**THE MOST RELIABLE FRIEND.****HOLLOWAY'S OINTMENT.**

*Its Searching and Healing Properties are known and  
 recognised throughout the World.*

The number of years this invaluable Ointment has stood the test of  
 public opinion, and the longer known the better appreciated, is a  
 testimony of itself more convincing than anything that could be  
 written in praise of its truly wonderful healing properties. In the  
 cure of bad legs, bad breasts, sores, wounds, and ulcers its effect is  
 marvellous. For ringworm, scall-head, scrofula, and diseases of  
 the skin generally, there is no remedy to be compared to it. When  
 assiduously rubbed upon the skin (previously well bathed with warm  
 water) this Ointment is quickly absorbed into the system, and  
 cleanses, in its passage, every part to which it is applied.

*Glandular Swellings, Bronchitis, Mumps, Quinsey, Sore  
 Throats, and Diphtheria.*

In any of the above diseases, immediate and permanent relief is  
 obtained by effectually rubbing this detergent Ointment, twice a day,  
 upon the neck, chest, and back. It acts upon the very mainsprings  
 of life; for through the glands pass all new matter required for the  
 body's reparation and all old particles detrimental to its preserva-  
 tion. The Ointment, used conjointly with Holloway's Pills, will  
 act so searchingly and certainly as to effect cures in the most hope-  
 less cases.

*Rheumatism, Lumbago, Contracted and Stiff Joints.*

Many thousands of martyrs from the above complaints have found  
 life almost insupportable; yet, if Holloway's Ointment be briskly  
 and perseveringly rubbed upon the parts affected, ease may be safely  
 guaranteed, especially if the pores of the skin be previously opened  
 by fomentation with warm water. The gross humors required ex-  
 pulsion from the system; it is therefore necessary to have recourse  
 to Holloway's admirable Pills, which, by purifying and strengthening  
 the system, greatly assist the operation of the Ointment and facilitate  
 and confirm the cure.

*Bad Legs, Bad Breasts, and Ulcerations of all kinds.*

There is no medicinal preparation in the world which may be so  
 thoroughly relied upon, in the treatment of the above ailments, as  
 Holloway's Ointment. Nothing can be so simple or safe as the  
 manner in which it is applied, or its action on the body, both locally  
 and constitutionally. The Ointment, rubbed around the part affect-  
 ed, enters the pores just as salt enters meat. It quickly penetrates  
 to the source of the evil and drives it from the system.

*Erysipelas and Scrofulous Sores.*

In all irritations of the skin, sores, ulcers, burns, or scrofulous  
 enlargements of any kind, Holloway's Ointment presents a ready  
 and easy means of cure. It manifests a peculiar power in restraining  
 inflammation, removing stagnation, cooling the heated blood, and  
 checking all acrimonious and unhealthy discharges.

*Diseases attendant on Childhood.*

Diseases incident to early life fall more under the management of  
 the mother than the medical man. Holloway's Ointment should  
 therefore be regarded by her as a "Household Treasure," as it  
 never fails in bring out the rash in measles and scarlatina: and for  
 the removal of all skin diseases its effect is miraculous. In cases  
 of whooping cough and croup, this invaluable Ointment should be  
 rubbed twice a day upon the throat and chest, and the youngest in-  
 valid will derive therefrom the most soothing relief. Two or three  
 of Holloway's famous Pills, reduced to a powder, will augment the  
 curative powers of his Unguent.

*Both the Ointment and Pills should be used in the following cases:*

|              |                |                 |               |
