ISLAND OATS.—Oats sold from a P. E. Island schooner at Shelburne, N. S., last week, at 45 cents per bushel.

BEATS HIS RECORD.—At Stockton, Cal., on the 19th, the pacing stallion, Silkwood, went against his record of 2:08, making the mile in 2:07.

RISE IN PRICES.—There was an advance of \$1 per barrel in clear mess pork yesterday, and of one-half cent per pound in pure lard.—St. John Telegraph.

VIOLATING THE LAW.—John J. Trainer will appear at the police court on Thursday to answer a charge of selling intoxicants in a room having more than one entrance or exit.

"ITS GUID TO BE MERRY."—The annual St. Andrew's Day dinner, under the auspices of the Caledonian Club, will be held on Tuesday evening next, the 29th inst., at 9 o'clock, at the Hotel Davies. Tickets are \$1.00 each.

POLICE COURT.—This morning Frank Ferguson, the countryman charged with creating a disturbance on board the Effie and assaulting the wheelman, did not respond to the summons, and a warrant for his arrest was ordered.

AUTUMN VIOLETS.—W. A. Jack of this city plucked in the open field on Saturday some white violets in bloom, and also some field primroses. There does not appear to be any thing seriously wrong with our climate.—St. John Sun.

FROM BOSTON.—The steamer Carroll, Captain Hansen, arrived from Boston at seven o'clock this morning with a general cargo and three passengers—Mrs. Helen Davies, Miss Minnie Flynn and Captain Finlayson. The Carroll encountered heavy weather during the trip and lost her foretopmast before her arrival at Halifax.

CHANGE OF NAME.—Alex. P. Pick, a clerk in the I. C. R. office at Moncton, gives notice that he will apply to the legislature at the next session for an act changing his name to Alexander Mitchell. Mr. Pick is an adopted son of Mr. A. Pick, assistant freight agent of the I. C. R., and Mitchell is his parental name.

HIGH PRICED TICKET.—The New Glasgow, N. S. correspondent of the Halifax Herald writes: The highest price paid for a lecture ticket which we have heard of for some time was by a New Glasgow man, who paid eleven dollars for the privilege of hearing a lecture on "Africa." He agreed to take thirty-five per cent and pay all expenses, with the result of being eleven dollars out at the close of the lecture.

PAYING ELECTION BETS.—They are still paying election bets in the United States. John Masten and Martin Woolley of Fackton, Ind., wagered that if Cleveland were elected Masten would publicly hug and kiss the wife of Woolley, who is young and handsome. A few nights ago the hugging and kissing took place in the town hall before an audience of 500 people. The strangest part of the exercise occurred after Masten had hugged Mrs. Woolley. It seemed that the two ladies had made a like wager, and consequently Woolley hugged and kissed Mrs. Masten.

NEW FACTS ABOUT THE DAKOTAS is the title of the latest illustrated pamphlet issued by the Chicago, Milwaukee & St. Paul R'y regarding those growing states, whose wonderful crops the past season have attracted the attention of the whole country. It is full of facts of special interest for all not satisfied with their present location. Send to A. J. Taylor, Canadian Passenger Agent, No. 4 Palmer House Block, Toronto, Ont., for a copy free of expense. Nov. 23 dy 21 wky 1.

A DISASTROUS ADMINISTRATION.—It is strange that the administration of President Harrison has been so disastrous, not only for the party he represents, but for so many members of his cabinet as well as himself. It has been marked by a series of calamities—the tragic burning of Secretary Tamm's house, with its attendant fatality; the death of Secretary Blaine's sons, the sudden death of Secretary Windrim and latest the death of Mrs. Harrison, all following in sorrowful succession. There has not been much brightness or gaiety about the White House during the past four years.

THE WORLD'S FAIR.—The Skankiansviske Canadianesaren, printed at Wainipeg, is, perhaps, one of the most interesting exchanges on THE EXAMINER'S list. The following item in reference to the World's Fair, which is clipped from a recent issue, is well worth a careful perusal:—

VERLIDETSALLINGEN I CHICAGO.—Columbiapositionens invigninghogtidligheter i Chicago adöptelyckligt under de mest lysande tillämling och utan nagra namnvaras olycksfall. Handratsens alla människor voro narvarande. Sa nar hela staden hade iklat sig festkläd. Paraden i hvilken omkring 80,000 stadborgare deltog, bland dem omkring 10 000 Svenskar, var utomordentligt lysande och statligt. Sangen brusade fran en 5,000 roster stark kor, stöjt af lampig musik. Vid posthuset sags tava lavande amerikanska flaggor, sammansatta af öfver 3,000 barn, känd i hvilka amerikanska färgerna. Rosterna och vackra fyra-keveler afbrändes på staden. Vice president Morten presiderade i presidentens ställe, enar denne på grund af sin hastiga sjukdom ej kunde närvara. Allt adöpte på ett svit, som vittnar om att Chicago är värd för ett stort möte de milljoner besökare, som komma att besöka utställningen nästa år.

INSURANCE RATES.—At a meeting of the Board of Fire Underwriters yesterday afternoon, a resolution was passed appointing a committee to draw up a memorial to the English Board, protesting against the proposed increase of 50 per cent in the rates of insurance for this Island. AN UNFAIR ADVANTAGE!

Opposition Merchants in this City are taking advantage of our Low Prices, and sending boys to buy our Reefers and putting them in stock and selling them at a profit.

Now, we claim that such transactions are unfair. If we sell goods at cost, in order to give the poor people a chance, competitors should be charitable enough to let the poor people buy them from us, and not put the price up 25 per cent.

We are determined to undersell all selfish competitors, even if we have to sell goods at half what they cost.

Our trade has increased very much the last two years by doing the fair, square thing by our customers; and we know that if the people knew as much as we do about the way some people do business, they would trade with us every time for Clothing, Gents' Furnishings, Hats, etc.

We don't want the Earth, but we want people to buy good goods cheap; so come along and buy Reefers, Overcoats and Suits at never-to-be-forgotten prices.

If opposition men in the city want to buy Children's Clothing from us they can do so if they come themselves, as we can sell much cheaper than they can buy.

Gloves Have Always Been Among Our Specialties.

If any weakness is pardonable, it is surely the natural feminine desire to be well gloved; a poor glove is an abomination and an aggravation to the buyer and seller, so that we aim to keep only a line of Gloves that will give satisfactory wear to the buyer.

We show all the NEW MAKES and SHADES suitable to the season, and carry a complete list of sizes. Our Gloves are cheap in the best sense of the word. They give the buyer the utmost of value possible for the price put upon them.
