

Skeet Championships Today At Local Club In Winsloe

As the sun sets on Winsloe tonight, the first club champion in the history of the Charlottetown Gun Club will have been crowned and the winner of each class will have been duly rewarded.

Much interest has been aroused in skeet during the past year and in July the first provincial championship was held with Wylie Bryenton of the local club walking off with top honors. The Maritime Championships were held in Fredericton about three weeks ago with an Island team, also from the local club, taking the honors in the team competition.

The Charlottetown Gun Club has enjoyed a very active year which will come to an end this afternoon with the crowning of the club champion, who will reign supreme for the 1954-55 year.

Over 100 numbers are expected to compete today for honors in each class. Badges will be presented for the winner and runner-up of each class. There will be 2 rounds of skeet (50 birds) fired by each competitor.

The shoot will get underway at 2:00 sharp, rain or shine and will be followed by a Turkey Supper and the annual meeting which will be held at the Highfield Tourist Court, adjoining the skeet field. It is hoped by club officials that each and every member will be on hand to enjoy the day's shooting and the supper and meeting that will follow.

First Game Of N. S.-P. E. I. Series At S'ide Today

A large crowd of baseball fans are expected to be in the stands at Queen Elizabeth Park in Summerside at 3 o'clock today when the strong Amherst Bluejays play the Holman Intermediates in the first game of a best two of three series for the Nova Scotia-P. E. I. Edward Island intermediate baseball title. The Amherst team have defeated Curran & Briggs Juniors twice this year, by a 13-2 score in Amherst and 5-2 in Summerside, but Holman's aggregation are confident they can turn the tables on the Nova Scotia intermediate champs.

Both teams are considered strong with the stick, so there should be a lot of horsehide sailing towards Green and Granville Streets today.

MacLeod, a boy hailing from Springhill, who played professional ball in the southern states, is the biggest Amherst offensive threat. He hit a very long home run off Lefurgy in the game at the airport here.

Holman's are expected to be at full strength for this important game, and Paul Schurman will be the probable choice for mound duty. Flashers of the World Series game in New York will be passed along to the fans.

New York Rangers Slated As 'Unimpressive' In Training

Canadian Press Staff Writer VANCOUR, (CP)—New York Rangers, who haven't finished higher than fifth in the six-team National Hockey League since the 1949-50 season, probably will be crying the blues long before play-off time rolls around.

The bluishirts out of playoff contention the last four seasons, aren't given much chance by rink-side observers to step up a notch and into the Stanley Cup playoffs in the 1954-55 season, although team officials hold bright hopes. The club hasn't been too impressive in training and it has lost a few old pros, players who could be counted upon when the going was toughest.

In addition, Wally Hergesheimer, the club's third highest scorer last year with 43 points, suffered a broken leg and it is doubtful if he will get back on the ice for at least three months.

COUNT ON LAPRADE

But the Blues can count on Edgard Laprade, one of the most capable ice smoothies in the game and a veteran big leaguer who has centred Andy Bathgate and Larry Poppin, both from Vancouver Canucks of the Western Hockey League, in training here.

Rangers haven't strengthened materially since last spring when they finished fifth. The only noteworthy off-season deal was the purchase of Danny Lewicki from Toronto Maple Leafs.

They've lost winger Eddie Kullman, who joined Rangers in 1947 and who retired this season; defenceman Leo Reize, a standby since he went to Rangers from Detroit Red Wings in 1952 and Max Bentley, the Detroit, 5-6-6, dandy who went to Rangers in a deal with Toronto Maple Leafs last season.

Centres Jim (Bones) Raleigh and Paul Ronty also are back. Raleigh

Howard Wins Lightweight Title In Split Decision

By GERRY MARTIN
Canadian Press Staff Writer

HALIFAX (CP)—Richard (Kid) Howard of Halifax pounded out a split decision over Armand Savoie of Montreal Tuesday night for the Canadian lightweight boxing title. Except for brief flurries, the fight lacked excitement.

Howard and Savoie tied each other up with infighting.

Howard, Maritime lightweight champ, got the nod from both judges while referee Gussie McLellan of Glace Bay voted in favor of Savoie.

There were few boos when the decision was announced, only a surprised silence. Howard was carried around the ring with his handlers making most of the noise.

Savoie still wore his grin but looked stunned. The taller Frenchman seemed fresher at the end while Howard was noticeably tired.

William Walker carded two rounds for Howard and one for Savoie. Savoie tried hard to put Howard

NO KNOCKDOWNS

There were no knockdowns. Howard weighed 134½ pounds and Savoie just made the 135-pound limit.

Referee Gussie McLellan scored six rounds for Savoie, four for Howard and two even. Judge Jack Delaney had four Savoie, five Howard and three even while judge William Walker carded two rounds for Howard and one for Savoie.

The Cleveland Indians, who won the American League pennant and later went on to win 111 games and set a new record for the most games won in a single season's play, today invade the Polo Grounds, home of the New York Giants, National League pennant winners.

