

# Public To See Local Hockey Team During First Week In October

The sporting public will have their first look at the Island entry in the Maritime Big Four Hockey League come the first week of October. This much was made known last night following a meeting of the executive of the "Islanders" Hockey organization.

Murph Chamberlain, the club's mentor, will arrive back in the city from his hunt for hockey talent October 1st. Bill Brown, pro tem President of the Islanders announced. Imports to the number of 12 will congregate in the city Oct. 6th. The remainder of the team will be made up of local players.

Murph will get right down to work on his arrival. He will open a hockey school on Oct. 2nd which will run for four days. All players wishing to try out for berth on the Big Four entry will be given an opportunity to do so.

No names were released by members of the club executive last night, but they let it be known that as soon as all players were assured of being "free" agents the roster would be announced.

Word from Montreal is that Chamberlain has lined up a fast, young and rugged crew that should lead the brand of hockey played in the Maritime much to their liking. It is reported that some of the forwards Murph has contacted tip the scales at 180 pounds.

## Softball Series Tied

In a softball doubleheader play-off clash between the LYC and the Gaytown Monarchs on the Holy Redeemer diamond Sunday the teams split to force a deciding game next Sunday commencing at 1 p.m.

In the first game the Monarchs walloped the LYC squad by a score of 18-3 with Jimmy Gauthier doing the hurling. The second game resulted in a 10-5 win for the LYC team behind Jack Hennessey's stellar playing. M. Peters was the winning pitcher in the second game for the LYC team with Gauthier on the slab again for the Monarchs.

## Would Give Ray Robinson Shot At Title

DETROIT, Sept. 11—(AP)—Ray Robinson will get the next shot at the world middleweight title if the National Boxing Association has its way.

The N. B. A. convention today notified champion Jake Lamotta and challenger Laurent Dauthuille of France that the winner of their bout at Detroit's Olympia must face Robinson within six months.

Both fighters were told they must "disregard any previous contracts" that might call for a return match. As such a contract is supposed to exist, there may be a hitch in the Robinson match.

Lamotta has agreed to fight Sugar Ray at Chicago Stadium in the second week of February if he beats the Frenchman. However, Dauthuille is bound by a "verbal agreement" to give Jake a return go if he lifts the crown. It is not known what the N. B. A. will do if Dauthuille's representative, Max Waxman, refuses to go along with the convention's wishes.

Robinson had not signed the contract but his manager, George Gainford, assured the convention he would accept the 15 per cent. The vote requiring the Lamotta-Dauthuille winner to fight Robinson let the N. B. A. out of a tight spot. Its executive committee had ordered Lamotta to meet Robinson before Oct. 12 or give up the title. Now he has more time.

The N. B. A. ratings of boxers listed Lamotta as middleweight champion with Robinson as logical challenger. Dauthuille topped a list of outstanding boxers.

Other ratings showed Joe Louis the former heavyweight champion, as logical contender to champion Ezzard Charles in the heavyweight ranks.

Archie Moore of St. Louis and Bob Satterfield of Chicago were listed logical contenders to fight heavyweight King Joe Maxim of Cleveland.

There was no logical contender available for champion Robinson.

## Midget Baseball Playoffs To Be Resumed Tonight

The City Midget Baseball playoffs will be resumed tonight at the Old Park diamond when the East and North-end teams will tangle in an encounter that starts at 5.15. The game should be a natural one as the opening tilt of the playoffs was a 1-0 win for the North-end.

The North-end's 1-0 win was in reality the second game of the season. But the first game was thrown out by league officials when it was found that a player on the North-end squad was playing outside his section of the City. This infraction is strictly against the rules covering Minor League ball in the City. The player in question will have to line up with the East-end team if he wishes to play any more Midget ball this season.

So, tonight the second game of the playdowns will be played and players on both teams are urged to be on hand in time for the encounter.

## Game At Polo Grounds Rained Out

NEW YORK, Sept. 11—(AP)—Rain washed out tonight's scheduled Brooklyn-New York Giants game at the Polo Grounds, forcing transfer of the contest to Ebbets Field.

