

IS IMITATION THE SINCEREST FORM OF FLATTERY.

**MINARD'S LINIMENT**

has extraordinary merits, and is in good repute with the public, is that IT IS EXTENSIVELY IMITATED. The imitations resemble the genuine article in appearance only. They lack the general excellence of Genuine.

This notice is necessary, as injurious and dangerous imitations, called WHITE LINIMENT, &c., liable to produce chronic inflammation of the skin, are often substituted for MINARD'S LINIMENT by Dealers, because they pay a larger profit.

They all Sell on the Merits and Advertising of MINARD'S. One in particular claiming to be made by a former proprietor of MINARD'S LINIMENT, which simply is a lie.
