VALUES FROM THE FARM FRONT

Yes Mr. Farmer here are the best in fall values brought to you by the following merchants, bringing you up to date on the latest in farm machinery and farm items.

Potato Harvesters and Grain Combines

We have for your inspection, a full line of potato harvesters in both John Bean and the Gray-Snyder. Shipments are being made every week to keep up with the demand. Two carloads are expected the latter part of this week. The demand is heavy which is your best assurance of satisfied customers. We have chain for almost all makes of diggers and combines. We are interested in your used combine or harvester. Can arrange three year terms either in Potato Contract, straight finance plan, or Farm Improvement Loan. We have a few used combines, now being overhauled. Also diggers and pickers.

Our machines are good and our service is unsurpassed.
Don't overlook seeing the Allis-Chalmers Grain combines, when in Town. They are Different.

PRICED FOR SAVINGS ONLY AT C.T.C.

Enjoy Bigger Milk Cheques

Plug in this 80-cycle, 1/2 H.P. electric engine and milk . . . faster, cleaner and easier with the farm tested and proven National Double-Action Milker — Self-contained, completely-portable . . . rugged, dependable, too! Takes the guess-work out of a job in milking. New improved "long-life" inflation test cups massage teats, stimulate faster "let down" and eliminates hand stripping. Adjustable vacuum lets you milk slow milkers faster. Transparent pails give full

visible milking. Enjoy all the advantages of the highest priced milkers — get your actual cost of the National Twin Unit is lower than most other single unit milkers!

- Soft rubber inflations . . . easy on the cow
- Rubber-tired ball-bearing wheels for off the floor sanitary milking
- No valves between cow and pail
- Vacuum gauge for each pail
- Pails ride on machine
- Only test cups carried to cow
- Constant speed pulsator — requires no adjustment
- low upkeep — few moving parts.
