

NO TRAFFIC INTERRUPTION

Agreement On Hillsboro Bridge Plans Is Reached

Agreement as to the reconstruction of the Hillsboro bridge has been reached between Federal and Provincial authorities...

G. B. Williams, Bridge Engineer, Col. V. S. Thompson; Soils Engineer, Wye Banks; Trans Canada Highway Engineers, S. Harris and D. Reid.

The Provincial Department of Highways was represented by Hon. J. George MacKay (chairman of the meeting); R. G. White, Deputy Minister and Chief Engineer; T. A. White, Construction Engineer, Trans Canada Highway and J. A. Reardon, Bridge Engineer.

Work on the plans has already begun and it is expected that tenders will be called during the coming winter so that work can get underway next Spring.

The entire group was driven over what would be the detour route via Mt. Stewart if the bridge were to be closed during construction. They were also taken in a Fisheries motor launch on an inspection tour of the bridge piers at low tide.

The design of the bridge will be undertaken by Federal authorities. The fill sections will be handled by the Province which will, as in all Trans Canada construction, let the contracts and supervise the actual construction of the new bridge.

Reviews PEI Co-op Union Activities During Year

"The year 1955 was a dark year for co-operatives on Prince Edward Island - bad as it was, it might have been worse and I know the basic structure has been reserved," said Mr. Louis O'Connor, president, in his report to the annual meeting of the Co-operative Union of Prince Edward Island at Birch Court last night.

secured and we are glad to report that our recommendations were approved by the Government and passed at the last session of the Legislature. As a consequence, co-operative supervision is now the responsibility of several departments of the Government.

Mr. O'Connor's report dealt principally with the re-organization program carried out since the last annual meeting held on October 7, 1955. On that occasion he said, it was felt that the Co-operative Union, as then constituted, was not receiving the necessary support from its member organizations to carry on in an effective manner.

"In February your directors approved certain monthly assessments on each member to finance your organization which were based on their ability to pay. We are glad to report that this system is working out fairly well and we consider it an improvement. The total yearly assessments represent an amount of \$8,270, of which \$2,085, which had been collected up to May 31st. We would urge all members to do their utmost to take care of those commitments.

Those attending the meeting at which the plans were discussed were: Dr. Hachey, Fisheries Department, St. Andrews, N. B. and Mr. R. H. Found from the Ellerslie Biological Station, Public Works (Canada) was represented by Chief Engineer.

"The twin engine Grumman Wedgwood plane took off from this south Thompson valley centre at 10 a.m., but fled no flight plan. It was expected to touch down on Paul Lake northeast of here.

At a meeting of the Board of Directors early in January, it was decided to move the office equipment to the office occupied by the Producers' Co-operative Association Limited. The manager of that organization, Mr. MacDonald, was appointed Secretary-Manager program, Miss Shaw was engaged as stenographer-bookkeeper and the part-time services of Mr. Dennis were continued in an advisory capacity. Shortly after Mr. Shaw tendered her resignation and Mrs. Barbara Peterson was appointed to carry on the bookkeeping work on a part-time basis.

He said one of the reasons for the apparent lack of action by the government is that the average age of war pensioners is increasing - 65 for First World War Veterans and those of the Second World War - and that the ranks of 1914-18 veterans are growing thinner every year.

Coming Events

- Cardigan Tea Party, July 25. Strawberry time at Howatts. Hope River Picnic, July 21. Blingo, Hope River tonight. Dance Iona Hall, Friday July 13th. Good music. This one is a real thriller, be sure to see it. 7:30, 9:30 p.m.

4 Vancouver Men Die In Plane Crash

KAMLOOPS, B.C. (CP) - Four Vancouver men on an aerial survey of a "top secret federal project" were killed near here Wednesday when their amphibious aircraft crashed on Mount Lolo.

The spokesman said no space is available on the car-passenger ferry at Bar Harbor, "except for five days in August." Trips from Yarmouth are booked until July 16. A heavy run of tourists was also reported on the Bay of Fundy ferry service. Bookings are running five days in advance for daily trips of the Princess Helen between Saint John, N.B. and Digby, N.S.

Israelis In Raid Drills

JERUSALEM (AP) - Israelis concerned over renewed tension on the Jordan border staged air raid drills in the Israeli sector of Jerusalem Wednesday with sound effects reminiscent of the Palestine war of 1948.

Reviews PEI Co-op Union Activities During Year

"The year 1955 was a dark year for co-operatives on Prince Edward Island - bad as it was, it might have been worse and I know the basic structure has been reserved," said Mr. Louis O'Connor, president, in his report to the annual meeting of the Co-operative Union of Prince Edward Island at Birch Court last night.

Ask Better Deal For Veterans

OTTAWA (CP) - Opposition members in the Commons Wednesday renewed demands that the federal government give a better deal to Canada's war veterans.

Heavy Traffic On Ferry Bluenose

HALIFAX (CP) - Tourist officials here said Wednesday bookings for space on the ferry Bluenose from Bar Harbor, Me., to Yarmouth, N.S. are filled until late August.

Maritimer Admits Stealing Cars

LONDON, Ont. (CP) - A visitor from the Maritimes admitted in court Wednesday he stole one car in downtown London Tuesday, wrecked it a few miles west of here and then hitch-hiked back to the city and stole another auto.

Charge P.M. Is Dictator

OTTAWA (CP) - Donald Fleming, Progressive Conservative spokesman, said Wednesday the circumstances under which Commons Speaker Rene Beaudin remains in office show "the further naked exposure of subordination of the Speaker's office by the government."

LAST RESORT FOR DISCIPLINE
