Do You Drink Ice Water?

That cool refreshing drinks in warm weather are delicious is undeniable. That drinking ice water in copious draughts when a person is overheated is injurious, not to say dangerous, is also undeniable.

When a person is perspiring freely from every pore, a vast amount of water is drawn from the body, which must be re-supplied, or great injury is being done to the physical health, and the foundation of some of the worst forms of kidney disease is being slowly, but surely laid.

Why! someone will exclaim, but surely I do not drink so much ice water. Wrong again! So long as the water drunk is freely carried through the system, and converted in its passage to the naturally acid reaction of the urine and perspiration, no danger can occur by deposits of urea or lime in the kidneys and bladder, because they remain perfectly in solution, and are carried out of the body instead of remaining in it.

Literally, they are washed out of the body by the copious draughts of water (that most perfect of all known solvents), same as a series of pipes are "flushed" with water to clean them. A clean body is never diseased.

Do not drink ice cold water, but pure cool water; a little lemon juice will improve the effectiveness. Plain soda water with a little acid is also excellent. If from drinking too much ice water you have stomach cramps, or are "water-logged," as it is called, or are attacked with Cholera, Morbus, Stomach Complaint, Diarrhoea, or Dysentery, do not resort to choleric stimulating drinks, which irritate rather than soothe and allay the inflammation which has caused the trouble; but adopt the practice of taking daily just before retiring, during July and August, one teaspoonful of Johnson's Anodyne Liniment in a little sweetened water, which will prevent all such attacks and ill effects from ice water.

WHAT TAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating at the stomach; "goose-neck" or "implies of stomach" in the morning; tongue coated, bitter or bad taste in mouth; irregular appetite; "floating specks" or "headaches, lightheadedness, sharp, biting, transient pains here and there; cold feet; drowsiness after meals; vertigo, or disturbed and unrefreshing sleep; constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or "Terra Lata," associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what state it has reached, Dr. Pierce's Golden Medical Discovery will subdue it. If taken according to directions for a reasonable period of time, if not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in, and, sooner or later, induce a fatal termination. Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all impurities, and expels them from winter cause of disease. It is equally efficacious in acting upon the Kidneys, and other excretory organs, eliminating and restoring health. It is an appetizing, restorative, tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In many cases, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Humid Aged, and kindred diseases. Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, Erysipelas, Scaly or Rough Skin, in short, all diseases caused by bad blood, are cured by this powerful, purifying and invigorating medicine. Great Eating Cleverly Improves the System, and Induces a Healthy Condition. Erysipelas, Boils, Carbuncles, Ringworms, Scald-head, Itch, and other eruptions, "White Swellings," Gout, or Rheumatism, and Enlarged Glands, send ten cents in stamps for a Free Treatise, which contains plates, on Skin Diseases, for the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE." Thoroughly cleanses it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, and strength and bodily health will be established. CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, or other in the earlier stages of the disease. From its invigorating power over this terribly fatal disease, when first offering this new medicine, ready to the public, Dr. Pierce thought seriously of calling it "Consumption Cure," but abandoned that name as too wonderful, and a medicine which, from its wonderful curative power, would be considered a miracle, and blood-cleansing, anti-bilious, and other nutritive properties, is unequalled for curing Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Indigestion, Asthma, Sore Throat, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address, World's Dispensary Medical Association, 603 Main St., BUFFALO, N. Y.
