

Local and Other Items.

I. O. O. F.—Wildey Lodge meets to-night for nomination of officers.

RIFE STRAWBERRIES.—Ripe strawberries of excellent quality were for sale in the market to-day.

PRICE OF SUGAR.—Telegraphic advices report that sugar has advanced another eighth of a cent all round.

SMALL DEBT COURT.—The City Small Debt Court was in session this forenoon. A number of cases were disposed of.

SCOTT ACT.—To-morrow will be Scott Act day at the Stipendiary Magistrate's Court. Another new summons was served to-day.

DISCUSSION.—To-night and the two following evenings a debate takes place at Almonte, Ont., between Charles Watts and Rev. Dr. Sexton, M. A.

TWO MUCH WIND.—Kansas has had fourteen cyclones in six years. If any other state in the union can show more wind than that let the record be produced.

FISH SCARCITY.—The American schooner Lizzie M. Stanwood, Capt. McKinnon, arrived at Arichat from Cape North on the 7th inst. The captain reports fish exceedingly scarce.

QUEEN SQUARE.—Mr. Arthur Newbery is now busily engaged arranging the beds and planting flowers. Already the Square is looking very pretty. But what about that fence?

DEFERRED.—The regular session of Port la Joie Encampment will be held on Wednesday evening, 19th inst., instead of to-morrow, the usual time, on account of the Camp Room undergoing repairs.

CROP PROSPECTS.—It is pleasing to learn that all kinds of crops throughout Cape Breton promise an abundant yield. The season is fully four weeks ahead of former seasons. The hay crop particularly will be heavy. With June a good growing month, the crops will be the largest ever known in Cape Breton.

PROVINCIAL EXHIBITION, 1889.—The prize list is now in the hands of the printer, and owners of stallions intending to give special prizes for young stock at the coming Exhibition in October next would do well to notify the Secretary to that effect at once, so as to have their prizes properly entered in the prize list, thereby giving owners of such young stock ample notice and time to fit their animals for exhibition.

PROPOSED EXCURSION.—It is expected that a large number of Oddfellows from St. John and vicinity will attend the session of the Grand Lodge in this city on the 14th August ensuing, and be accompanied by the fine band of the 62nd Regiment. An open air concert will be given on Queen Square during their stay. Chief of Police Rawlings will be in command, whose energy is sufficient to ensure a grand success.

CHEATING JUSTICE.—They have a strange way of administering justice in the neighboring republic. McGarigle, ex-warden of Cook County Hospital, who was sentenced to three years imprisonment for defrauding the county, and who escaped to Canada, being a fugitive here for two years, is now back in Chicago again, a free man. The three years' sentence seems to have been forgotten, and the boodler made everything right by paying a fine of \$1,000.

SPRING POETRY.—The poem entitled "A Summer Evening," which appears in another column, was not written by Baron Tennyson or James D. Lawson, as some people might think after perusing it, but by a young man who took advantage of the editor's absence to deposit the verses on his desk, and decamp. We may add that it was well for him he did so. However, we give his effort space to-day, but would ask him to kindly spare us all such afflictions in the future.

A BIG RECORD.—Massachusetts is now discussing the question of corporal punishment in the public schools. According to the State Superintendent of Schools, some eighteen thousand floggings were administered last year. A rattan is used in all cases. Truancy, lying and insubordination are the main reasons for punishment. Most of the punishment is done by the assistant teachers, the more rigorous by the principal himself, who has the physical strength often necessary to make any impression.

SAD SUICIDE.—Some two years ago, says a Montreal despatch, a jeweler named Rutledge married a Miss Clarke, of Cote St. Luc, Que. A child was born to them in time, but it unfortunately died, the loss preying very much on the father's mind. A week ago Mr. and Mrs. Rutledge went to pass a few holidays with the wife's people, and while the family were at dinner on Saturday, the husband went into a barn near at hand and shot himself through the heart. He left a letter for his sister-in-law, bidding that lady good-bye, but said nothing else of importance.