Eddie Brannick, secretary of the Giants, said the game will be played off at Brooklyn either Sept. 25-26.

In the welter class, Freddie Dawson of Chicago was the Williams' only logical challenger in the lightweight class. Sandy Saddler, who regained his feather championship from Willie Pep Friday night, was the head man with Pep his logical contender.

The N. B. A. adopted a rule by which a champion wishing to try for a higher weight must publicly announce his intention of giving up one title if he wins a second.

Coach "Murph" Chamberlain is now in Upper Canada seeking out talent that will add to the strength of the team. It is understood that intermediate teams on the Island will be issued invitations to attend the opening drills and practices of the team in the near future.

Two local Junior hockey players in the persons of Lorne Hennessey and Orin Carver will leave the City in October for Halifax where they are to line up with the St. Mary's Juniors for the coming season. These two boys were from the band of seven players who attended the hockey school held in Halifax early this spring and have since been offered the chances to play with St. Mary's.

Gossip around the hockey trails of the Maritimes has it that Roy "Buck" Whitlock, last year's high scorer in the Big Four, will line up this year with the senior St. Mary's team with Dick Wray also of St. John Beavers, and Joe Fitzpatrick from Moncton Hawks expected to be on the same line up. Rumors current around the City early when the Islanders were being formed were that Whitlock might play his hockey for the home team but these apparently were only rumors. Speaking of rumors, Baz

## LITTLE SPORT

Well, the Abbies have finally bowed out of the Island Baseball League picture, but only after they had put a scare into the rest of the teams. The locals under the capable handling of Charlie Ryan and Fred "Husky" MacCabe put up a stiff battle after they had gotten off to a poor start at the first of the season.

After a few more losses the mixture of Junior and senior City talent started to make it rough for the other three teams in the league and put up stiff fights in their remaining games. Last night in losing a tough one to the league leading wrecking crew from Summerside they bowed out. Charlie Ryan always a good team man, when playing or coaching from the bench, pitched a good three hitter against Summerside but six errors on the part of his teammates put him in a hole which they could not dig themselves out.

Notable in the last few baseball games played on Memorial Field diamond has been the improved slugging of Glen Matheson who started the season with the Junior Knights of Columbus and who now lines up with the Junior Vics. Glen has been powdering the ball all over the lot in last night's tilt smacked out a pair of rousing triples. If he continues to hit at such a torrid pace the Vics will be hard to beat in the Junior finals which start tonight at the park.

It was learned last night that the Charlottetown Abegweit Athletic Association will sponsor a senior football team from talent in the City. Prof. Gordon Bennett, popular athletic coach at Prince of Wales College is the man behind the idea which should turn out to be a smart move. Gordon, who returns quite a few gridiron games, wishes to make an open invitation to any youth in the City who is anxious to try out for the team to attend the opening practice tonight at the Park.

It is the hope of the club to round up a team which will give St. Dunstan's enough competition to make the City Senior Title Playdowns interesting. There is enough talent in the City to form a good team. Many of the graduates from both City colleges besides the already extra few will form the nucleus of a real fighting team to represent the City in football in the coming fall classics.

Speaking of football both colleges will be very busy in the next few weeks getting their teams in shape for the coming season. Prince of Wales have already started to form their squad while the boys from the "Hill" are expected to follow suit in the near future if they have not already done so.

News from the Maritime Hockey League meeting held in Truro over the week-end is indeed encouraging to hockey followers in the City and all over the Island. The local Islanders have been officially entered into the league which will remain the Big Four now that Amherst has dropped out of the loop.

Major Tom Rogers who worked tirelessly in promoting the idea of forming a senior Island team has been elected to the board of executives of the league which will continue under the guidance of J. Elliott Hudson of Halifax. No recent news of the strength of the team has been in the wind for a while but fans on the Island can rest assured that the team which will represent our local team will be a powerful, fast skating squad.

The finals in the Brighton Horseshoe Club's Island doubles tournament will be held tonight at the club's beds when George Schyler and Len Phillips meet Allen and Coker in the best four out of seven games to decide the winner.

In last night's semi-finals Allen and Coker easily disposed of Crabbe and Shepherd while Schyler and Phillips defeated Butts and MacCourt.

