CIMN

CIMN is back on the air again this year and we are looking for interested people to join our staff. If you aren't sure about it feel free to come up to our studios on the third floor of the Barn and take a look around, or just ask a few questions about how the station is run. The DJ on the air will be happy to help in any way he/she can.

So far, we have had a good response to our recruitment efforts, but any help is appreciated. Also we expect to be hooked up on Cable FM by mid-October, so our listening audience will be potentially around 6000 people. Not bad, eh? So if you would like to come on up and give it a try, do not hesitate. That's CIMN, "The Voice of UPEI", on the third floor of the Barn.....We'd like to see you.
