistants, general duty wrens, radio technicians, electrical technicians and for maintenance and inspection duties in the ordnance branch. Most important they will be fitted with made-to-measure uniforms.

The army began recruiting women for the reserve in June with a target of 1,500. Up to Aug. 25, 568 other ranks and 10 officers had been recruited.

They are serving in manning depots only, but later the army plans to recruit women for posts in anti-aircraft signals and other reserve units.

The air force, which began recruiting women last spring, is the only service which so far has them on a full-time basis as well as in the reserve.

The targets for the post-war air force are 5,000 regulars and 2,500 reserve airwomen for such trades as radio, medical, clerical and fighter control. To date close to 1,200 have been recruited.

The navy said the reserve recruits must be single and must pass medical and aptitude tests. Age limits for entries are 19 to 25 years but up to 35 for former wrens.

In the naval divisions they will train alongside men in taking their basic naval training and instruction in their respective branches.

MANY A GIRL FINDS OUT TOO LATE THAT THE GUY SHE WEDDED WILL DO ANYTHING FOR HER BUT WORK

HALIFAX, Sept. 12 (CP)—Official forecasts issued tonight by the Dominion Public Weather Office here and valid until midnight Thursday.

The weather was mostly sunny over the Maritimes today and temperatures rose to the high 70's and low 80's. Fredericton was the warmest reporting station with a recorded high of 84 degrees.

In the Gulf of St. Lawrence north shore region there were showers along the borderline between this warm air and cooler air over Northern Quebec.

Fine, very warm weather is expected again on Thursday. Regional forecasts: Prince Edward Island — Sunny and hot. Southwest winds 15. Low and high Thursday at Charlottetown 60 and 80.

High tide today at 8:04 A. M. and 9:40 P. M. Sun rises today at 5:48 A. M. and sets at 6:29 P. M. Summerside tide eighteen minutes later than Charlottetown.
