

Appointments To West Kent Teaching Staff

When West Kent School reopens in the fall it will be minus two of its long-standing teachers through the resignations of Mr. Louis Campbell, vice-principal, and Miss Helen MacKinnon, teacher of grade 4.

Included on the staff will be Miss Betty King, at present teaching at Dunstons; and Miss Mary Gamble of Albany. These two appointments to the staff, and the appointment of Mr. Austin Kennedy, teacher of grade 10 at West Kent, as acting vice-principal, were made at a meeting of the School Board on Tuesday evening.

Mr. Campbell is retiring and going on pension at the end of the present school year after 30 years in the teaching profession. The first seven years of his career were spent at Spring Park School, and he has been at West Kent since that time.

Miss MacKinnon has been at West Kent School for 25 years, and although she spent the first few years with grade 5, has been a teacher of grade 4 for the major portion of her teaching career. She is retiring because of ill health.

Urge Boost In Blind Pensions

MONTREAL, June 20—(CP)—Raising of the Federal Government pension for blind persons from \$40 a month to \$60 was urged today by the Canadian Federation for the Blind at its closing day session.

The Federation, in a series of resolutions, also asked that blind persons become eligible to receive the pension at the age of 16, instead of 21 as at present.

In other resolutions, the Federation asked:

"That if the means test on pensions for Canada's over-70 citizens is eliminated, the test be abolished at the same time on pensions for the blind.

"In the event the means test is not abolished,—that the present income-earning allowance in case of single blind persons be increased from \$720 a year to \$1,000; for married blind persons with sighted spouses from \$1,200 to \$2,000, and for married couples, both blind, from \$1,320 to \$2,000.

"That action be taken by Federal and Provincial Governments to set up special facilities to aid blind persons to find employment.

"That the Provincial Governments provide free medical, surgical, optical and dental care, including artificial eyes, for all blind persons.

"That the Federal Government ask the Governments of the three Prairie Provinces to establish a school for the blind.

Concludes Tour Of Atlantic Provinces

MONTREAL, Que., June 20 — Returning today from a two week 1500 mile inspection trip through the Atlantic Provinces, Donald Gordon, CMG, Chairman and president of the Canadian National Railways, said the railway's long term plans for improvement and development of facilities in the Atlantic region has been materially assisted as a result of the visit.

"Along with senior operating officials and our local officers I have had an opportunity of viewing the whole railroad picture and assessing local plans and difficulties on the spot," he said. "This will be of distinct advantage to us in shaping our future program. From what I have seen, and from conversations I have had with civic leaders on various parts of

GOLF CLUB OPENING DANCE, June 28th, and every Thursday throughout the season.

FIREMEN CALLED — City firemen were called out this morning at 1:30 in answer to an alarm sent in from 11 Belmont Street. The alarm was caused by wiring trouble. Three fire trucks and their crews answered the call. There was no damage.

POLICE COURT — One drunken driver was sentenced to 20 days in jail when he appeared in City Police Court this morning, and another received 10 days. A drunk and disorderly got 20 days while two drunks each received 20 days and one more got off with five days. Two other drunks were remanded one to the 21st and the other to the 26th.

FOR HALIFAX — A group of eight more Island recruits for the 27th Brigade left here this week for Halifax for final attestation. They were: H. L. Paynter, Summerside; J. F. Perry, St. Nicholas; S. R. Blackett, Georgetown; H. A. Henry, Georgetown; E. L. Keefe, Morell; P. J. Sark, Lennox Island; F. A. Frizzell, 46 Brighton Avenue, Charlottetown; and K. F. Rayner, Alberton.

HANDLING RECRUITS — With the heaviest recruiting rush of men to join Canada's 27th Brigade now over the large staff which handled it in the beginning has dwindled to only seven people. The rest of the original recruiting staff have gone to Halifax. Remaining here to handle the small but steady flow of men coming in to enlist are Capt. E. R. Burke, Capt. C. N. Dwyer, WO2 H. H. MacLeod, Staff Sgt. C. E. Ryan, Sgt. E. Gorcevst, Cpl. Henry Doucette, and the staff typist, Mrs. A. Townsend.

SUPREME COURT — Only one case was heard in Supreme Court, Queen's County Assizes, yesterday. It was the appeal of Angus B. Feehan, Blooming Point, from a conviction under the Excise Act. The case concerned the finding of a still and 70 gallons of mash across the brook from Mr. Feehan's property. Heard before Mr. Justice Mark R. McGuigan, it was ordered placed at the foot of the docket for further consideration. Appearing for the appellant was J. A. McDonald, K.C., while J. P. Nicholson appeared for the Crown. The excise appeal of Forrest McDonald will be heard this morning at 11 o'clock.

