taken from them for the army. Their garments, even their shoes, the families have to make themselves; they spin, weave and dye their cotton and homespun clothes, rich and poor. Tea, coffee, and sugar are not to be had: milk and water are the only beverages; Indian corn is their principal food. The families are broken up and reduced. You seldom meet with a male inhabitant, and if you do, he is either infirm or a cripple. A large portion of the male population are killed in battle; many more crippled for lifetime. Many patriotic Union men died of a broken heart. What remain are in the army or in the employment of the government. Nevertheless, press-gangs cross the country in all directions in search of men for the army. All ties of social life are completely dissolved. No courts of justice and equity are held—justice is meted out by the military. Universities, colleges and schools are all suspended. *The country in many places resembles a wilderness.* Wherever the armies march there everything is ruined—the crops destroyed, fences burned, trees cut down, domestic animals killed, robbed, or taken for the army. But whatever the Southern people may suffer, they bear it with heroism and resignation."

THE LITERARY ENTERTAINMENT.—The Literary Entertainment in aid of the funds of the Charlottetown Debating Club came off on Tuesday evening last. It was quite an entertaining affair, and reflected credit upon the Institution. The President, Mr. Murphy, having in his usual pleasant and agreeable manner expressed his gratification at seeing assembled before him such a large and enlightened audience, introduced Mr. A. Nicholson, who gave the recitation entitled "Joan of Arc," in a spirited manner. We were next favored by an address from the venerable Recorder, J. Lawson, Esq. He instituted an interesting comparison between the days of his boyhood and the present time, and recounted the numerous privileges which we now have for improvement in comparison with the literary desolation which existed in P. E. Island forty years ago. Then followed recitations by Messrs. Davies and McNeill which were executed in a natural and happy manner. The pieces are familiar to all—Flood's attack on Grattan, and Grattan's reply. We were next amused by a reading from Pickwick Papers by Mr. Crabb, after which "Our Island Bard" stepped forth and favored us with an original poetical effusion. The poem was chaste, lively and very suitable to the occasion. It partook of the grave and the gay, and was well received. Then a recitation by Master DesBrisay, after which we listened to the speech of the evening from Mr. Archibald McNeill. He spoke in his usual earnest and eloquent manner. His speech partook of the history as well as the political prospects of the colony. Having painted in glowing terms the wonderful improvements which exist now in comparison to the time when "he and his friend the poet wielded the birchen sceptre," and received from Government the handsome salary of £5 for teaching the young "idea how to shoot," he went on to give his opinion on the great question of the day, Union of the Provinces, and told us what great advantages (!) it would confer upon us. He said if Canada would not join, and if her petty jealousies and quarrels prevented her from advancing her best interests, let the lower Provinces unite, and show Canada that she will always act the "dog in the manger" policy. He waxed very eloquent on this subject, and wound up with a quotation from Longfellow's poem:

"Sail on, oh ship of State,"&c.

After a recitation by L. H. Davies, we expected a literary treat from Mr. Whelan, but were disappointed to learn that indisposition prevented his appearance in public. However, his place was filled by Benj. Davies, Esq., who made a few lively remarks. We cannot admire too much the very excellent performances of the Volunteer Band on the occasion, which were interspersed among the addresses and recitations. On the whole the affair was quite a success and it is to be hoped will inspire new life into this useful and interesting society.—COM.

Mr. Irving crossed from Cape Traverse to Cape Tormentine on Saturday, the 12th inst., with Mr. Jardine of Richibucto, N. B., who had reached P. E. Island from the Magdalens, where he had been recently shipwrecked, on the east end in heavy weather. Mr. Jardine and the officers and crew with difficulty reached the shore in the boats. The ship was named the Janet Patterson, and was a splendid new juniper vessel of 700 tons, iron strapped and iron kneed, copper fastened, round stern, and in every respect a superior ship.—She had left Richibucto but a short time before she was wrecked.