The finals are to commence at 8 p. m. and a large crowd of ring tossers are expected to be on hand for the games which will furnish top notch entertainment for those in attendance.

O'Meara (Montreal Star), reports that Chamberlain has appeared to have landed his goal... He is dicker with Hal Barefoot, has Dennis Mccoy and one other in reserve... Chamberlain is enthusiastic over his new team at Charlottetown, has gathered together the kind of club he likes peopled with aggressive players imbued with the spirit of the Squire of Saint Sebastian.

Bois of film developed and printed and sent out on the same day. Prints double also at an extra cost. Any 8 exposure roll 35c. Reprints 4c each or 10 for 35c. Mail Film Service, P.O. Box 204, Charlottetown.

## N. Y. Yankees Sweep Into First Place In A. L. Pennant Race

WASHINGTON, Sept. 11—(AP)—New York Yankees swept into first place in the seething American League pennant battle today by capturing a doubleheader from Washington Senators 5-1 and 6-2 behind the nifty pitching of left-handers Ed Ford and Ed Lopat.

The victories gave the world champions a half-game edge over the idle Detroit Tigers. Boston's third-place Red Sox also didn't play.

Ford, the unbeaten 21-year-old rookie, hurled a three-hitter for his sixth straight victory in the opener. Lopat relieved starter Tommy Byrne in the fifth of the second game and blanked the Nats the rest of the way. It was his 16th triumph.

As a result of today's action only games played in the majors, here's the way the league scramble shapes up:

Team

New York	86	49	.637	—
Detroit	85	49	.634	1/2
Boston	85	51	.625	1 1/2

Jackie Jensen paced New York's 10-1 hit attack in the opener against the loser Al Sima and Con Marrero. He clubbed three safeties, including his first big-league homer.

After spotting Washington a 1-0 lead in the first inning, the Yanks scored twice in the fourth to give Ford all the margin he needed.

In the second game, Lopat gave only two hits in 4 2-3 innings. A three-run blast of Sandolo Consuegra in the second inning was all the advantage New York needed.

DiMaggio ignited the rally with a double. Billy Johnson singled the Yankee Clipper across. After Jerry Coleman smacked another one-baser, Byrne doubled, scoring both runners.

## Horseshoe Club

The finals in the Brighton Horseshoe Club's Island doubles tournament will be held tonight at the club's beds when George Schyler and Len Phillips meet Allen and Coker in the best four out of seven games to decide the winner.

## Baseball Game Is Ordered Replayed

The game in the final series of the Prince County Baseball League played at Wellington Sunday between Miminigash and Wellington and won by Miminigash by the score of 6 to 1 was protested by the Wellington Dodgers on the grounds that a runner was allowed to score from third base after another runner had been hit by a batted ball, causing the ball to be dead and not in play.

President Jim Hogan appointed a three-man committee to review the protest and this group has upheld Wellington's protest, declaring that according to the official rules book the runner should not have scored. President Hogan has announced that he will order the game replayed.

## Seeks Maritime Baseball Series

GLACE BAY, N. S., Sept. 11—(CP)—President Joe MacIntosh of Glace Bay Miners, champions of the Cape Breton Senior Baseball League, said tonight his club is trying to arrange a series with the New Brunswick winners for the Maritime crown.

This would mean that Miners and the winners of the Halifax and District Senior Baseball League, only other senior loop in the Province, would not meet to declare a Provincial winner. Miners would probably claim the title by default as they were told by the Nova Scotia Amateur Baseball Association to complete their finals by Sept. 11. The H. D. League finals are still in progress.

## Navy Plans Relief For Canada's Three Warships In Korea

OTTAWA, Sept. 11—(CP)—The navy is planning relief for Canada's three fighting warships in Korea.

By next April, it said in a statement today, it hopes to have the destroyers Sioux, Albatross and Cayuga returned to their west-coast base at Esquimalt, B. C., and other east-coast units dispatched to replace them.

Already selected for replacement purposes are the Nootka and the Huron, stationed on the Atlantic seaboard. A third destroyer will be replaced within the next few months.