Personals

Mr. and Mrs. L. W. Saunders are visiting in Louisbourg, Cape Breton, with their son, Dr. A. L. Saunders and Mrs. Saunders.

"The line, I am convinced that the program of gradual and continued improvement on which we have been steadily engaged since the end of the war will go forward to the satisfaction of all concerned."

The inspection party which began its tour at St. John's Nfld., on June 4 was made up of the president, S. F. Dingle, vice president, operation, and W. E. Robinson, vice president and general manager, Atlantic Region. In Newfoundland they were accompanied by H. C. Grayson, manager, Newfoundland district, and on the mainland by R. B. Graham, general superintendent Atlantic Region, and R. B. Brennan, a director of the Company.

The party devoted six days to inspection of rail and steamship facilities in Newfoundland the second week was occupied in inspecting the line in Nova Scotia, Prince Edward Island and New Brunswick. To facilitate this, the president's party travelled only by day with exception of overnight runs to and from Prince Edward Island.

"This trip in conjunction with my visit to Halifax last year," Mr. Gordon said, has enabled me to see virtually our entire main line operation in the Atlantic Provinces, as well as several of our branch lines, the maintenance of way program is proceeding in good order, particularly have regard to the man power, engineering and supervisor staff available for this important work.

Of Newfoundland he said that good progress was being made toward restoration of rail and steamship services to a standard and frequency of service commensurate with traffic demands.

"We are not attempting any revolutionary changes in Newfoundland," he declared, "but rather a steady improvement of facilities throughout the province. When new equipment, now on order, has been received and the ferry service with the mainland has been brought up to modern transportation standards, Newfoundland will have rail and steamship facilities capable of handling both freight and passenger traffic with efficiency and despatch with due allowance for the provinces prospective development."

Sudden Death Of Mr. John T. Cullen

Mr. John T. Cullen, of Hope River, who would have been married for 60 years on July 7th, died suddenly at his home yesterday morning. He would have been 89 years old on Saturday, June 23.

Mr. Cullen was married to the former Mary Landrigan of Covehead on July 7th, 1891. His wife survives him and is in good health.

He had been suffering from a slight cold for the past few days but was not considered to be in any serious danger until he took a sudden attack yesterday morning.

As a young man he worked in the United States for a number of years. For the past 45 years he has farmed on the homestead at Hope River.

In addition to his wife he is survived by five sons, four daughters, two brothers, 40 grandchildren and eight great grandchildren.

The daughters are: Mae, Mrs. Walter Reid; Margaret, Mrs. Thomas Reid; Nina, Mrs. James Reid, all of Hope River; and Agnes, Mrs. Elmer Campbell, Ottawa. The sons are Leo in Boston; Leonard, Toronto; Frank and William in Charlottetown; and Damien, Hope River.

The two brothers are Mr. T. P. Cullen, Charlottetown and Mr. James Cullen, Bedford.

District Sunday School Convention At Fredericton

The District Sunday School Convention of Queens County met at Fredericton Christian Church recently with a large group of enthusiastic delegates.

The President, Mr. Gordon Carey presided. The meeting opened by singing, "Wonderful Words of Life," with Mrs. Harold Sharpe as organist. This was followed by prayer by Rev. H. Christie, Mrs. E. Murray was appointed Pres. Secretary. The President then introduced Mr. W. Dalrymple of the Maritime Religious Education as leader of the Convention who spoke briefly on his pleasure and purpose of being present.

The minutes of last Convention were read by Miss Semple and approved by Convention.

The President then gave his report of the years work and stressed the importance of Sunday School work in relation to the church.

The Secretary then gave the financial report, following this a nominating committee headed by Mr. George Bessett was appointed and Rev. G. Goff was appointed to head resolution and courtesy committee.

Seven schools answered the roll call with delegates asked to emphasize the most interesting activity of the year.

A worship period was then led by North Granville School with Mrs. G. Dunning as leader.

Mr. Dalrymple gave an interesting and instructive demonstration on teaching a number of classes in one room church.

Offering was received and dedicated and Miss Bessett closed the afternoon session after which an enjoyable supper and fellowship was spent together.

The evening session opened with worship period by Fredericton School with Mrs. L. MacDonald as leader.

The Vice-President, Rev. H. Christie then reviewed the work of the M. R. E. C. and spoke briefly on the Welcome Book.

Mr. Dalrymple gave a showing of religious slides and demonstrated film strips and library books available for all schools.

The nominating committee brought in the following slate of officers: President—Mr. Gordon Carey; Vice President—Mrs. Howard Ling; Secretary—Miss Ella Semple; Girls Work—Mrs. J. Simpson; Children's Work—Mrs. M. Stevenson; Boy's Work—Mr. Roy Higgins.

