THE photograph of the Osborne family is now on exhibition in the window of the Diamond Bookstore. PROF. CECIL, the famous exposé, of spiritualism, is coming to Charlottetown. He gives one of his intensely interesting entertainments at Market Hall next Thursday evening. He comes here with most excellent endorsements, from both the clergy and the press. In speaking of him, the St. John Telegraph says: "The entertainment, by Prof. Cecil, at the Institute last evening, was, certainly, one of the best ever given in this city, and was highly enjoyed by the large audience present. Prof. Cecil is a perfect genius in his way, and while doing a good turn by exposing the folly of spiritualism, keeps a crowd in a tumult of laughter by his genial mirth provoking ways and doings."

A SENSATION.—Our correspondent at Morell sends us the following note, which was found on Sunday on the railroad track, about half a mile east of Morell Station. It was written on a slip of newspaper and enclosed in a sailor's knife-sheath, placed carefully on a sleeper, with a stone on top of it. The correspondent heard that the writer of the note was seen at St. Peter's Harbor on Saturday evening, so that he probably did not commit the deed meditated:—

"Saturday night. "Whoever finds this will go in the bushes the way this spike points, and you will find a broken-hearted man with his throat cut. "Send to Boston and you will find my friends. "Signed DAVID M."

The correspondent further states: "We suppose him to be a young man, calling himself David Morrison, who came up this way three or four days ago on a 'girl hunt,' and we have heard he did not succeed in seeing her, as she kept out of his way. He had no money on him, as I hear he did not pay his bill to the widow with whom he was staying. There was a crowd searching the bushes for him yesterday. If alive and he appears around here again, he will likely meet with a warm reception."

NEWS BY TELEGRAPH.

Gladstone on the Situation.

Special despatch to Examiner:

LONDON, July 21.

At the anniversary of the establishment of the Liberal-Association of Bermondsey street, London, last night, Mr. Gladstone made a long speech, in which he begged to decline resuming the leadership of the Liberal party. He powerfully attacked the manner in which the people have lately been governed. He said that no despotic government in Europe would have dared to do what the present Cabinet had done in accepting such responsibilities unknown to the people. He criticised the Treaty of Berlin, whereby England has consented to replace under the despotic rule of Russia Bessarabia, which belonged to free Roumania. Russia has retired her claims to heavy indemnity, with which she can always make a pretext for war. At the same time, the Treaty has dealt with the integrity and independence of Turkey. With regard to the convention with Turkey, only one epitaph is possible, namely: "An insane covenant." None of the great English statesmen of the last forty years would have signed it. It is, to our shame, a convention of absurdity and duplicity. It is odious to every valuable feeling of this country, and has alienated the friendly feelings of all the foreign powers. England has sold Bessarabia to Russia, the brave Montenegrin's conquests to Austria, the jealousy and selfishness of the Greeks to Turkey; and lastly, Turkey to England. Gladstone concluded by hoping that the Ministry would shortly be judged by an appeal to the country.

THE MCCARTHY MURDER.

DORCHESTER, July 22.

Annie Parker's cross-examination is not yet concluded. It will probably be finished to-day. Her testimony, so far, has not been materially shaken to any extent.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up, disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Bilioussness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