Meanwhile, if the war continues that long, Canada's 800 seamen in the Korean theatre will be spending Christmas in that area. They left their west-coast base July 30 and have been in action since July 30.

Attached to a United Nations fleet operating off the Korean west coast, they have undertaken a variety of operations, from convoy duty to shelling of enemy installations.

The navy said it intends to bring these warships and men back to Canada to refit the ships and give the ships' companies a chance to get some leave and prepare for promotional courses.

It gave no indication just when it expects to dispatch the relieving ships, except that it will be done at least by next April. However, an official said he believed the relieving operation may be completed before that date — but not before the New Year.

NEW YORK, Sept. 11—(AP)—Joe Louis and Ezzard Charles today signed "the papers" for their world heavyweight title fight Sept. 17 at Yankee Stadium.

BOSTON, Sept. 11—(AP)—Centra Paul Ronny and Ed Sandford today signed their 1950 contracts with Boston Bruins of the National Hockey League.

# Abbies Eliminated From Playoffs In 7-3 Defeat By C. And B.

The Charlottetown Abbies bowed out of the Island Baseball League playoff picture last night in a regular league encounter when they were defeated by the Curran and Briggs baseball team from Summerside by a score of 7-3.

Joe Bernard on the mound for the construction crew pitched a masterful game of ball against the locals giving up but five hits among which were two triples by Glen Matheson, Abbie centrefielder. Charlie Ryan, on the other hand pitched a three-hit ball game against the hard hitting crew from the western capital but a five-run outburst in the top of the sixth spelled defeat for the Abbies. In the inning Ryan gave up but one hit. He hit two others during the frame and errors on the part of his teammates caved the roof in on the locals.

The Abbies went to a one-nothing lead in the bottom half of the second inning when Matheson first batter up poked out a Boston hard pitch into right field that was good enough for three easy bases. He scored minutes later when Bernard uncorked a wild pitch. Bill Allen, lead off batter for the C. and B. team in the third, took hold of one of Ryan's pitches and knocked it into deep left for a round tripper to tie the game up at one-run apiece.

In the next inning Timmins walked to start things and scored two outs later when Mitchell blasted a double. In the weird sixth nine batters went to the plate for the C. and B. team and five runners crossed the plate. The Abbies made a courageous but useless uprising in the last half of the sixth which netted them two runs. Hennessey singled with one out and Ryan followed suit. MacNeill forced Ryan at third on the play. Matheson then smashed a long triple into centre field to drive across Hennessey and MacNeill with his team's last two runs.

## Bill Goodman Holds Lead In A. L. Batting Race

CHICAGO, Sept. 11—(AP)—Boston's Bill Goodman still held a substantial lead in the American League batting race today with .361, but the surprise of last week was a 22-point surge by Detroit's Hoot Evers.

Evers, who collected 20 hits in 29 A.B.'s climbed from .318 to a third-spot .340 during the week. Goodman's five hits in 21 trips dropped him seven points from .368 last week, but he still was 16 points ahead of runner-up George Kell of Detroit, who slackened two points to .345.

New York's Hank Bauer took over fourth place with .336. Cleveland's Larry Doby slipped to fifth with .334. Other leaders through Sunday's games included Dom DiMaggio, Boston, .333; Wal Drope and Al Zarilla, both of Boston, .331 each; Phil Rizzuto, New York, .327; and Paul Lehner, Philadelphia, .319.

Kell was a double leader in the specialized departments with 193 hits and 49 doubles. Three of Evers' 20 blows were triples, giving him the lead in that department with 11. Cleveland's Al Rosen continued as the home-run leader with 34 while Drope banged across nine more runs to grab undisputed R.B.I. leadership with 139.

Another doubleleader was Boston's DiMaggio with 123 runs and 15 stolen bases.

Detroit's Dizzy Trout polished another victory to stay ahead at the best percentage pitcher with .750 on a 12-4 record. Bob Lemon of Cleveland continued as the strike-out leader with 146.

DETROIT, Sept. 11—(AP)—Forest B. Eter, 62, manager of the Detroit office of the New York Times since 1922, died today.
