# Says Russian Troops Will Leave Hungary If Asked

BUDAPEST (CP) — Nikita Khrushchev said Monday night whenever "the Hungarian people and government ask us to withdraw our troops we will line them up and march them out with bands playing."

Then Russia's premier and Communist party chief added: "We propose that Soviet, American, British, French and other troops should line up under their flags and march out at the same time. We are not afraid as far as Hungarians are concerned."

Khrushchev said Russia is willing to withdraw its troops from East Germany, Poland, Rumania, and Hungary if Western troops are removed from West Europe. Referring to Hungary's "rev 1-ution or counter-revolution," Khrushchev said: "It took several 'painful nights and days' before Russia could decide to intervene."

"We decided that when Communists were being hanged in the streets of Budapest and the best sons of the working class killed, and the fascists were attempting to seize power, if we did not give help then the best dreams of the Hungarian people would have been drowned in a sea of blood."

Earlier, addressing a crowd of 4,000 on a collective farm at Cegléd, Khrushchev said the Americans are good people but destined for second place in the race for world economic leadership.

"Now there are only two countries that compete with one another economically, the Soviet Union and the United States of America," the Soviet boss said. "England, France, Germany and the so-called advanced capitalist countries have been left far behind."

## 110 Are Out Of Work Following Sawmill Fire

DOAKTOWN (CP) — About 110 men are out of work following a Saturday night fire which destroyed Doaktown's major permanent industry — The Russell and Swim Ltd. Sawmill.

Damage is tentatively estimated at \$90,000. The sawmill itself was a total loss, but there was very little damage to the company's dressing plant. Exact cause of the fire, which broke out about 6.30 p.m., is still unknown. The blaze was fought by a truck and men from the Doaktown local improvement fire district, employees and people of the area.

Combined efforts saved the planing mill. The fire lasted about an hour, but the blaze smouldered all day Sunday. No announcement has been made concerning rebuilding plans. The mill handled about 6,000,000 board feet of lumber annually. Although damage to the dressing plant itself was small, the plant was run by steam power originating in the sawmill and had to close down with loss of the mill. Destruction of the sawmill, which had been in operation about 35 years, is a severe blow to the economy of the area.

## Adult Polio Clinics Move On To S' Side

Following one last clinic in the City of Charlottetown, the Adult Polio Vaccination Project moves on to the Summerside area. Clinics have been organized in the Town's Civic Auditorium for Thursday and Friday, April 10th and 11th.

Clinic staff will go from Charlottetown, and will be assisted by volunteer members of the Y. Menettes. Services of the Summerside doctors will be utilized and all clinics will be carried out on the same basis as they have been in the Charlottetown area.

The following week, clinics are scheduled for Georgetown and Borden on April 15th and 17th respectively.

Prince Edward Island will be organized through the summer and fall, until all adults of the province have received inoculations of Salk Vaccine for protection against poliomyelitis.

As did the Bill approved Saturday, the new draft of the proposed amendments to the City Incorporation Act, also seeks legislative approval for transfer of the Commission's powers to Council together with suspension of all further elections respecting that body, but

Officials stated the last Charlottetown clinic of the present series is set for Wednesday evening, April 9th, 7 to 8 p.m., at the City Hall. Only second inoculations will be given. This is absolutely the last clinic for the Charlottetown area until third inoculations are due, a committee spokesman said.

The Project Committee expects to begin giving third inoculations in the Charlottetown area in June.

## Will Seek Plebiscite On Water Commission Issue

The citizens of Charlottetown will have the last say in the final disposition of the 70-year-old Commission that administers the City's sewers and water supply.

Ending a "see-saw" debate that began Saturday afternoon, City Council yesterday morning decided to include in the amending legislation finally approved for submission to the local Legislature a request for authority to hold a plebiscite on this question "as soon as possible."

Rescinding and superseding the resolution approved Saturday afternoon, the re-drafted petition was passed at an emergency Council assembly held yesterday at 11:00 a.m.

This meeting followed a private two-hour committee discussion that began at 9:00. It was attended by all City representatives except Councillor J. Arthur Gormley.

As did the Bill approved Saturday, the new draft of the proposed amendments to the City Incorporation Act, also seeks legislative approval for transfer of the Commission's powers to Council together with suspension of all further elections respecting that body, but

Officials stated the last Charlottetown clinic of the present series is set for Wednesday evening, April 9th, 7 to 8 p.m., at the City Hall. Only second inoculations will be given. ## Men Of Trinity Hosts To Boys

The Men of Trinity Church last night became hosts to a group of boys at a men and boys banquet for lads between the ages of 15-21.

Personal witness of two candidates for the Ministry, Sandy MacLean and Lane Douglas was a feature of the evening. They spoke of the benefit of the youths in attendance. The theme speaker, Rev. G.A. Cowper-Smith of Bedoue United Church gave an interesting and vivid account of his call to the Christian Ministry.

The meeting opened with Grace by Rev. A. Frank MacLean. A singsong with Freedom Archer at the piano was led by Fulton Pierce. The ladies of the Junior W.A. who served the dinner, were thanked by Stewart Pierce.

The Secretary, Jock Sutherland reported that the men's annual dinner held in March was a financial success with a good sum realized. Lester Keizer gave a brief talk on the forthcoming men's zone rally to be held at Trinity on May 4th.

Ivan Sinclair announced that the drive for building funds for the Atlantic Training Centre at Tatamagouche would
