

ASSASSINAT ET VOL DANS UNE BANQUE

Une drame épouvantable s'est déroulé en plein jour dans les bureaux de la Great Falls National Bank, à Somersworth (New-Hampshire). Vers deux heures après, on a trouvé le cadavre du caissier, M. Stickney, gisant sur le plancher avec la gorge presque complètement tranchée; il avait été assassiné par des voleurs, qui l'avaient d'abord assommé à l'aide d'un instrument contondant et qui avaient dévalisé la banque; mais seul le défunt caissier pourrait dire combien ils ont emporté.

La banque a fermé tous les jours à midi à 2 heures pour permettre aux employés d'aller déjeuner au dehors. M. Stickney, qui était âgé de 60 à 70 ans, sortait lui-même pendant quelques minutes; on suppose qu'en revenant de son déjeuner il aura trouvé les voleurs en train de forcer les tiroirs et qu'il aura été attaqué par eux avant d'avoir pu appeler au secours. Rien à l'entrée de la banque ou à la porte des bureaux n'indiquait comment les voleurs avaient pu s'introduire dans l'établissement. Mais on a su plus tard que, vers midi, deux individus de mauvaise mine avaient été vus rôdant près de la banque. Au bout d'un certain temps on avait aperçu ces mêmes individus sortir de la banque par une porte de derrière, monter dans une voiture stationnée près de la et se diriger vers Berwick, ville voisine du Maine située de l'autre côté de la rivière Salmon Falls qui séparent les deux Etats.

On ne croit pas que les deux voleurs aient pris beaucoup d'argent, car M. Stickney avait toujours le soin de fermer le coffre fort avant de sortir; mais il laissait généralement dans le tiroir caisse une somme assez forte, et tout ce qu'il pouvait y avoir dans ce tiroir a disparu. Il y a quelque temps déjà, des voleurs avaient essayé de dévaliser la banque; M. Stickney, attaqué à l'improviste, avait été ligoté et bâillonné, mais effrayés sans doute par quelque bruit, les voleurs étaient partis sans rien prendre. M. Stickney, estimé à Somersworth, était trésorier de la ville; il laisse trois enfants, deux filles et un garçon.

On a découvert plus tard que les voleurs avaient emporté près de \$6,000. Le nommé Joe Kelly, que l'on soupçonnait du meurtre, a été arrêté à Montréal à 9 heures hier soir par le détective Carpentier. Kelly était déguisé en femme. Au poste de police, on a trouvé la somme de \$2,700 dans ses habits. Le jeune homme a fait des aveux, mais il dit que c'est son complice qui a tué le caissier. Kelly appartient à une bonne famille qui est au désespoir.

Ripans Tabules cure headache. Ripans Tabules cure indigestion. Ripans Tabules cure dyspepsia. Ripans Tabules cure constipation. Ripans Tabules cure flatulence. Ripans Tabules: for sour stomach. Ripans Tabules cure torpid liver. Ripans Tabules: at druggists. Ripans Tabules: pleasant laxative.

FROM THE REV. DR. EDWARD L. CLARR, Pastor of the Congregational Church, Boston, Mass. "I have used Ripans Tabules with so much satisfaction that I now keep them always at hand. They are the only remedy I use except by a physician's prescription. They are all they claim to be." EDWARD L. CLARR.

FROM REV. FREDERIC R. MARVIN, Pastor of Hopkins Memorial Church, Great Barrington, Mass. "I regard the remedy as an excellent tonic and a most valuable family medicine." FREDERIC R. MARVIN.

MOST people hardly realize that headaches and dyspepsia, and forty other miseries or more, all come from one cause, and that taking a separate remedy for each symptom is like picking the leaves off an obnoxious tree instead of striking at the root. Headache, or sluggishness, or disordered stomach, or constipation, or offensive breath—show that either the stomach or bowels, or the liver, are not doing their natural work, and Ripans Tabules go to the root of all these difficulties and many others at once, by immediately correcting the stomach and gently stimulating the liver and bowels to healthy action.

These Tabules are the accurate prescription of a regular physician; they are a perfectly harmless, simple remedy, as mild, yet certain, as nature itself. To people of sedentary ways, professional and business men; and particularly to women, these Tabules insure a regular habit, comfortable digestion, and a clear head; preventing many a serious illness with its long train of suffering and expense.

Lay the axe to the root of the tree.

In the largest hospitals in the world, presided over by the most skillful of living physicians, the ingredients of these tabules are prescribed daily more than twice as often as any and all other prescriptions put together, and in three cases out of four where a physician is called, his prescription will be substantially the same, but the cost will be much greater, and the compound prepared by the local druggists is likely to be inferior and far less convenient in form.

As the two most important processes of life (assimilation of food and elimination of waste) depend almost entirely upon the stomach, liver and bowels; their healthy action, as maintained by these tabules, dispels a long list of ailments, including headaches, indigestion, dyspepsia, biliousness, constipation, rush of blood to the head, dizziness, fluttering of the heart, sluggishness, poor sleep, loss of appetite, depression, heartburn, nausea, bad taste in the mouth, pain in the stomach or abdomen, female complaints, catarrh, jaundice, sallow skin and skin eruptions.

A box of Ripans Tabules (price 50 cents) contains six small vial-pocket vials, each vial holds six tabules (36 in all) and each tabule is an exact dose. Sold by druggists, or sent by mail on receipt of price by
