CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Daby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

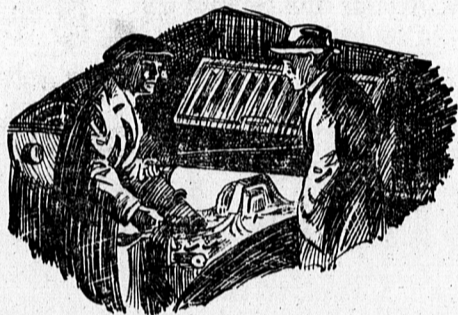

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its base is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. A PRACTICAL SUBSCRIPTION FOR SORE, ACID STOMACH

Nine-tenths of all cases of stomach trouble nowadays are caused by much acid in the beginning the stomach itself is not diseased but if this acid condition is allowed to continue, the acid is very likely to erode the stomach walls and produce gastritis with stomach ulcers. This may require a radical surgical life. Therefore, an "acid stomach" should be treated seriously. The excess acid or stomach hyperacidity can easily be neutralized by Bisulphated Magnesia taken in teaspoonful meal. Larger quantities may be used if necessary as it is absolutely harmless. Be sure to ask your druggist for the pure Bisulphated Magnesia especially prepared for this purpose.

FOOT EXPERT from Chicago coming to ALLEY & CO. LTD., on Monday and Tuesday, May 22nd and 23rd. Persons having any trouble may consult him free.

THE BIG LOCAL MUSICAL event of the season the "Queen Esther Pageant" under the auspices of the G. W. V. A. Thursday and Friday, May 19th and 20th.

A NARROW ESCAPE—Although the season has hardly opened for boating two young chaps about eight years of age had an experience on Saturday they will not soon forget. They took a dory from one of the wharves and started out for a row; before long they found themselves going out the harbor, and although pointed for the city and pluckily rowing the wind and tide was more than a match for them. Fortunately a motor boat owner who was working at his craft had his attention called to the plight the kiddies were in and although not ready for sea he put out and brought them to the city. Parents should warn their children to keep away from the wharves and boat owners should never leave oars in their boats, as it is a temptation to take the lend of a boat without permission of the owner and might end disastrously.

RADIO PHONE SET EXHIBITION—In the old Nova Scotia bank building corner of Richmond and Great George Streets, which is being fitted up by Messrs. W. K. Rogers - Co., Ltd., as their new offices there is an exhibition of Radio Phone concert receiver set, complete with amplifier and sound horn and everything but the outside wiring and batteries. Major Keith Rogers informs the Guardian that a number of radio phone sets are to be on exhibition, which has already been sold to a local man is one of the best available. The instrument is remarkably simple and compact in size. It can be tuned to receive messages from any station and the great concert singers and lecturers featured at New York, Philadelphia and other American cities are reproduced through the horn of this instrument with marvellous fidelity and strength of tone.

RESPECT AND ALLEGIANCE

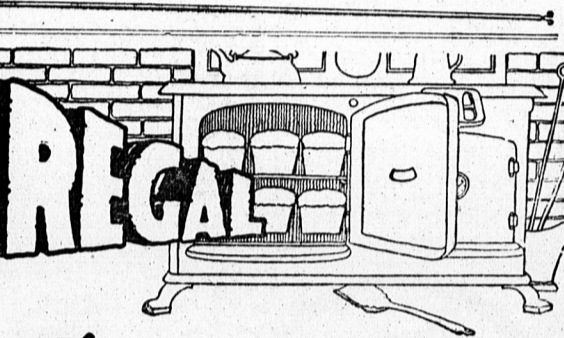

Firestone Tire performance has won the respect of the tire buyer and the allegiance of the tire dealer this year as never before. To give quality at too high a price, or to slight quality for the sake of price would not meet the need for lower transportation costs here in the Dominion. Most Miles per Dollar is now the paramount need of the tire buyer.

The answer to this need is found in Firestone mileage—greater than ever in the past—which now sells at the lowest price on record.

Ask anyone about the service they are getting from Firestone, Cords or Fabrics—and check Firestone prices. The inevitable conclusion as shown by the practical test of value is "Buy Firestones".
