

DESPONDENCY.

The most perilous hour of a person's life is when he is tempted to despond.

NEVER KNOCK UNDER.

No, never! Always rally your forces for another and more desperate assault upon adversity.

SOUND SLEEP.

Sound sleep is essential to good health. It is impossible to restore and recuperate the system, exhausted by labor and activity, without this perfect repose.

HOW TO BE HANDSOME.

If we are afflicted by nature with crooked noses and irregular features, it is because of irregularities in our ancestors' features or habits, and we cannot rid ourselves of them, but we can live that our children and grand-children can be handsome.

Mike was asked if he believed in second love. "Faith, an' I do!" said he. "If you have a pound of sugar, isn't it swate? And when that is gone don't you want another? and isn't that swate, too?"

The Promoter and Perfector of Assimilation.

The Reformer and Vitalizer of the Blood.

The Producer and Invigorator of Nerve and Muscle.

The Builder and Supporter of Brain Power.

Fellows' Compound Syrup is composed of Ingredients identical with those which constitute Healthy Blood, Muscle and Nerve and Brain Substance, whilst Life itself is directly dependant upon some of them.

By its union with the blood and its effect upon the muscles, re-establishing the one and toning the other, it is capable of effecting the following results:—

It will displace or wash out tuberculous matter, and thus cure Consumption.

By increasing Nervous and Muscular Vigor, it will cure Dyspepsia, feeble or interrupted action of the Heart and Palpitation, Weakness of Intellect caused by grief, weary, overtax or irregular habits, Bronchitis, Acute or Chronic, Congestion of the Lungs, even in the most alarming stages.

It cures Asthma, Loss of Voice, Neuralgia, St. Vitus Dance, Epileptic Fits, Whooping Cough, Nervousness, and is a most wonderful adjunct to other remedies in sustaining life during the process of Diphtheria.

Do not be deceived by remedies bearing a similar name; no other preparation is a substitute for this under any circumstances.

Jan. 31, 1878—

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ointments and plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTER is acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind.

Physicians in all ages have thoroughly tested and well know the effect of capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered.

Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTER, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniments. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate patient to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of the enclosed card, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
