## CHARLOTTETOWN BOOT AND SHOE FACTORY.

SPRING, - - - 1887 - - - SPRING.

WE must thank our friends and the public generally for their ever increasing patronage since we have commenced business.

Our Boot & Shoe Factory, in starting, had many difficulties to overcome, and we are glad that to-day those difficulties have been surmounted, and we are now well able to compete with the best Boot and Shoe Factories abroad.

Some of the advantages purchasers have in buying from us are, saving of freight, ordering goods when you want them (not six months before), getting them without delay—which saves carrying a large stock which deteriorates on the shelves.

Our leathers are bought directly from the tanneries, thereby saving commissions which many factories have to pay.

We are more determined than ever to give the

### BEST OF SATISFACTION

and to merit the whole of the Island's patronage.

We hope to see many new industries arise, thereby increasing the prosperity of the "Gem of the Sea."
