

**DOUGLAS** Muirhead of Clyde River, was refused by Joan McClare, Halifax, RN, when he volunteered to give blood at the Red Cross clinic held in the Confederation Centre last night. Mr. Muirhead said he recently cut himself on the wrist with an axe while repairing a barn in Nine Mile Creek area. He drove about a

## Good Response Tues. At Blood Donor Clinic

An excellent response at both the afternoon and evening sessions of the Red Cross blood donor clinic being held this week at the Confederation Centre in Charlottetown brought the day's total to 308 and made up for the previous day's deficit by all but three.

With two days of clinics completed, and two more to go, residents of Charlottetown and vicinity have contributed 597 of the hoped for 600 bottles of blood, leaving a balance of at least 543 to be collected during the next two days.

Freemont Archer, chairman of the Red Cross blood donor committee for Charlottetown, expressed elation last night at yesterday's results and stated that the same pace must be maintained during the next two days in order to reach the objective of 1,140 which has been assigned for this fall's series of clinics in Charlottetown.

**DEMAND HIGH**  
The chairman stressed the fact that the Red Cross blood

## Induction Service Set For Minister Thursday

**HALIFAX (CP)** — The weather office says a band of cloud and showers was approaching New Brunswick late Tuesday and this will spread across the district today. Somewhat warmer air is associated with this cloudy weather. Daytime temperatures are expected to be a few degrees higher than on Tuesday.

Although some sunny periods will occur Thursday, conditions are expected to be generally cloudy, with temperatures about the same as today.

Regional forecasts:  
Prince Edward Island, Eastern New Brunswick Counties, Lower St. John River Valley: Overcast with showers or intermittent rain. A little warmer. Winds westerly 15, diminishing to light this evening. Low-high at Charlottetown 37 and 55, Moncton 32 and 55, Fredericton 35 and 55, Saint John 37 and 55. Outlook for Thursday: Cloudy with a few sunny periods in the afternoon. Little change in temperature.

## Officials Discuss Flight Schedule

Officials of the Charlottetown Board of Trade met yesterday with W.H. Harris, vice-president of Eastern Provincial Airways in a bid to obtain better air service between Charlottetown and mainland points.

A new proposed winter schedule expected to come into effect the latter part of October was discussed and Eric Kepping, general manager of the Board of Trade, said, "we figure we get the best deal under the circumstances."

The new schedule will have some changes in passenger and freight flights arriving and departing from Charlottetown. It is expected there will be better connections with Air Canada flights in Moncton.

There will be an all-passenger flight and an all-freight flight to the Magdalen Islands instead of the combined freight and passenger flights now used.

Meeting with Mr. Harris yesterday were A. Walthein Gaudet,

## Rapid Egg Price Jump Noted In Past Weeks

Egg prices have advanced rapidly in the last few weeks and yesterday dealers in Charlottetown were quoting 52 cents per dozen to producers for A large ungraded eggs delivered. The price for A medium yesterday was 49 cents and 32 cents for A smalls.

Veteran poultry observers were trying last night to recall when eggs last were that high and several agreed that it has been possible three or four years, though that was not a firm estimate.

Specialized producers are getting 68 cents for their pack, graded and in cartons, and this also is the highest in a long time.

An informed poultryman said last night that the average price of eggs to the producer for the year 1964 was 27 cents. The same source said that a support price of five cents per dozen will be paid by the federal government on those eggs.

**SMALL PRODUCER BENEFITS**  
The support price will only be paid, though, on production of 4,600 dozen eggs. The support measure is intended to benefit the small producer, not the men with the large flocks. At an

## Lounge Opening Said Postponed

The opening of the Erin Lounge in the Benevolent Irish Society building, Grafton Street, scheduled for this evening has been postponed.

The reason given is that the furniture for the lounge has not yet arrived.

A truck carrying the furniture which left St. Hubert, Que., on Monday had a mechanical breakdown enroute.

It is expected the new lounge will open early next week; an announcement as to the exact day will be published at a later date.

## Thirty Students Sick At Institute

Thirty students at the Provincial Vocational Institute were sent home yesterday suffering from an unknown illness.

All of the students who came down with the illness had apparently drunk the products of a recently installed soft drink dispenser.

Dr. A. L. Saunders was called to the school but his medical assistance was required for only about half of the number that were sent home.

J. M. McLellan, principal of

## Would Guarantee Annual Earnings For Fishermen

**ST. JOHN'S, Nfld. (CP)** — A Progressive Conservative government in Ottawa after Nov. 8 would guarantee a minimum annual income for Atlantic fishermen by establishing a marketing board for salt fish similar to the grains board of Western Canada, J. Angus MacLean, former fisheries minister, said here Tuesday.

Mr. MacLean, on an overnight visit to St. John's to meet with PC organizers, said in an interview the fish marketing board would supplement present provincial legislation and it would guarantee an annual wage and insure against catch failure.

"We are also determined to institute more effective methods to make more readily available to inshore fishermen adequate financial loans which shall be government guaranteed and which will allow the fishermen to improve his fishing boats and gear."

Mr. MacLean said there is a definite need for assistance to inshore fishermen on a permanent basis that would go into effect automatically. "This is the answer—not emergency public works projects."

## Rally Service At South Lake

**SOURIS** — A rally service was held at South Lake Christian Church last Sunday at which many children who attended Sunday school were promoted to higher classes.

The service was conducted by Sunday school superintendent, Herbert Roberts, who earlier awarded attendance pins to 40 children and adults who had a perfect attendance record during the summer months.

## Seeking Return Of Four Liberals

Maintaining that Queen's County has suffered during the past two and a half years from having no direct Liberal representation in Parliament, B.B. Jones of Bunbury, Liberal candidate in the Nov. 8 election, pleaded at the annual meeting of the Third District Liberal Association, held at Mount Stewart Hall, last night, for the return of four Liberals from the Island on Nov. 8.

"The Liberal members of Prince and King's counties have done a wonderful job for us and all the Island," he said, "but it stands to reason that Queen's County would fare better if we had two Liberal members to work with Hon. Mr. MacNaught and John Mullanby."

Both Mr. Jones and his fellow candidate for Queen's, Dr. Mark MacGuigan, said that there was justification for calling an election at this time.

**UNITED PARTY**  
In his speech, Dr. MacGuigan emphasized that "because the Liberals are a united party, they are best qualified to preserve and deepen Canadian unity." He challenged the Conservatives to state their actual position with regard to John Diefenbaker's leadership.

"It is crucially important," said, "that Queen's County should get its fair share of the
