MONTREAL

MONTREAL (CP) — The Montreal Stock Exchange continued its upward trend Friday, spurred by a buoyant Toronto market.

One broker said the market may have seen the worst, assuming the measures recently proposed by Finance Minister Sharp and U.S. President Johnson do not unduly aggravate the normal movement of business activity.

Except for Wednesday, the market was on the upswing all week, proving, in the words of one broker, that the forthcoming measures from Ottawa and Washington are "going some way towards restoring confidence."

Advances outnumbered declines 70 to 64 on the Montreal and Canadian exchanges and 43 to 25 on the Montreal list.

International Nickel sparked senior mines higher, with a two point jump to 86½.

Cominco and Noranda each advanced ⅜ at 36⅞ and 49⅞ respectively. 2

Among the 65-stock industrial list, Dominion Stores added ½ at 19½.

Bell Telephone advanced ¾ to 49⅜ and Trans-Canada Pipe Line ½ at 27½ among a group of stronger utilities.

Bathurst Paper led papers higher with a ⅜-point rise to 28 while B.C. Forest and MacMillan-Bloedel each gained ¼ at 21½, and 25⅜.

In the senior oils section Shell was up ⅜ at 20½.

Banks moved narrowly lower.

On the Canadian Stock Exchange, industrial volume was 114,400 shares and mines and oils 705,900. 2

On index, industrials advanced 0.89 at 146.54; utilities 0.74 at 132.54; papers 0.49 at 111.08; banks were 0.04 weaker at 109. The composite index firmed 0.75 at 140.35.

Canadian Changes Needed In Aid To Underdeveloped

TORONTO (CP) — Acting Prime Minister Martin says Canada must be prepared to make adjustments in its economy to help underdeveloped countries.

"The transfer of production skills and the encouragement of industrial growth in underdeveloped countries is given meaning only when accompanied by the offer of a remunerative market for the products of others," Mr. Martin told the Canadian Export Association in a major speech here.

"This could involve the reduction of trade barriers, the signing of international commodity agreements or the acceptance of increased quantities of manufactured goods from developing countries and we shall have to meet these facts squarely if trade is to grow from aid to become the busy two-way street that leads to higher living standards for all.

"Neither trade nor aid can be viewed in isolation, but only as complementary forces."

INCREASE LOANS, GRANTS

Mr. Martin said Canada intends to expand progressively the level of Canadian foreign aid from the current $300,000,000 a year. The bulk would be in grants or interest - free, long-term development loans.

However, intermediate - term development loans now would be introduced as well. They would carry interest of three per cent with a seven-year grace period and 30-year maturity.

More information would be provided in advance to the business communityas to the areas where the major share of Canadian aid would be committed.

And more funds would be made available to finance pre-investment surveys and feasibility studies.

To an increasing extent, the external aid office would leave to the government receiving Canadian aid the purchase under competitive conditions of Canadian goods and services approved for aid financing.

DEALS LONG-RANGE

Revised regulations would enable Canadian producers and Indian and Pakistani importers—India and Pakistan get the bulk of Canadian aid—to enter into long-term purchasing arrangements for the supply of such commodities as nickel copper, fertilizer, aluminum, asbestos, lead, zinc, woodpulp, synthetic rubber and newsprint.

"One of our objectives is to encourage an increasing interest on the part of Canadian businessmen in our aid program and to improve the ways by which they can participate in it," Mr. Martin said.

He concluded: "Through our program Canadian business will establish closer links with private enterprise in less developed countries and play its full part in raising standards of life and well being throughout the world."

The statements were included in a text of the speech issued to the press before delivery.

Deadline For Smith Not Fixed

By PETER BUCKLEY

LONDON (CP) — Prime Minister Wilson said there is "no specific deadline" before which Ian Smith's rebel regime in Rhodesia must give up power, but it must certainly have effectively handed over power by the end of the year.