The Courtesy and Resolution Commission report was read by Rev. G. Goff.

The Convention closed with an inspirational address by Mr. Dalrymple on the subject, "Jesus Christ Teacher and Lord." This was followed by prayer and Benediction.

IN MEMORIAM

JOHN MAXWELL BURGESS

The many relatives and friends of John Maxwell Burgess were shocked to hear of his sudden passing at his home, 204 Euston Street, Charlottetown, on Friday, June 1st.

Although not enjoying the best of health for some time previous to his death, nevertheless he was able to carry on his duties as plant foreman at Central Creameries and had been at work the previous Monday.

The deceased was born at Craupaud on May 7, 1900, a son of the late George Burgess and early in life decided on butter-making as a profession. After working in creameries at Craupaud, Prince Edward Island, and Baddeck, Nova Scotia, he came to Charlottetown in 1925 and had been a valued employee of Central Creameries, Limited, until the time of his death.

Left to mourn his passing are his widow, the former Henrietta Lowther, four sons, George, Charlottetown; Richard, John and Donald, Toronto; his mother, Mrs. Myrtle Warren, Medway, Mass.; and two brothers, Stanley of Manitoba and Lionel of Sudbury, Ontario.

The largely attended funeral ser-

To Speak Here On Dental Health

Dr. Hugh McLaren, Ottawa, will be guest speaker at the public meeting to be held by the Dental Division of Public Health and Welfare in Charlottetown next week. Dr. McLaren has been assisting Dr. H. K. Brown, Chief of the Dental Health Division, Ottawa, in sodium fluoride experiments at Brantford, Ontario, and was recommended by Dr. Brown who was formerly scheduled to speak.

The results of these experiments are being awaited with great interest. It is too early yet to give a conclusive report but Dr. McLaren will be able to give some very useful information. If the final results are favorable and the use of sodium fluoride advocated in Charlottetown, it would be the first major step toward the overcoming of the scourge of tooth decay.

Fluoridation of the water supply is aimed primarily at the children, since the sodium fluoride is incorporated into the tooth structure during the period of the tooth formation. Ontario and Quebec offer many advantages because it is practically automatic. All children who use the water supply for drinking derive some protection. There is no special initiative required, no special visits to the dentist, no special procedures to be followed, and the cost is very low.

17 Red Officials Arrested In N. Y.

NEW YORK, June 20—(AP)—The Federal Bureau of Investigation in a series of early-morning raids today arrested 17 Communist officials today on charges of plotting to wage an underground campaign to overthrow the United States Government by violence.

They were among 21 Communists named in a Federal grand jury indictment as appointed to take over control of the party when 11 convicted Communist leaders start serving their prison terms.

Those arrested, 16 in New York and one in Pittsburgh, were held in jail ranging up to \$30,000 each. Four others named in the indictment were still being sought.

Eugene Dennis, Communist Party general secretary and one of the 11 convicted leaders, issued a statement saying:

"We see here a crude effort to stifle throughout the nation all criticism or opposition to the suicidal war policies of the administration.

"Let every citizen, especially the workers, regardless of views, speak now against these cruel and inhuman thought-control arrests."

The left-wing American Labor Party chimed in with a statement by Arthur Schutzer, its New York state executive secretary.

"Today the knock on the door may be for Communists," he said. "Tomorrow it may be for... any Americans who refuse to knuckle under to the officially-prescribed dogmas of war, profiteering and suppression of civil liberties."

WINNIPEG, June 20—(CP)—Likely formation of a girl air cadet corps in the near future was forecast last night by Harold L. G. Garner of Peterborough, Ont., president of the Air Cadet League of Canada.

vice was conducted by Rev. J. T. Irwin, Trinity United Church, of which the deceased was a member, and held from the MacLean Funeral Home on Tuesday, June 5th.

The remains were then taken to the United Church Cemetery at Craupaud and tenderly laid to rest in the family plot beside those of his father. The Masonic Order of which the deceased was a member, conducted their service at the grave.

The pall bearers were John Simmonds, Lemuel MacDougall, Keith Acorn, Percy Rodd, Ernest Cameron and Chester Buntain.

The many floral wreaths, letters and cards of sympathy received by the family testify to the esteem of the deceased.

Ship Arrives For Reconditioning

A former wartime fighting ship of Canada's Navy came out of "mothballs" this week and was towed here from Sorel, Que.

The one-time "Malpeque" looks little like the trim minesweeper of a few short years ago. Battered about with dents in her prow and much missing from her superstructure, she is also badly in need of paint. Apparently the ship was almost completely stripped with even railings and ports being needed.

Now docked at the wharf of Bruce Stewart and Co., Ltd. She will get a complete refit here to make her ready for the sea again. She is one of the Bangor type steam minesweepers, as distinguished from the Bangor type diesels which Navy men will recall were about 20 feet shorter.

