HOLMAN'S PRESENTS NEW FALL COATS

Thrilling Array of Smart Styles and Colors

HOLMAN'S FALL COLLECTION OF COATS HELD TO BE EXCEPTIONAL IN SCOPE

CHARLOTTETOWN, Sept. 20 — This month the new Autumn Coats have made their appearance in Holman's Ladies' Wear Department. Always one of the most interesting presentations, this season's promises to be surpassing its predecessors in fashion-wise styling, novel treatments and price. Here are Coats that are cosmopolitan in genius and subtlety, but truly and thoughtfully designed for the Prince Edward Island way of life.

FINE WOOLENS FEATURED

Outstanding in the new collection are the soft wool coatings, some of them (English Suede Cloth and Broadcloth) are imported from England, others are manufactured in our own Canadian mills. There are Twills, Duvetyns, Cordellias, Chinchillas and Elysian fabrics that demand the most expert of design and tailoring. The colors this Fall are very worthy of your notice; warm shades of copper, rust, bronze and wine; glowing greens; rattle blue and navy; gray and of course black. The fur trimmed Coats are luxurious with lavish collars of Mouton (processed Lamb) or tiny collars of Persian, Squirrel or Mink. The Fall Coats are fully satin lined, interlined warmly and have Chamolis to the waist. The resultant Fall Coats are distinctively new and very wearable.

THE NEW CASUAL LOOK

Untrimmed Coats, Kilgornoch made by Gordon as well as other tailored Coats in a wide variety of fabrics, have a definitely finished casual look that is new. They are loose and tapering with confined fulness and optional belts, or they are fitted with waistline tucks, belts and half belts. Large pockets are a special feature of the new Fall Coats. In this group of the collection are the Coats with zippered-in linings.

Coats in Holman's Fall collection are in sizes and half sizes 9 to 42. The prices range from 25.00 to 69.95, and like other beautiful, wearable clothing may be found in the Ladies' Wear Department at Holman's in Summerside.