THE RIFLE.—To-morrow morning the Island team of eight members of the active militia force will leave for St. John to take part in the competition for the intermaritime trophy. The team, which will be under the command of Lieut.-Col. Dogherthy is made up as follows: Capt. Geo. Crockett, No. 4 Co., 82nd Battalion; Captain J. A. Longworth, No. 2 Battery, G. A.; Lieut. D. L. Hooper, No. 1 Co., 82nd Battalion; Staff-Sergeant M. Allen, 82nd Battalion; Sergeant Davison, Engineers; Sapper Anderson, do.; Sapper R. V. Longworth, do.; Private S. Gay, 82nd Battalion. The competition will take place on Thursday. The Island team are all good shots. We wish them success.

PROLIFIC.—A fight to a finish, for \$5,000 a side and the middle-weight championship of America, was arranged on the 6th inst., between Jack Dempsey, the undefeated middle-weight, and George LeBlanche, the Marine, who recently defeated Mike Lucie. The battle takes place before the California Athletic Club, on August 27. Dempsey was signed as instructor to the California Club, and will commence his duties on July 1st. Gus Lambert, of Montreal, and John McGrath, of Providence, fought to a finish on the 6th, with gloves, at Troy, N. Y., Lambert won in one round. Mike Daly, of Bangor, has accepted Jack McAuliffe's challenge to fight ten or fifteen rounds, with gloves, on July 4. Kilrain deposited the heavy-weight championship belt with stakeholder Crigge, a few days ago, saying: "I'll be back for it again, about the 15th July, and also the stakes." Griffin, the winner in the Griffin-Havlin fight, has been matched to fight Tommy Warren, on the 25th inst., for \$2,000.

TELEGRAPHIC NEWS.

SPECIAL DESPATCHES TO THE EXAMINER.

THE JOHNSTOWN DISASTER.

Latest News from the Scene.

JOHNSTOWN, Pa., June 10.

The progress of work at the stone bridge to-day was more satisfactory, and more was accomplished in removing the debris than for any three other days. A stationary engine on the bridge has done more work than fifty men.

A huge mass of broken and bent iron and the immense timbers which men were trying to move for days, were lifted from their place and moved with ease. The large force of men heretofore employed on this point have been taken to other points, and a small force, with the aid of the engine, is doing more effective work.

The hurried burial of the dead in the cemetery at Prospect Hill is causing the residents of that beautiful suburb a great deal of anxiety. The bodies are placed in cheap coffins and the odor from the decomposed bodies rises to the surface and attracts dogs, which are howling and pawing over the graves. It has been found necessary to place guards in the cemetery to drive the dogs away.

Thirty-five bodies were recovered to-day, 11 at the stone bridge. An official report gives the total number recovered at 1,889. The official bulletin of the State Board of Health to-day says that no contagious disease prevails. The air continues pure and wholesome and the water is pure.

The Jesuits' Act Again.

OTTAWA, June 10. Considerable excitement was occasioned to-day by the arrival here of Hugh Graham of Montreal, accompanied by D. MacMaster, Q. C., R. D. McGibbon, Q. C., and A. W. Atwater, Q. C. The movements of the party were mysterious, but it has been learned late this evening that the gentlemen named called at the Department of State and filed a petition asking for a reference of the Jesuits' Acts to the Supreme Court of Canada under a section of the law constituting the Court. The petition was accompanied by a certified cheque on the Bank of Montreal here for \$5,000. The petition was laid before the Privy Council which was in session this afternoon. The gentlemen also had an interview with Sir John Macdonald. Mr. Graham and party left for Montreal by the afternoon train.

Steamer Notes.

HALIFAX, June 10. Advices from Port Lebar and Port Joie, 25 miles east of Lockport, report quantities of wreckage, evidently from a steamer, coming on shore. A dense fog prevents further investigation.

The steamer Michigan, Capt. Cameron, from Montreal for London, with deals, went ashore at Point Aconi last night during a very thick fog. She had a pilot on board, and fortunately she grounded lightly, floated off at high tide, and proceeded to North Sydney.

Probably Not True.

OTTAWA, June 10. It is currently reported here that Secretary Windom has formally notified the Canadian Pacific that no bonding privileges will be granted to their line across the State of Maine. If this rumor be correct it will be the first attempt at retaliation, and will materially embarrass and complicate the settlement of existing difficulties between the two countries.

Fears Entertained.

CORNWALL, Ont., June 10. The canal bank between Maple Grove and Millerches, which caused much trouble and expense to shipping and forwarding companies last autumn, has, it is reported, began to leak where the recent break was repaired, and fears are entertained of a similar slide in the near future.
