

IN MEMORIAM

JOSEPH ALLEN SMITH

Death is like a thief at night. How true this was when, on the night of May 27th, 1952, the Angel of Death entered the home of Joseph Smith at Johnston's River and called him to his eternal reward. He was in his 60th year. Joseph, as he was known, was born at Johnston's River and reared at Johnston's River where he spent the greater part of his life being absent during the First World War where he saw active fighting with the Canadian Army in Germany. Although not in the best of health, his death came very suddenly and was a great shock to the community.

He leaves to mourn a sorrowing wife, one daughter Rita, and one son Allan. Also the following sisters, Mrs. Genevieve McKenna, Lynn, Mass.; Mrs. Ed. Higgins, Medford, Mass.; Mrs. Josephine Trainor, Somerville, Mass.; Mrs. Kathleen Powers, Somerville, Mass.; Mrs. Steward Higgins, Johnston's River; and one brother Ambrose, Lynn, Mass.

On Friday morning May 30th, his mortal remains amid the largest crowd of mourners and ex-servicemen seen for some time were conveyed to the Sacred Heart Church at St. Ryan, where Requiem High Mass was sung by his pastor Rev. T. P. Butler, who also officiated at the grave. The honorary pallbearers were: William Trainor, Joseph Brazil, Thomas Brazil, Wilson MacDonald, Vernon Driscoll, Anthony Beagan. The active pallbearers were ex-servicemen: Mark Brazil, Albert Fletcher, Herbert Beagan, Henry Miller, Lloyd Wonnacott, and Fred McAdam.

Representatives of the Charlottetown branch of the Canadian Legion B. E. S. L., attended the funeral. The Legion grave-side service was conducted by Comrade Harry Mortimer and the Last Post sounded by Bugler Frank Smith. Interment took place in the family plot in the church cemetery.

To the bereaved family sincere sympathy is extended.

IN MEMORIAM

MR. JOHN M. MACLEOD

On May 29th there passed away in the P. E. I. Hospital, after a short illness, a very highly respected and well known citizen in the person of John MacLeod of Hunter River. Born September 9th, 1897, son of the late Roderick and Catherine MacLeod of Hartsville and inherited that Scottish blood that has caused Scotsmen everywhere to be held in high regard whatever their duties or occupations are.

The deceased was a man of sterling qualities, possessed a very impressive personality, friendly, kind hearted, conscientious and efficient in the discharge of his duties.

When just a lad of sixteen he enlisted in the 105th Battalion World War I, went overseas and was severely wounded in action resulting in the loss of his left leg. He was awarded the Military Medal for bravery in the field. After some time in hospital in England he returned to Canada, and when convalescence from his wounds was sufficient to allow him to go to work, he was appointed Post Master at Hunter River and served in that capacity faithfully and efficiently for thirty-one years. Although he suffered a physical handicap he was never heard to murmur or complain. Keenly interested in the improvement of the community and the work of the Church he was a member of the United Church and sang in the choir. He was a Past Master and charter member of Prince of Wales Lodge A. F. and A. M.

Ellen's Diary

(Continued from Page 18)

He is survived by his widow, formerly Bessie Barrett of Wheatley River; two sisters: Isabel, Mrs. Russell Sellar of Charlottetown; Flora, Mrs. W. E. Horne of Marble Head, Mass., U.S.A.; three brothers: Archie, Edmonton, Alberta; Murdoch and Lloyd of Hartsville. An older brother, Daniel, was killed in action in World War I.

The funeral service was held in Hunter River United Church and interment in the Church cemetery. The service was conducted by the Rev. G. H. Christie, assisted by Rev. George Gough, and Mr. Lawrence Blakie, student minister. A very impressive and helpful sermon was delivered by Rev. Mr. Christie who enumerated the many good qualities of the deceased, emphasizing the admiration these drew from people with whom he daily came in contact. His passing will cause the community to suffer a great loss. During the service the Church choir sang very feelingly "The Lord's My Shepherd", and Miss Mary Mutart rendered beautifully that favorite solo, "This World Is Not My Home". During the interment tribute was paid by the Canadian Legion under the command of Major Arthur Peake, President of the Provincial Command, and the Last Post was sounded by Comrade Smith. The Masonic ritual was recited by Waldo Barrach, Grand Lecturer and Past Grand Master. The War Amputations Society was also represented.

The pallbearers were personal friends of the late Mr. MacLeod, namely: Percy Boyle, Robert Smith, Ivan Bowman, Laurie Ripley, Clifford Matheson and Herbert Smith. The large concourse of people who gathered to pay their respects and numerous beautiful floral tributes bore convincing testimony of the esteem in which the deceased was held.

The funeral was under the capable direction of Mr. James E. Andrews of Hunter River.

younger children who must remain without a certain boundary of yard, he was privileged to be with the workers.

What an exciting time it would be for the lad and his elders! For Mr. D. — and James, a bit pessimistic over the success of this phase of the work; for Rob and the younger farmer too, and our helper of recent months who James declared tonight "was quite as interested and capable as one of the boys."

How well James would have fared with a dozen boys such as these, with a liking for farming ingrained in their hearts! What had! What acreages! What a string of tractors and trucks! And thus helped, how would every last hillside, "blossom like the rose!" And . . .

nearby. It is also beautiful in bouquets with all flowers.

Columbines are lovely now in all colors and these perennials are easily grown from seed and many seedlings have been planted this year in the garden here.

A-down the old world garden path they stand

Pale fragile figures in their silken gowns

That shimmer softly with an inner light

As sunset's red and gold their beauty crowns

And others nod in bonnets pink and mauve,

With slender grace in every breeze they sway.

They lean to whisper each to each, and tell

Their secrets as the evening follows day . . .

Then gleaming stars peep through the listening trees

While later shafts of moonlight coldly fall.

And bathe the columbines in radiant light

Outlining them against the old grey wall.

fine boys, gentlemanly and considerate. I don't know how this gossip started.

ANSWER: You may be sure that gossip seldom starts without some basis. Look back over your conduct on the night of the date. Was there any time at which you did not behave like ladies and gentlemen? I'm sure close retrospection will give a clue to the source of the gossip that followed you the next day.

Stack up what you get for what you pay . . . and join the nation's largest group of truck buyers by choosing Chevrolet

Maybe you didn't know that by far the biggest number of truck users in Canada today are buying Chevrolet Trucks.

They are . . . and for good hard-headed reasons. Because what they're after in a truck can be set down about like this:

1) It's got to be low in cost. No use paying a lot of extra money for a truck that the truck will have to earn back. Chevrolet trucks give you more for your money.

2) Upkeep and operating costs must be low. A truck is money-making equipment. It can't be a money-waster. Chevrolet trucks work for rock-bottom "wages" on fuel and maintenance.

3) How well the truck does the job is all-important. It's got to have the capacity, power and rugged construction to get work done — efficiently and economically. Chevrolet trucks are engineered and built for your loads.

4) The truck must be rugged, long lasting. That's an important part of over-all economy. Chevrolet trucks traditionally bring more at trade-in, for what they cost, than any other truck.

If these considerations make sense to you, take a good long look at facts 1, 2, 3 and 4 below. Then come in and let's see how a Chevrolet truck can save you money in your business.

ON THE ROAD WITH THE GREATEST PAYLOAD

Fact No. 1: More truck for your money. Fact No. 2: Rock-bottom operating costs. Fact No. 3: Engineered and built for your loads. Fact No. 4: Lower, slower depreciation.