In returning Mr. Irving brought as passengers, M Stevenson, Esq., from Quebec, Jas. Howatt, Esq., from St. John, and another gentleman, name unknown.—*R. W.*

A new Organ, imported from Montreal, was lately dedicated in the Carleton (St. John, N. B.) Catholic Chapel. The St. John *Freeman* in speaking of the services says:

"Monsieur Le Droit—the gentleman who superintended the construction of the organ—played at nine o'clock a 'Voluntary,' in a good and masterly manner; while during both Masses Miss McCormick presided, and acquitted herself with entire satisfaction to the Congregation. This talented young lady, we are informed, has been appointed organist for Carleton Chapel, and judging from the musical abilities which she has heretofore evinced, we think the Congregation have exercised correct judgment in selecting her for that difficult position."

Miss McCormick is the daughter of Mrs. E. McCormick of this city.—*R. W.*

It is scarcely necessary for us to call attention to the advertisement of the Volunteer Band, as it is conspicuous enough to attract the notice of our readers; but as the music discoursed by the Band is a source of pleasure to every man, woman and child in town, it should be an object with all who are able amongst us to contribute more or less towards keeping the Band in an efficient state. Every encouragement should be held out to the members, to induce them not to relax their efforts to perfect themselves as far as possible in their instrumental music. The members have made great progress since they were organized as a Band, and as their music is a credit to themselves, and therefore a credit to the town, we hope that the towns-people will not be backward in swelling the receipts of the Bazaar.—*R. W.*

The Schr. *Thomas Clift*, Cassady, master, from New York, for Charlottetown — owned by Mr. Thomas Foley, of this City—was driven ashore a few days since near Arichat, with a cargo of Flour, Leather, &c., &c., for different parties in this City. By a telegram since received here, it is expected that the *Thomas Clift* will be repaired and got off again. The Agent of the Marine Insurance Office of this City, and the owner, have proceeded to Arichat for the purpose of looking after the vessel.

ASTHMA.

GENERAL JOSE VILAMIL.

The General in Chief of the army of Equador, stated in the presence of the Hon. C. R Buckalow, now U. S. Senator from Penn., (but then U. S. Minister at Quito,) to Mr. Lee, that he had suffered with asthma for forty years, had not laid down in his bed horizontally during that time. The first application of the Rready Relief secured him sound sleep, its continued use cured him.

HOLLOWAY'S OINTMENT AND PILLS—Additional Testimony.—For the cure of coughs, colds, sweats, and incipient consumption, this excellent Ointment, rubbed upon the back and chest, aided by the internal use of Holloway's purifying Pills, stands unrivalled. Mr. J. Leonard, of Benbulben Grange, Sligo, writes: "Sorry, sorry I am I did not use your Ointment and Pills in January last. The wondrous change they effected on me after one week's trial astonishes every one and encourages me to proceed till they have entirely cured my disease." This plainly expresses the power possessed by Holloway's remedies in checking the course of those chest disorders which, when slighted or improperly treated, entail much suffering and end unfavourably.

HEALTH AND PURE BLOOD ARE INSEPERABLE.

Recollect that all sickness arises from impurity of the blood, and that Judson's Mountain Herb Pills will as surely find out and cleanse these impurities from the system, that disease cannot exist. So simple and innocent are the herbs and plants that compose them, that it is not necessary to have them sugar coated in order that the stomach can bear them. In most cases, Pills are sugar coated because the materials of which they are made are so griping and malignant, that otherwise a delicate stomach could not bear them.

These Pills deal with disease as it is, and will not only cure by removing the cause, but will build up and restore the broken constitution. There are many who have so trifled with their constitution that they think medicine cannot help them; let not even these despair; incredulity and scepticism is overthrown by a mass of testimony which is truly irresistible. At first the virtues ascribed to the MOUNTAIN HERB PILLS were deemed fabulous. The public had been so often deceived that they could not believe the simple truths advanced by their discoverer. Yet facts undeniable, attested by witnesses of the highest character and respectability, have proved, and are proving each day, the virtues of this "mighty healer." They mark by their miraculous efficacy and power a new era in medicine.

