Sewage Treatment.

In the various systems of sewage treatment that have been introduced from time to time, the principle generally adopted has been to treat the sewage at the point where it is collected for deodorization and disposal. This necessarily involves the unchecked formation of gases in the sewers through which the sewage passes, and which gases have to be dealt with by ventilation—which means their emission into the atmosphere—or by other means.

After having devoted several years to the practical study of the question, Mr. Harris Reeves claims that he has perfected a system of sewage treatment which goes to the root of the evil. He deodorizes the sewage as it is run into the sewers from the houses, or even attacks it in the houses themselves, and thus prevents the formation of sewer gases, but if they should be formed they are at once rendered inodorous and innocuous.

This is effected by placing in the manholes in the streets a small earthenware apparatus containing two chemicals, which, in combination, act simultaneously on the gas present in the sewers and on the sewage itself.

The chemicals employed are strong sulphuric acid and a solution of manganate of soda, which are automatically mixed and give off sulphuric acid gas and nascent oxygen. Of these two gases, the former is a complete destroyer of putrefactive and contagious organisms, while the latter is a perfect deodorizer. The solution formed by the union of the two chemicals consists of a liquid containing a large percentage of permanganic acid and a small quantity of sulphuric acid. This solution overflows into the sewer from the chamber from which the admixture takes place, and deodorizes the sewage to a greater or less extent on its way to the precipitating tanks. At the same time whatever gases are evolved from the sewage are neutralized by the chemical gases, for to reach the outer atmosphere the sewage gases must pass through the chamber in which the chemical gases are generated.

$500 REWARD

is offered by the manufacturers of **Dr. Sage's Catarrh Remedy,** for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of **Catarrh, "cold in the head," Coryza,** and **Catarrhal Headache.**

Sold by druggists everywhere; 50 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist, of *Ithaca, N. Y.*, writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. RUSHING, Esq., *2502 Pine Street, St. Louis, Mo.*, writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh.

ELI ROBBINS, *Runyan P. O., Columbia Co., Pa.*, says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
