

ELECTED OFFICERS of the XI Beta Chapter of Beta Sigma Phi Sorority include l to r, Frances MacMillan, recording sec'y; Mrs. Don Wonnacott, EXEMPLAR CHAPTER

Study program is guide for Beta Sigma Phi club.

Beta Sigma Phi is an international organization for young women in search of cultural and social activity and in assisting with community service projects. An Exemplar chapter can be formed with eight or more exemplar members. A member becomes an Exemplar following four years as an active member of Beta Sigma Phi. The head office for Beta Sigma Phi is in Kansas City, Missouri, U.S.A.

The present executive is Mrs. Lloyd MacLeod, past president; Mrs. Don Wonnacott, president; Mrs. Temple Hooper, 1st vice-president; Miss Helen Cox, 2nd vice-president; Miss Frances MacMillan, recording secretary; and Mrs. John Hodgson, treasurer.

The motto for Beta Sigma Phi is "Life, Learning and Friendship." This year the program book bears the same title. With this book as a guide, cultural programs are prepared and presented by a member or a guest speaker at each meeting. Culturally and socially they attended as a group the presentations by the Halifax Neptune Theatre of "Sir John A. Beats The Devil" and "Come Blow Your Horn" at the Confederation Theatre.

Our social events included a Mother's Day tea, a pot-luck supper, a Christmas party, and in August they entertained Miss Lena MacLure of Toronto, a former social sponsor of Beta Sigma Phi in Charlottetown. Jointly with Alpha and XI Alpha Chapters they sponsor the Yellow Rose Ball and the Founder's Day banquet.

During the past year XI Beta collected books and magazines for the P.E.I. Branch of the Canadian Mental Health Association to be placed in the new Library of the Hillsborough Hospital. They contributed to the Catholic Social Welfare Bureau, Protestant Family Service Bureau, Music Festival Association, Rehabilitation Council of P.E.I. for Cystic Fibrosis, Beta Sigma Phi International Exemplar and Endowment Funds, and the Beta

president; Mrs. Roy Vessey, corresponding sec'y, and Mrs. John Hodgson, treasurer.

Sigma Phi Canadian Centennial Committee. This committee was recently formed to collect and administer the contributions for a project in which all Beta Sigma Phi chapters in Canada will be participating. The project is the purchase of something cultural and tangible to Beta Sigma Phi which will be presented as a gift to the Government of Canada in commemoration of its 100 birthday. This presentation is to take place during a Beta Sigma Phi Convention in Ottawa in May, 1967. nad is to be placed in the National Gallery or the New Concert Hall in Ottawa.

The highlight for Beta Sigma Phi in Charlottetown this year has been the honor of being asked to form a committee to administer the \$5,000 Canadian awards and scholarship fund. This money is earmarked annually by the Beta Sigma Phi International from its Endowment Fund. Members of this committee are representatives from each of the three Charlottetown Chapters. Mrs. Roy Vessey will represent XI Beta on this special committee. Mrs. Margerit Scott of Windsor, Ontario, and international honorary member is ex-officio to this committee. The awards include three \$1,000 scholarships to students of English in Canadian Universities, a \$1,000 first-novel award to a Canadian author and a \$1,000 scholarship in music.

POPULATION TO EXPLODE
UNITED NATIONS CP—The population of the world is expected to almost double in the next 40 years, reaching 6,000,000,000 by the beginning of the 21st century. By that time, 6.6 per cent of the population will consist of persons 65 and older. The estimates were contained in a summary report issued Monday by Secretary-General U Thant on the latest study by the United Nations Population Commission.

MIGHTY DISCHARGE
Rivers carry more than 40,000,000,000 tons of materials into the seas every year.

Mrs. Bruce White of Cornwall brushes up on the technique of bathing her wiggling new-born son, Eric, assisted by Mrs. Ethel Campbell, RN, supervisor of obstetrics at the P.E.I. Hospital. One of the projects of the Wo-He-Lo Club of Charlottetown is assisting with the equipment and furnishings of this room where mothers are instructed in the preparation of formulae, the care and feeding of the ir babies.

Wo-He-Lo Club provides equipment for nursery

Provision for care of the ill and injured has long been an accepted responsibility of modern society. As medical science advanced and made available new and improved methods for attending the sick, modern society co-operated by building and equipping efficient hospitals where its members might receive the benefit of these advances.

In this spirit the Wo-He-Lo Club of Charlottetown was founded over 30 years ago, with a limited but vital objective: that of assuring mothers of the community that their newborn would have the best possible care in hospital through changing concepts of hospital administration and clinical usage. The Wo-He-Lo Club has carried out the aspirations of its founders. To support the hospital and its facilities remains the responsibility of the community and, as citizens of the community, the Wo-He-Lo Clubs contribution to this cause is their work in the Nursery Club.

A major accomplishment this year has been the purchase of 24 bassinets, complete with mattresses, and the washing and equipping of a room for the demonstration of baby care to mothers while they are in hospital. They respond readily and fully to all requests for nursery requirements.

Through their efforts the P.E.I. Hospital continues to have an efficient and modern nursery, fully equipped to enable the staff to provide the best medical and nursing care to the newborn.
