Highly Important to the Public. The Sick cured on the R. R. R. Theory. THREE GREAT REMEDIES.

The attention of the public is particularly directed to the fact that the most powerful and effective medicine for the cure of all the diseases of the human body is contained in the R. R. R. Theory, which is a simple and safe, so far as the cure of all the diseases of the human body is concerned, and is a simple and safe, so far as the cure of all the diseases of the human body is concerned.

THEY restore the sick and diseased body to health and longevity. To the weak, nervous and the aged, they impart vigour, life, and a happy flow of spirits.

TO the young, who, between the period of youth and manhood, undergo their natural growth, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system.

TO the thoughtful seeker and victim of animal passions, who has wasted away his strength in folly and dissipation, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature.

TO the aged, who, between the period of youth and manhood, undergo their natural growth, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system.

TO the thoughtful seeker and victim of animal passions, who has wasted away his strength in folly and dissipation, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature.

TO the aged, who, between the period of youth and manhood, undergo their natural growth, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system.

TO the thoughtful seeker and victim of animal passions, who has wasted away his strength in folly and dissipation, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature.

TO the aged, who, between the period of youth and manhood, undergo their natural growth, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system.

TO the thoughtful seeker and victim of animal passions, who has wasted away his strength in folly and dissipation, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature.

TO the aged, who, between the period of youth and manhood, undergo their natural growth, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system, who are afflicted with the diseases of the system.

TO the thoughtful seeker and victim of animal passions, who has wasted away his strength in folly and dissipation, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature, who has become a weak and feeble creature.