Sold by all Medicine Dealers.

THE MAILS.

WE are informed that the English and other Mails have been at Cape Tormentine for several days, but the Ice Boat could not cross from this side to receive them, owing to the very bad state of the ice, and the large amount of lolly in the Strait. On Saturday last two unsuccessful attempts were made to cross from Cape Traverse We are afraid, however, that all such attempts must be abandoned until there be a sufficiently hard frost to harden the lolly.

At latest advices from the Eastern coasts of this Province, there were between two and three hundred vessels, principally schooners, lying wind bound in the various harbours which line the coast between Halifax and Canso.—*Halifax Reporter, Dec. 3.*

An army correspondent of the *Portland Transcript* says there is a doctress in Virginia, a Maine girl, twenty-five years old, good looking, wears "bloomers," and rides a horse as men do.

The President's Message was telegraphed to New York, and a copy dropped at Baltimore and Philadelphia, in fifty-two minutes. no part of it was in the hands of the New York press before its reading had been finished at Washington.

The sale of the Plantation Bitters is without precedent in the history of the world. There is no secret in the matter. They are at once the most speedy, strengthening health restorer ever discovered. It requires but a single trial to understand this. Their purity can always be relied upon. They are composed of the celebrated Calisaya Bark, Cascarilla Bark, Dandelion, Chamomile, Flowers, Lavender Flowers, Wintergreen, Anise, Clover Buds, Orange-peel, Snake root, Caraway, Coriander, Burdock.

S.—T.—1860—X. &c.

They are especially recommended to clergymen, public speakers, and persons of literary habits and sedentary life, who require free digestion, a relish for food, and clear mental faculties.

Delicate females and weak persons are certain to find in these Bitters what they have so long looked for.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They overcome effects of dissipation and late hours.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Diarrhœ, Cholera and Cholera Morbus.
They cure LiverComplaint and Nervous Headache.
They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer.

The following startling and emphatic statements can be seen at our office.

Letter of Rev. E F. Crane, Chaplain of the 107th New-York Regiment:

NEAR ACQUIA CREEK, March 4th, 1863.

Owing to the great exposure and terrible decomposition after the battle of Antietam, I was utterly prostrated and very sick. My stomach would not retain medicine. An article called Plantation Bitters, prepared by Dr. Drake, of New York, was prescribed to give me strength and an appetite. To my great surprise they gave me immediate relief. Two bottles almost allowed me to join my regiment. * * * * I have since seen them used in many cases, and am free to say, for hospital or private purposes, I know of nothing like them.

REV. E. F. CRANE, Chaplain.

Letter from the Rev. N. E GILDS, St. Clairsville, Pa.:

GENTLEMEN:—You were kind enough, on a former occasion, to send me a half dozen bottles of Plantation Bitters for $3 50. My wife having derived much benefit from the use of these Bitters, I desire her to continue them, and you will please send us six bottles more for the money inclosed.

I am, very truly, yours,
N. E. GILDS, Pastor Ger. Ref. Church.

SOLDIERS' HOME, Superintendent's Office,
CINCINNATI, Ohio, Jan. 15th, 1863.

* * * * * * I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is marvellous and gratifying.

Such a preparation as this is I heartily wish in every family, in every hospital, and at hand on every battle field.

G. W. D. ANDREWS, Superintendent.

Dr. W. A. CHILDS, Surgeon of the Tenth Vermont Regiment, writes:—"I wish every soldier had a bottle of Plantation Bitters. They are the most effective, perfect, and harmless tonic I ever used."

WILLARD'S HOTEL,
WASHINGTON, D. C., May 22d, 1863.

GENTLEMEN:—We require another supply of your Plantation Bitters, the popularity of which daily increases with the guests of our house.
