REBATES for Ten Days Only

A Treasure Trove of Loveliness in **New Blouses** AT 1-4 OFF

You should see the exquisite beauty of Paton's blouses. You will find them in Georgette, Crepe de Chene, Silks, Satins and combination with frills, tucks or ruffles, of the severely plain, as fancy dictates, but there's all kinds to choose from and all sizes at 1-4 off.

THE JANUARY 10 DAY SALE IS THE TIME TO BUY DRESS PATTERNS FOR EARLY SPRING FROCKS

Our Dress Goods section is just like an apple orchard that has burst into full bloom. The new Dress Fabrics of every kind and tissue are broadly represented, and the prices are the lowest you've seen since the big price-rise came.

It would be a pleasure, under any conditions, to pick a half dozen dress lengths from the assemblage; but with prices away down to rock bottom few women will wish to resist the extraordinary opportunity now offered.

YES, SHEETS ARE LESS AND PILLOW CASES, TOO

Prices have been so hard and unyielding, for several years, and housekeepers have been doubly careful of these staple supplies. Now the time has come to lay in full supplies again; for prices have been sharply reduced, discounts of 1-3 and 1-4 being offered in all lines and Paton's staple department is well stocked with sheetings, towels, pillow cottons, etc.

IN THE HOSIBRY DEPARTMENT

You will find the lines in Cashmere, Heather, Silk and Cotton, complete in size and shades, with quality the best purchasable for man, woman or child at 1-4 off.

Fancy and plain aprons, to adorn and protect the dress at 1-4 off.

GLOVES FOR COLD WEATHER

Gloves for Sunday and gloves for dress occasions, all colors and sizes at 1-4 off.

JANUARY CLEARAWAY OF KNIT UNDERWEAR

Hundreds of our customers have learned to buy all their Winter Underwear in our annual January Sale--it means such a decisive saving, especially this year at 1-4 off.

Now the waited for occasion is here, and the price-cuts are more drastic than usual.

Our entire stock is included--every kind of warm Winter Underwear, for Men, Women and Children and our stock is complete in sizes and weights. Remember 1-4 off.

What Woman Wouldn't Like a New Coat or Suit RIGHT NOW?

Of course the season is advanced; but the prices are CUT TO ONE THIRD and the season is not near half over. There is also always a lot of next year's service to a fine coat. Paton's splendid display of winter coats demonstrate prestige in value giving.

Be it distinctly understood that these Coats and suits are the newest of the new in point of materials, colorings and styles, and the beau ideal of workmanship. The coats are cut on the full, roomy, luxurious lines that pertain to the season, and embrace the many modes based on the wrap garment, which is the vogue this season.

The prices are so eloquent of values that it would be superfluous to add any terms of praise or to urge purchase. Your own good judgment will turn the trick when you see our coats and suits here at one third off. Children's coats are also marked at one third off.

The old year took away, forever, we hope, the old burden of war prices. For months conditions have been working toward the great climax that brought the remarkable merchandise that is here assembled for this, our greatest January Carnival of Economy.

Reasons for the Big Sale

The results came in two ways: 1st, the drastic lowering of prices on our own stocks, down to the new low basis, and often far below it--to double your interest in January buying in our store.

2nd--We have combed the markets--taking utmost advantage of the opportunities created by far sighted manufacturers who were ready to co-operate with us in presenting to you now the lowest prices that will be possible, for the next six months, at least.

We can just see the delight of our Customers when they see the splendid assortment of goods, in every department of our Store, and then realize that prices are away down to the bottom where it is a pleasure to buy things.

Many manufacturers have ACCEPTED LARGE LOSSES. We shall forgo a large part of our profits on the new goods and accept large losses on our own mark-downs--to inaugurate this first New Year sale under the new management and existing trade conditions.

The Most Stirring January Price-Upset that the Community has Ever Known

No matter what you need or desire, now is the best time for months to come to buy it. Some of the reasons are told on this page; but scores of others are here that can get no mention today, even in this broad space. Sale for Ten 10 days only.

One Third Off FURS

Fur prices at Patons are the wonder of the age. Have you seen their separate pieces, muff and ruff, and the exquisite seal and rat coats they are showing? Furs have a discount of 1-3 off. See their fur ad elsewhere in this issue.
