

STEW DENT!

by SHELLI WHEATON

ATTENTION SENIORS

Graduation pictures with Heckbert Studios went well on October 31, November 1, and November 2. Very special thanks to Cathy Ronahan for her permission to use Bernardine Hall's 4th floor study room, and to Mark Ronahan and the other "strong and hefty" Marian Hallers who moved the carrels into and out of the study room. Thank you also to the 4th floor residents of Bernardine Hall who sacrificed their study room and hall space for those three days.

Boily Photo will be on campus on Tuesday, November 15 and Wednesday, November 16 to conduct graduation pictures. The pictures will be taken in the Marian Hall Party/Recreation room. Sitting fee is \$10.00 plus tax or \$8.50 plus tax if you have a Student Saver Card. If you do not have a card, you may pick one up at the Student Union Office

or at the Information Desk in the Pit. The pictures will be taken in 10-minute intervals. Boily Photo and the Alumni Association will provide, at the time of your sitting:

- A black graduation robe;
- The appropriate graduation hood for you faculty;
- White shirts and black bowties for males;
- Corsages for females;
- Make-up for makes and females.

Please sign your name in a time slot on the sign-up sheets located on the wall behind the Information Desk in the Pit of Robertson Library. The sheets went up Monday, November 7 and will come down Monday, November 14 at 12:00 noon. If you have already booked an appointment at the studio and would rather have your picture

taken on campus, please call Boily Photo (566-1624) to cancel your appointment and then sign your name in a time slot on the sign-up sheets. Please arrive at Marian Hall 15 minutes prior to your sitting time with your sitting fee.

Please note that your Student Saver Card gives you a 15% discount of all photos and photo packages from Boily Photo.

Winners of 50/50 Draws
Friday, October 28 - Cheryl Yeo \$32

Friday, November 4 - ? \$28

Well, Seniors, Keep your chins up and remember: only 45 days until Christmas, only 99 days until Spring Break, and most importantly - Only 176 days until Senior Week 1989!!!

SHOULD ASPIRING ACCOUNTANTS SELECT A PROFESSIONAL PROGRAM THAT INTEGRATES MICROCOMPUTERS?

(Should aspiring airline pilots take ground school and flying lessons?)

Certified General Accountants are the first professional accountants in Canada to introduce computer-integrated learning into their program of studies. Extensive research into the needs of employers in the 1990s and beyond clearly pointed the way. By choosing CGA and completing the program of studies you will graduate as a professional accountant and be trained and equipped to "take off" on a much wider role in management. It's the only course of action -- and as a professional, the sky is the limit.

Send for the CGA information package today.
