

# Advisory Board To Extend Sunset Lodge

The Salvation Army Advisory Board met Wednesday evening, Chairman T. Roy Cudmore presiding.

The Advisory Board consists of the following members: Honorary chairman, Lieutenant Governor T. W. L. Prowse; chairman, Messrs. T. Roy Cudmore, Colonel K. S. Rogers, N. W. Lowther, Esq., Mr. Edward D. Nicholson, Mr. J. Harris, Mr. J. McFadyen, Mr. N. D. McLean, Mr. Thomas DeBlais, Mr. J. C. Montgomery, Mr. B. Rogers, Mr. B. E. McDonald, Mr. R. E. Selinger, Mr. Earle Baker, Mr. W. Barbour, Mr. A. McLeod, Brigadier C. Knaap, Divisional Commander for the Salvation Army and Sr. Captain L. Titcombe, secretary.

A warm welcome was extended to six new members of the Board in the persons of Messrs. Rogers, McDonald, Selinger, Barbour, and Mr. A. McLeod.

The present facilities of Sunset Lodge, home for elderly ladies, were discussed at length, it has been evident for over three years that extension of the present building was the only solution for the comfort of its guests and already plans had been under consideration for some time to accommodate thirty-five instead of 16 guests.

Sketches were available through the kindness of Mr. James E. Harris of the proposed type of extension and these were studied with a view to present day costs and the possibility of a Capitol Appeal to embrace the whole of P. E. I. This was felt feasible in view of the fact that the majority of the guests now staying at the Lodge come from points outside of Charlottetown.

**Sets Appeal Date**

Sr. Major A. Wheeler, Superintendent and Major A. Stephens were to be commended on the

markable patience they had shown in carrying on under conditions that were a discomfort to staff and guests alike. With a substantial legacy on hand it was the unanimous opinion of the Board that Prince Edward Island would go in a big way for an extension of a building of this type caring for its senior citizens. The Board lost no time in passing a motion that May 1952 would mark the opening of an appeal for \$25,000, with a very definite plan to commence building operations early in the fall.

The entire Board accepted responsibility for the carrying out of the appeal and will act in the capacity of the Red Shield Appeal Committee.

A four-man committee was appointed to bring in a working plan for this Island-wide drive in the persons of Mr. T. Roy Cudmore, Mr. B. Earle McDonald, Mr. J. C. Montgomery and Mr. R. E. Selinger.

There was a general feeling that the campaign could be made a complete success for the extension of the present Sunset Lodge, situated on School Street in Charlottetown.

**LONDON — (CP) —** More television sets than radios now are being sold in Britain. Television manufacturers produce nearly 70,000 sets a month, compared with radio set production for the home market of about 60,000.

**LONDON — (CP) —** A London-to-Paris helicopter service now being planned may be faster than the swiftest jet airliner. Although slower in the air, the helicopters would eliminate coach travel between airport and terminus.

## IN MEMORIAM

**MINNIE H. LEARD**

—At Tryon on Thursday morning, April 3rd, Miss Minnie H. Leard passed peacefully away at the age of seventy-nine. A life-long resident of Tryon, Miss Leard was the last surviving daughter of Charles Morely Leard and his wife Millicent Howatt.

Born to delicate health she knew very few days of physical vigor, yet she brought to life such a sweet brave spirit that neither pain nor weakness could hide the radiance of her mind and soul. In her father's home at the Creek residence, Tryon, later maintained for her by her devoted brother, Bowley Leard, she kept the quiet tenor of her ways, cared for, and helping to care for many of the family who predeceased her. A favorite aunt to a large circle of nephews and nieces scattered in two continents, she was the very embodiment of the old home from which her long newsy letters radiated the happiness of a good life.

Well read in current events, and particularly well-versed in local history she inspired in many who knew her a love for the storied past of pioneer Island life. None of her generation surviving could open the door of the past as she could while at the same time remaining intensely interested in the present and the future.

In addition to her brother, W. Bowley Leard, a large circle of friends and relatives will miss Minnie as she was familiarly called by many. Two in particular, are her nieces, Mildred, Mrs. Spurgeon Clark and Myrtle, Mrs. Walter Wood, who constantly gave her many devoted attentions.

The funeral was held on Saturday, April 5th, at 2:30 p.m. from Tryon, United Church with Rev. R. L. Bacon conducting the service, assisted by Rev. Mr. Kilian. The hymns sung included, "Love Divine" and "What a Friend We Have in Jesus." The pallbearers were Walter Wood, Brent Wood, Austin Toombs, Vernon Lord, Austin Smith, and Claude Vessey. Interment was in the family plot of the People's cemetery, Tryon.

## O'Leary and Vicinity

—Miss Mildred Delaney, who spent the winter months in Westmount, Montreal, has returned to her home in Brae.

The Verdun Theatre in O'Leary was packed to the doors on Tuesday night, April 15th, for the official showing of the Royal Tour. This beautiful picture showed the entire tour of Princess Elizabeth and the Duke of Edinburgh across Canada. It was repeated on Wednesday, April 16th.

Deepest sympathy is being extended to Mrs. Ivey MacFadyen of Brae and her daughter, Mrs. Stirling Barbour of Brae in the

passing of their daughter and sister, Miss Hattie MacFadyen, on April 15th in the Prince County Hospital in Summerside. The young lady was a general favorite with young and old and was loved and esteemed by all who knew her. She was employed in Charlottetown.

## IN MEMORIAM

**MRS. HORATIO GRAHAM**

On March 19th, 1952, at Gaspereaux, there passed peacefully away at the age of 83 years, Mrs. Horatio Graham. The deceased was the daughter of the late James Creed, Albion, P. E. I.

Previous to her marriage she taught school. Her husband predeceased her three years ago. They ran a general store and did farming on a large scale. She was a hard worker, a loving friend and kind neighbor.

Mrs. Graham died in her home and was taken care of by her adopted daughter, Cepheha, (Mrs. Lawrence McHerron), who with her husband, did all that loving hands could do. She was visited by her pastor, Rev. Mr. Patterson, of the United Church, of which she was a faithful member. She died trusting in her Saviour whom she loved and in whose finished work to die is gain.

She leaves to mourn one sister, Margaret, (Mrs. Ernest Griffin), also her adopted daughter, Cepheha, (Mrs. Lawrence McHerron), and three grandchildren, Laurie, Margaret and Louise.

Her funeral was held from the home and was conducted by Rev. W. A. Patterson, Georgetown, and the Murray Harbour North choir. The hymns sung were her favorites: "Shall We Gather At The River," "Nearer My God To Thee," and "Will The Circle Be Unbroken," with Mrs. Annie Kennedy as organist.

The pall bearers were Messrs. Arthur O'Connor, Cephas Davey, Andrew McKenzie, Benjamin Henderson, James McNulty and Stanley Llewellyn. Her remains were laid to rest in the Murray Harbour North Cemetery, beside her husband, there to await the Resurrection morning, when the dead in Christ shall rise.