The ship was brought here by the naval tug "Glenlyne," commanded by Capt. K. R. McKay, Halifax, who was accompanied down the St. Lawrence by a sister tug, the "Glenbrook," which towed another minesweeper to Pictou for refit. It is expected that within a couple of weeks another ship will arrive for refit.

Claim Mail Charges Hit Magazines Too

OTTAWA, June 20—(CP)—Representatives of Canadian Magazines and periodicals, testifying that their mailing charges will be increased by 50 per cent, today requested a reduction in proposed new postal rates for publications.

Postmaster General Rinfret indicated no action will be taken on the request, made before the Senate committee on banking and commerce. The committee was studying a bill amending the Canada Post Office Act and providing for a \$2,000,000-a-year increase in postal rates on newspapers, magazines and periodicals.

Mr. Rinfret said the daily and weekly newspapers contended the magazines and periodicals claimed the rates favored the daily and weekly newspapers.

"If nobody is satisfied, my theory is that the law is good," he said.

Appearing before the committee to support the request for a reduction in rates were Maj. I. D. Carson of Toronto, executive vice-president of the Periodical Press Association, Roydon M. Barbour of Toronto, executive vice-president of Consolidated Press, Jean Chauvin of Montreal, editorial director of Poirier, Besette and Company, and Floyd S. Chalmers of Toronto, executive vice-president of MacLean-Hunter Publications.

Maj. Carson read a brief on behalf of his association urging that the Postmaster General be given greater freedom to fix the rates of periodicals by regulation.

Mr. Rinfret said that last year it cost the post office \$15,000,000 to carry newspapers and publications. It received from the newspapers and publications only \$3,000,000 in postal rates. In view of the size of the "subsidy" he felt the matter of fixing rates should be left in the hands of Parliament and not placed in the hands of the Postmaster General.

The Post Office Department had attempted to spread the burden of increased rates according to the strain placed on postal facilities by the publications. The highest rates applied to the daily newspapers.

Mr. Rinfret said he estimated that the increase in postal rates will represent a boost of about 4 1-2 cents a year on each mail subscription for MacLean's Magazine, Toronto publication.

Maj. Carson's brief said that weekly magazines will pay three cents a pound instead of 1 1-2 cents a pound on copies mailed for delivery outside the city of publication. They will pay five cents a pound instead of 1 1-2 cents a pound on copies mailed in the publication area.

Saturday Night, a Toronto pub-

MacArthur Says Truman Is "Silencing" Witnesses

WASHINGTON, June 20—(AP)—Gen. Douglas MacArthur accused President Truman today of "silencing" key witnesses and thus clouding the full facts in the controversy over MacArthur's dismissal as supreme commander in the Far East.

The General hurled the charge in a letter declining an invitation to return for rebuttal testimony before the Senate's MacArthur inquiry committee.

MacArthur said his own views are on the record in great detail, but he said he took "sharp exception" to the testimony given by some witnesses.

As the inquiry went into its 39th day, Maj.-Gen. Patrick J. Hurley, former Ambassador to China during the Second World War, delivered a bitter attack against State Secretary Dean Acheson and accused the State Department of "cowardly surrender" to Soviet Russia.

But Hurley praised Truman for "courageous and sound" action in making the decision a year ago to move against Red aggression in Korea.

That decision, he said, reversed a policy of U. S. "appeasement of Communism" in Asia.

Hurley told the senators that beginning with the 1945 Yalta agreement, American foreign policy has been based on "concessions to Communism and fear of Russia."

The Yalta agreement, reached at the Russian town of Yalta among President Roosevelt, Prime Minister Churchill and Premier Stalin, gave secret concessions to Russia in return for her pledge to enter the war against Japan. The concessions included rights in Manchuria and in the ports of Dairen and Port Arthur.

Hurley attacked Acheson's testimony that at the time of the agreement it was feared an assault on Japan's home islands would cost 1,000,000 American casualties.

"The fear expressed by Secretary Acheson, in my opinion, did not exist," Hurley said.

lication with 11,000 mail subscribers in that city will pay at the new rate \$18,480 yearly, an increase over the current rates of \$9,900 or 115.3 per cent.

Mr. Barbour said the increase could not be passed on to the subscribers or to the advertiser because of the competition from United States magazines.

Political Meeting At Eldon Hall

Speakers last night at a political meeting at Eldon Hall were Mr. George C. Nowlan, K. C., M. P., Mr. MacLean in this by-election, many former Liberals had supported the speaker, he said, when he was elected in the Digby-Annapolis-Kings riding to succeed Hon. J. L. Lisley when the latter resigned.
