VICTORIA, P. E. I.  
July 1st 1898.

From my knowledge of Jackson's system of VER-TICAL COPY BOOKS. I think them in every way a valuable series. Thoroughly graded, clearly printed, good paper and moreover inexpensive. They have my hearty approval, their adoption by our board would be to the advantage of our schools.

## CONVENT OF MT. CARMEL.

The lawn party in aid of the Convent of Mt. Carmel was opened this morning at 10, on the grounds of the institution, Mt Pleasant av, Roxbury. Everything, even the weather, favored the event, which during the day will be replete with features of a most enjoyable kind.

Since the purchase of the land adjoining the convent, the sisters felt that their hundreds of friends should be given an opportunity of viewing the grounds, and the executive committee of the association decided to arrange for a lawn party.

Mr. Timothy L. Connolly, owner of the estate adjoining, kindly offered the use of his grounds, and in connection with those of the convent a large and pleasing enclosure was made.

The advance sale of tickets was so heavy that the reception committee was prepared for a heavy attendance, but the most sanguine were surprised by the large gathering early this morning.

Several prettily decorated tables are arranged about the grounds, among which we notice St Anthony's table presided over by the following ladies:—Mrs K J Ledwell, Miss Hunt, Miss Hanna Sweeney, Treasurer; Miss Danahy, Miss Marianne Trainor, Miss Hannah Sullivan, Miss L Chisholm, Miss Angelina Sweeney, Miss Harrigan, Mrs (Dr) McQueeney, Mrs T E Hussay.

There are a number of attractions including a gypsy fortune teller and palmist. This morning a punch and judy show was given through the kindness of Mr Lothrop, and this afternoon and evening an excellent concert program will be given under the auspices of St. Anthony table.

The affair is in charge of the executive committee of which the officers are Miss Kate M Riley pres, Miss Sheridan treas, and Miss Eleanor Sullivan sec.—Boston Daily Globe, Saturday, Sept. 10th.

## Local and Other Items.

W C T U.—Meeting on Monday, at 4 o'clock.

OYSTER SEASON.—The oyster season opened yesterday.

A O H.—Regular monthly meeting tomorrow at 3 o'clock.

DECORATION DAY.—The Oddfellows will parade tomorrow at half past two.

BOAT RACE.—A boat race will take place on Monday the 26th inst. No restrictions as to sail.

SEWER PIPE.—The British Brig Aquaria arrived Tuesday and will load stone sewer pipe for Charlottetown, P. E. I.—Portland Press.

POLICE COURT.—This morning, Henry Welch was fined \$90 or 90 days for drunkenness. Joseph Cameron, for the same offence was fined \$8 or 40 days.

A DISAPPOINTMENT.—There were some seventeen or eighteen couples on Steam Navigation Company's wharf yesterday evening about half-past six with baskets and groceries ready and anxious to proceed to Rocky Point, where a party was to be given. But the craft in which it was their intention to embark did not materialize, and they could not proceed. The party was probably postponed.

MISERABLE LOOKING WORK.—Nobody wants it—especially in job printing where neatness of office forms and stationery is taken as an indication of a man's business methods. We are showing samples of bill heads, letter heads, etc, surprisingly well printed from tint blocks. Cost no more than you will pay for the ordinary, old-fashioned work—cost in fact very little more than the paper, they are printed upon—Call and see samples at THE EXAMINER office.

THE RACES.—In connection with the recent races at the Driving Park it is perhaps worthy of note that Provider won both the free-for-all and the 2 26 classes in straight heats, never making a break, and reeling off each mile under 2.26. He reduced his record to 2.21 1/2 on a track that is claimed to be three or four seconds slower this year than it was last. Provider was driven by Alter Black, who raised him, and was handled in a skilful manner. Mr. McKie is justly proud of this choice bit of horse-flesh. It is understood, however, that he will not allow Provider to race again this season.

A FALSE REPORT.—The report of the suicide of Patrick M Shea, which appeared in a Boston paper some days ago, and which was copied into several Island papers, was incorrect in crediting him to Summerside. Mr Patrick M Shea, son of Mr William Shea, of Summerside, is living in New Jersey and doing well there as late letters to his parents testify. The man who committed suicide belonged to Woburn, and had no connection with the family of Mr Wm Shea, Summerside, who have been subjected to a good deal of unnecessary and unpleasant publicity on account of the false report.—Agriculturist

A GOOD THING.—The advt. of the Birkbeck Investment, Security and Savings Company of which Mr Horace Haszard is agent will be noticed in another column of today's paper. The object of this company is to enable wage-earners to secure the ownership of a home. If a man owns a lot or can furnish part of the cost of a home in cash the Birkbeck Company will assist him to purchase or build, permitting repayment in monthly instalments just as he now pays rent. The resident advisory Board comprises Benj Rogers, Esq, President; Horace Haszard, Esq, Secy; and W H Aitken, M P Hogan, S W Crabbe and Charles Lyons, Esqrs.

London Goods.—Weeks & Co, are opening today another large shipment of fancy dress goods, cloths, gloves, hosiery and fancy London goods. Will show in a few days an entirely new stock of ladies' fine fur goods in ruffs, boas, muffs, coats, etc. Newest and best goods in the market. Come and see them. 216 31 wk & dy.

A BAYONET THRUST is as a pin scratch to the tortures of Indigestion and Dyspepsia. The bravest soldier will weaken before the onslaught of these redoubtable enemies to health. Dr. Von Stan's Pine-apple Tablets break down the stronghold of disease, build up and fortify the wasted nerve force, put new life, new hope, and energy, hoist the banner of victory instead of the flag of distress. 35 cents. Sold by Dr. S. W. Dodd and Geo. E. Hughes.
