THE EASTERN GUARDIAN

AGENTS: MONTAGUE: Harold F. Landry, Albert Aitken, Mrs. Byron Stewart, Miss Harriet Clark.
 AGENT GEORGETOWN: Waldon Lavers.

The Guardian may be bought at any of the following places in Montague: Miss S. A. Llewellyn; Mrs. Clay. In Georgetown: The Post Office; in Souris: The Snack Bar and M. E. Richards & Son.

Miss Sadie MacKinnon, Ottawa, is enjoying a vacation in Montague, guest of her mother, Mrs. Murdoch MacKinnon, and her sister, Mrs. Ben MacLure.

The Senior Young Peoples Society of the Christian Church, Montague, held a very enjoyable Valentine party at the parsonage on Wednesday evening. The games and contests were in charge of Mrs. Carl Stewart and Mrs. R. Bryan. The members joined in a hearty sing-song with Mrs. Atwood MacDonald as piano accompanist. A delicious lunch was served by the hostess, Mrs. Bryan, assisted by Mrs. Leonard Campbell and Miss Barbara MacLure.

The Y.P.S. of the Presbyterian Church, Montague, met in the church at the close of the Sunday evening service. The president, Miss Anne MacEachern, presided. Following a fifteen-minute sacred sing-song, Rev. F.N. Young gave a very interesting address, taking his theme from the study book. The devotional period was in charge of Miss Elva MacDonald, assisted by Miss Thelma Stewart. After a short business period, the meeting closed with a hymn and the Mizpah Benediction.

Murray Harbor Bruins Win Bye In Playoffs

The Murray Harbour Bruins garnered the extra two points at the Murray Harbour rink on Thursday night when they defeated the Montague Meteors 6-4 to place them in the lead with ten points. The Meteors placed second with eight points, while the Georgetown Eagles trailed with six points.

The first and second periods were featured by excellent passing plays by both teams and fine net work by the goalies. Although there was no heavy body checking, the players moved with respect into the opponents defence zone. The Bruin attack was led by Nicolle and Hume who played a fine passing game to bring them to the net on each play. The locals also showed their ability at the same game by holding until the final minutes of play when Nicolle slipped through the defence to net the last two winning markers of the game, giving the Bruins the lead in the schedule and the by in the playoffs. It is expected that the playoffs will begin next week with the first game between Montague and Georgetown, with the winner taking on Murray Harbour for the championship.

The Clyde River Y.P.U. met at the home of Mr. and Mrs. Robert Matheson on Friday evening, February 17. The meeting opened by singing hymn 263. Arnold Beer led the devotional period with the reading "My Father's House". Scripture reading was taken from Mark, the eleventh chapter. Prayer was then offered by the leader. Responsive reading was found in Psalm ninety five. Readings were given by George Gillespie and Joan Murray. Hymn 240 was then sung closing that part of the meeting. Collection was received amounting to two dollars and thirty five cents.

The minutes of the previous meeting were read. Roll call was answered by twenty-two members. The president conducted Bible Study on chapters 19-20-21 of the Book of St. John. Reggie MacKinnon was appointed devotional leader for the next meeting with Shirley MacKinnon and Betty MacLean on the program committee. Mrs. Eric MacPhail will conduct Bible Study on Ch. 1-2-3 of "The Acts of the Apostles". It was moved and seconded to give five dollars to "The March of Dimes". Our next meeting to be held at the home of Mr. and Mrs. Reggie MacKinnon on Friday evening February twenty-fourth. Hymn 30 was sung and meeting closed by repeating "Misgab Benediction". A social hour followed with games and a delicious lunch was served by the hostess assisted by Phyllis MacKinnon, Mrs. Arnold Beer and Mrs. Eric MacPhail.

AFRICAN COLLEGES
 LONDON - (CP) - Two new colonial technical colleges are to be established, one at Kumasi in the Gold Coast and the other in Nigeria. This was announced recently by Colonial Secretary Arthur Creech Jones, who said courses at the colleges will provide higher technical and commercial education for Africans.
