Lady Panthers on defense against the Axettes Sunday.  
 L-R Paula Edwards (15), Lori Knickle (13), and Staphanie Smith (11)

## the Week

Curtis Brown  
 29 Points

Brown scored 29 points in the Panthers big win over the Acadia Axemen. Brown is currently second in the AUAA in scoring averaging 20.5 points per game. He is also 7th in the league in free throw percentage at 80.4

Lady Panther Paula Edwards (15) takes a charge from an unidentified Axette. Looking on are Stephanie Knickle (hidden) and Lori Knickle (13)

The win improves the Lady Panthers record to 9-0 and second place behind the U.N.B. Red Bloomers who are in first place with an 11 and 1 record. The Lady Panthers have a big weekend ahead of them as they play U.N.B. twice. Friday night in Fredericton and back home on Sunday. Saturday night they play host to the Belles of Saint Mary's in the first game of a double-header.

Sunday's game is also a very special game for three Lady Panthers. Tracey Bowie, Janet Nichols, and Paula Edwards will all be playing their last regular season home games of their careers. If you have not yet seen these players perform you are indeed missing some of the best players ever to play for the Lady

Panthers. You should take the chance while it still exists to come out and see them play.

Sunday is also being promoted as noise maker day. While it is true that some students will be leaving to go home for the break any who will still be on campus are strongly encouraged to come out and make as much noise as possible in support of the Lady Panthers. Keep an eye around campus for more information regarding this special day.

The members of the Lady Panthers put untold hours of practice into becoming as successful as they are and bringing a degree of recognition to the university. It is not a lot to ask to spend a few hours of your time and give them the kind of support they deserve and should receive.