Questioned closely by reporters after the Commonwealth prime ministers' conference ended, Wilson said certain actions against Rhodesia—including an approach to the United Nations on extending sanctions—would follow by the end of the year if there was no progress in efforts to end the rebellion.

NO PAROLE DECISION

OTTAWA (CP)—The national Parole Board reserved its decision Thursday on whether bank robber Edwin Alonzo Boyd is eligible for parole. A spokesman said the board felt it didn't have enough information on which to base a decision. Boyd, once Canada's most wanted criminal, is serving a life sentence at Kingston penitentiary following his conviction of six bank holdups.

IN MEMORIAM

O'CONNOR — In loving memory of my Mother Mrs. Melville O'Connor Who passed away September 18 th. 1964.

Two years have gone
It's hard to believe
When God took your hand
It must have been relief
You never said good-bye to me
Maybe it's just as well
I never could have said good-bye
To a mother I loved so well

Ever remembered by daughter Margaret Son-in-law Joe, Grandchildren Pauline, Garry and Jeannie.

HERRING — In loving memory of my darling Dad, Whitten, G. Herring who passed away Sept. 17, 1959.

May you always walk in sunshine
And God's love around you flow
For all the happiness you gave us
No one will ever know
It broke our hearts to lose you,
But you did not go alone
For a part of us went with you
The day God called you home.

Sadly missed by daughter, Emma and Howard, David and Deanne, Reid.

O'CONNOR — In loving memory of mom, Mrs. Melville O'Connor, who departed this life Sept. 18, 1964.

One who bore the sweetest name
And added a lustre to the same
Who shared my joys
Who cheered when sad
The dearest friend I ever had
Oh how I miss her
For there is no other
Can take the place of my dear Mother.

Ever loved and remembered by daughter, Edith, son-in-law, John, grandchildren, Anne Susan and Paul.

HERRING — In loving memory of a dear husband and Father, Mr. White S. Herring, who departed this life Sept. 17, 1959.

It seems so strange that those we need
And those we love the best
Are just the ones God calls away,
And takes them home to rest.
But every time we think of you
We seem to hear God say,
Have faith and trust my promise
you'll meet again some-day.

Sadly missed by his wife, Viola and daughters Cora and Gertrude of Toronto.

STEELE — In loving memory of our dear father, who died suddenly September 18, 1964.

In a quiet country church yard
Sleeps the one we loved so well,
In the two years, since you left us
How we miss you, none can tell.
How we miss you in the evenings.
As homeward we return each day
There's no loving Dad to greet us,
Each, in his own special way,
When you sat around the fireside,
Listening with a quiet smile
As we talked of daily problems
Everything then, seemed worth while.
When the sun is slowly setting,
And the evening shadows fall
Then the teardrops come unbidden
And we miss you most of all
"Rest in Peace," we pray together
God will guide us one our way,
Till with you and Mom in Heaven
United all, we'll be some day.

Dearly remembered and sadly missed by his family.

CAMPBELL — In loving memory of James J. Campbell who passed away Sept. 17th, 1964.

Autumn leaves are softly falling,
O'er a grave not far away,
Where we laid you that sad morning
Just two years ago today.
Loving memories of you linger,
Of the days when we were young,
Song and Music filled our household,
Treasured thru the years to come.
When lifes cares and woes beset us
Then we miss your guiding hand,
But we hope some day to meet you,
In God's own enchanted land.

Sadly missed and fondly remembered by wife and family.

NIGHT SCHOOL COURSES

(Grades XI and XII

The Department of Educational has recently received inquiries from persons in Charlottetown and vicinity wishing to enrol in night classes for instruction in certain subjects of Grades XI and XII.

Those in the Charlottetown area who are interested should write to the Department of Education on or before September 30 stating their occupation and the courses desired, as well as the grade level.

It should be noted that a course in any particular subject cannot be offered unless the enrolment is adequate to justify the engagement of an instructor. Applicants will be notified as soon as possible after September 30 whether or not it will be possible to arrange for instruction in certain courses.
