

# Creamier Scrambled Eggs

with the Milk that Whips!

## CARNATION SCRAMBLED EGGS

4 eggs  
 1/4 teaspoon salt  
 1/4 teaspoon pepper  
 1/2 cup Carnation Milk, undiluted  
 1 tablespoon butter

Beat eggs. Add salt, pepper, Carnation Milk; beat again. Melt butter in saucepan over medium heat; add egg mixture. Cook slowly, stirring occasionally, until firm but not hard. Serves 4. Undiluted Carnation gives wonderful "creamy" flavor—yet costs less than half as much as cream.

So Good for All Cooking!

NOTHING BUT WATER is removed from Carnation Milk. (Only vitamin D is added.) So this doubly concentrated milk is doubly useful.

FOR EVERY MILK USE—mix Carnation with an equal amount of water. You get velvety-smooth, rich-flavored whole milk for cooking and drinking.

FOR USE LIKE CREAM—in coffee... on cereals and fruits... in cream recipes or for whipping... use Carnation undiluted. So good—yet so thrifty.
