CANADIAN GYPSUM SHEETROCK

Consider the many advantages of sheetrock on your wall or ceiling. First, the large 4 x 8' sheets are easily installed and cut labour costs. Secondly the exclusive tapered edges are easily filled to give a smooth continuously surface. Then there are advantages such as fire protection from the basic material, gypsum and the durable paper cover which is easily adopted to any decorative treatment. Added to the low initial purchase price, these advantages make sheetrock a must in your building job.
