CRUSADERS CONCERT AND ENTERTAINMENT.

The entertainment under the auspices of the Loyal Crusaders of the Haz 1 Grove School, given in Fredericton Hall on Monday evening, the 6th inst, was a decided success in all respects. The hall was well filled with an attentive and appreciative audience.

The Worthy Commander, Ernest S Weeks, occupied the chair, and Misses Mary M. Bagnall, Hattie Sellick and Edna Weeks performed the duties of organist in an efficient manner. Starving and Freezing.

ASPEN, Col., Feb. 6.—The situation at the mining camp at Independence, 18 miles from here, is critical in the extreme. Starvation stares, the inhabitants of the town in the face. Provisions and fuel supplies are nearly exhausted. Wood that has been cut and piled up for the winter use lies buried under many feet of snow and cannot be reached, and the mines there, in all probability, must close down until spring.

An Indemnity.

PEKIN, February 6.—The Tsung-Lis Yansen has agreed to pay \$30,000 to the relatives of the murdered British missionaries, Mr. Fleming, in addition, two of the murderers have been beheaded, the military mandarin of the locality has been banished and tow officials have been degraded.

NEWS NOTES

The laborers who built the pyramids did not work under such disadvantages as have long been attributed to them. Recent research shows that they had solid and tubular drills and lathe tools. The drills were set with jewels, and cut into the rocks with keenness and accuracy.

The full intensity of living is reached only by the perfectly healthy. Sickness discounts the capacity for enjoyment. If his body is all out of order and run-down, he will not be able to enjoy any, no matter how full of enjoyment it may be for other people. If he is just a little bit out of order, if he "is not sick, but doesn't feel just right" he will only be able to enjoy things in a half-hearted sort of a way. The nearer he is to being perfectly well, the nearer will his capacity for enjoyment be perfect. If this condition doesn't exist, something ought to be done. That means nine cases in ten the use of Dr. Pierce's Golden Medical Discovery. It works directly on the digestive organs, and on the blood and through these on every tissue of the body. It makes the appetite good, digestion and nutrition perfect and supplies rich, red blood to all the tissues, building up solid, healthful flesh.

Send 31 cents in one-cent stamps to World's Dispensary Medical Association, Buffalo, N. Y., and receive Dr. Pierce's 1008 page "Common Sense Medical Adviser," profusely illustrated.

Twenty Dollars Reward

Any person giving information leading to the apprehension of the party or parties who broke into my house on North River between the dates of the 23rd and the 29th inst. will receive the above reward.

PLEASANT ENTERTAINMENT.

An evening of rare enjoyment was spent in the spacious new hall at New Perth on Thursday, 2nd inst. The event was the "Burns Anniversary Celebration" given under the auspices of the Hall Building Company. The entertainment was distinctive in character, representing the national bard, in all his terrible, fiercer, voluptuous, passionate and tender moods.

C. A. Shaw, Esq, presided, and in his usual brilliant style delivered a most interesting panegyric on Burns and Scotland.

Then followed the rendition of many of the poet's most brilliant productions in song, interspersed with dialogues, speeches, etc. The accompaniments were played by Miss Moar and Miss McDonald.

The musical and literary part of the programme ended, we are brought to a realization of the power for good that lies in woman's hands. Beautiful indeed were the many baskets and pies furnished by the young ladies, and when these had been satisfactorily disposed of, there prevailed for a time a cheerful enthusiasm born of the mingling of congenial spirits,—and we are reminded of the words:

Friendship makes us a' mair happy,
Friendship gives us a' delight,
Friendship consecrates the drappie,
Friendship brings us here tonight,

We learn that the sum of \$46 was realized, and we congratulate the company on the success of their entertainment.

TRAVELLER.

Mrs. WRIGHT, OF NORVAL, ONT., EXPERIENCES INTENSE SUFFERING FROM ECZEMA IN HER FEET.

Raw From Her Toes to Her Knees

Dr. Chase Makes a Wonderful Cure.

Mrs. Knight, 17 Hanover place, Toronto, makes the following statement:—

My mother, Mrs. Wright, who lives at Norval, near Doncaster, suffered a summer and winter with Eczema in her feet. She could not walk, and very seldom got any sleep. It became so bad that she was perfectly raw from the toes to the knees. After trying every available remedy without receiving any benefit, and almost hopeless of relief, she was advised to try Dr. Chase's Ointment. She has altogether used 8 boxes since commencing, but with the happiest results, for she is now completely cured. There is but one scar on one of her feet, a memento of her fearful suffering condition. Any person desiring further testimony in this case is at liberty to communicate with Mrs. Wright at her address, Norval P. O.

Mrs. Knight says after such a grand success, is it any wonder we recommend Dr. Chase's Ointment?

W. H. De Long, Civil Engineer, ex-Warden, and County Councillor, New Germany, Lunenburg Co., N. S., Oct. 28th, 1897, says:—"I had itching piles for thirty years, and have tried various kinds of pile cures, but none gave me permanent relief until I used Dr. Chase's Ointment. I have recommended it to others with the same result."
