5 years ago Corvair started a revolution
... here we go again!

Corvair '65 takes the Corvair concept and pushes it a full cycle ahead. Styling is new — engines more powerful — interiors more luxurious — handling even better. A new series — Corsas — tops the line!
Corvair '65 styling is striking. It's low-slung, crisp, sophisticated; simply beautiful from any angle. And every closed model has the hardtop look! There's nothing like it on the road — anywhere!
Corvair '65 has the performance to go with those looks... from the 95-hp engine up to the 180-hp Turbo-Charged version of Corvair's famous air-cooled, flat-six (available on the Corsas).
Corvair '65 handles better than ever. Taut new front and rear suspensions, more responsive steering and Wide-Stance chassis design will send you looking for 50 miles of twitchy back road, just for fun.
Corvair '65 is recruiting now. Join the Corvair revolution at your Chevrolet dealer's.
