

## VOLLEYBALL

For the past number of weeks the U.P.E.I. and Canada Games Women's Volleyball teams under the coaching of Donna Sears have been conducting a number of players clinics and exhibition matches in many Island schools. The idea of the program, according to Coach Sears, is to promote the sport of volleyball in the province particularly with the resurgence of the game at the University level and the increased interest due to the upcoming Canada Winter Games in February 1983. At the junior high school level the two teams have played exhibition matches and demonstrated the concepts of offense and defense. With the Senior A teams, the players have put on clinics dealing with game skills and strategy. The U.P.E.I. Team has played exhibition matches with the Senior AA Men's and Women's High School teams. Instructional and exhibition sessions have already been held with M.E. Callaghan and Hernwood, Stonepark, East Wiltshire Junior High, Miscouche Regional and Morell Regional High Schools. There are also sessions planned for Montague, Charlottetown Rural, Westisle, Souris and Colonel Gray in the next few weeks. "The program also gives exposure to the Canada Games Team as well as the University Club," says Sears. "Since there is no on-going provincial program we feel, as a university team having a five month season, we should take the lead in promoting volleyball in the province. With the Canada Games Team beginning its seventh month of training, the promotion and exposure for the team through this instructional program is good for the players as well as the sport."

## BLANCHARD BATTLES BERNIE

Last Monday dawned bright and crisp with tension running high in Blanchard Hall and Bernadine girls softball teams... Game time 4:15 p.m. The teams approach the ball diamond with anxious anticipation. The match liked very uneven with only 6 Blanchard players to 10 Bernadine girls. And uneven the match was, the score after the middle of the fourth was Bernadine 5 to Blanchard 20. The inning had seen 15 points scored for Blanchard and the Bernie girls calling the game out of humiliation. Many thanks to the Blanchard girls who left their mid-terms, papers and soap-operas for this final game.

### TEAM MEMBERS

Susan MacRae, Nancy Keating, Joan Donahue, Pam Kelly, Ruth Palmer, and Janet Braam.

## PLAYER OF THE WEEK

Jean Francois Painchaud displayed brilliant goaltending as UPEI fought for the A.U.A.A. soccer crown this past weekend.

Jean Francois was in his usual top form in Saturday's semi-final cliffhanger, (a 5-3 overtime victory against St.Mary's) and Sunday's disappointing 2-0 loss to U.N.B. Teammates confide that it is a pleasure to watch, as well as compete with the 22 year old Business student from Montreal. It is hoped Jean Francois will return next season to once again display his All-Conference style.