The Indians, with one of the best pitching staffs ever possessed by a ball club, enter the Broadway City as 6-5 favorites to take the opening game of the 1954 World Series and 9-5 favorites to beat the Durocher men in the series and continue American League domination, unbroken since 1948 when St. Louis Cards beat the Boston Red Sox in seven games.

Last week the Brooklyn Dodgers, who bowed to the New York Giants in the National League pennant race, gained hopes for a pennant win in 1955. Club manager Walter Alton, while looking for youthful prospects, brought a 23-year-old southpaw in from their Fort Worth farm club. In the last game of a three-game series with the Giants, the first two of which the New Yorkers had won, Karl Spooner stepped to the mound for the Dodgers, fanned 15 men and won the game by a shut-out.

The survey, conducted by government departments and the Canadian Association for Adult Education, found that fewer Americans believe the Canadian government is controlled by the United Kingdom.

Other ideas on the wane were: Canadians pay taxes to Great Britain; any wealth existing in Canada was brought here by Americans; Canada was a beneficiary in lend-lease and remains a beneficiary of Marshall Plan aid.

Mr. Henshaw, an advertising executive, said the improved state of affairs was due to the combined efforts of government, industry, education and service clubs.

He said the best mediums towards enlightenment had been approaching leaders of American thinking and appealing to the masses by films.

Canadian film material, he said, had reached an estimated 50,000,000 American viewers in the last seven years.

At least 15 teams are expected to participate in what should be the Maritime's best year for rugby league football. Among the teams entered are the newly organized Charlottetown Nomads. Most of the players who were with the Abbies when they advanced to the MacCurdy Cup finals will be kicking leather with the new squad. The N.B.-P.E.I. championship is scheduled to be played on Nov. 6 with the winner of the Nova Scotia-Cape Breton championship to be declared by that date also. The New Brunswick-Prince Edward Island winners meet the Nova Scotia champions by November 13 and the big game of Maritime rugby football, the McCurdy Cup championship, is set for November 20.

Charlottetown and Saint John Mariners have announced that they were challenging for the McTeir Trophy, emblematic of the Rugby Union championship for eastern Canada.

away but after the fourth round Howard seemed to gain confidence. The fifth round was the best. Howard threw earlier caution to the winds and bulled into Savoie. He staggered him early, but Savoie weathered the barrage.

Savoie, seemingly annoyed, cut loose for the first time in the closing minutes of the round. Howard covered up on the ropes, then broke off and was after Savoie again at the bell.

The fight dragged through the middle rounds with scattered boos drifting out of the packed house, estimated at 7,500.

SAVOIE WEATHERS 10TH

The tenth was probably Howard's best. He belted Savoie with several hard body punches and hammered him into the ropes with vicious, chopping rights to the head. Savoie took quite a few punches, didn't seem to be in trouble.

The last two rounds were Savoie's as Howard seemed content to go the distance. Savoie nearly floored him in the final round.

The six-round semifinal provided the best fight of the night as Jackie Hayden of Westville, N. S., won a unanimous decision over Keith Paris of Halifax. Hayden weighed 137½ and Paris 138.

The Westville fighter showed his superior skill from the outset. He carried the first two rounds, hammering Paris with hard rights and lefts.

In the third, Paris cut Hayden on the nose as the Westville fighter played hard to get. Paris came ahead in the fourth when he landed a right cross that ripped a deep cut near Hayden's right eye.

Paris kept up the pressure in the fifth but couldn't get in any effective punches.

Hayden let Paris be the aggressor early in the final round, then he stormed in Paris.

OTHER BOUTS

In a six-round special bout Leroy (Rocco) Jones, 130, Halifax, won a unanimous decision over Bobby Gallant, Trenton, N. S. 129½.

Buddy Daye, 127, Halifax, scored a knockout over Benny Randall, 124, Sydney, in 31 seconds of the second round of the scheduled six-round bout.

The three-knockout rule was waived for the title distance. Howard lost to Savoie in June when he went down three times in the third round. Although he appeared fresh and eager, the match was stopped.

Savoie is 24, a year younger than Howard. But Howard is five feet, 4½ inches tall and has a barrel chest and heavy legs. Savoie is tall and lean with a three-inch advantage over Howard in both height and reach.

Betting Favors Cleveland To Take Series From N.Y. Giants

By Jack Hand

NEW YORK, (AP)—Craftery Sal Maglie, New York Giants' 37-year-old curveball pitcher, and Bob Lemon, Cleveland's 23-game winning ace, will open the world series today at the Polo Grounds.

Although managers Leo Durocher of the Giants and Al Lopez of the Indians held up official announcements until early Tuesday afternoon, almost every fan had "selected" the pitchers days earlier.

Strong support for the American League champs, who set a league record by winning 111 games, sent the Las Vegas gambling odds to 9 to 5 on the Indians. Solid front-line pitching and the tradition of American League victory unbroken since 1946, edged the price higher.

At Sunday's meeting in Amherst, 15 teams in the Maritimes expressed their intention of competing in various classifications (including intercollegiate) again this season.
