

Rochon, Godbout Are Really Upset

TORONTO (CP)—As Canada's Davis Cup team left here Monday for New York, two angry tennis players complained bitterly that they should have been selected for the squad that will play Cuba in the first round of the contest.

Neither Francois Godbout, 20-year-old Sherbrooke, Que., university student, or Henri Rochon, 34, a Montreal insurance salesman, were picked for the competition at the Toronto Cricket, Skating and Curling Club, July 5-5.

The team, announced Saturday, consists of Canadian champion Bob Bedard, 26, of Sherbrooke; Don Fontana, 27, of Toronto, and Paul Willey, 27, of Vancouver. Lorne Main, 27, the captain, can decide if he wants to play.

The row that has broken out over the selections — made in Montreal by the Davis Cup selection committee — centres around Willey, former Canadian junior champion. He was knocked out of a tournament here last week, billed as the "Davis Cup trials," in the first round by Godbout.

"The selection committee is very short-sighted," said Godbout. "I wonder why they picked Willey over me. It baffles me. I beat him and they don't give me a chance. They gave lots of reasons for not picking me in their statement, but nothing to say why they picked Willey.

"They certainly aren't helping out the younger players by picking the same old team.

Rochon was just as disturbed when told about the selections. "I can't believe it," was his startled reply.

"I was told a week before this tournament started that it was going to be trials for the Davis Cup team. But it certainly doesn't look like it. I was also told that if I wanted to get on the team I would have to beat Willey.

"I didn't play Paul but Francois beat him and I beat Francois. That's just as good, isn't it?"

The team will train at Forest Hills under top U.S. coaches until next Sunday.

Peakes Blasts Georgetown 13-1

Rollie Jenkins, pitching his first game for Peakes, hurled the first no-hitter of the Kings County League to down Georgetown 13-1, in a regular league game Sunday at Peakes.

Jenkins, with the league for the past several years, struck out 8 and walked one. The winners committed only three errors.

Georgetown had A. McPhee doing the pitching chores and he allowed eight hits but several unlucky breaks for the Georgetown squad helped a lot to make this such a lop-sided score.

E. Smith, playing his first season at shortstop for Peakes, was one of the outstanding players of the game.

George Kelly was top batter for the winners, getting two hits in five times at bat, including a homer in the seventh.

Pontiacs Upset Legionaires 12-8

The Summerside Pontiacs gained undisputed possession of first place in the Prince County Softball League last evening at Queen Elizabeth Park by defeating their arch rivals, the Legionaires, by the score of 12-8.

The pitching aces of both clubs, Charlie Ballem and Bill Stull, were thrown into this important

game, and both were hit fairly hard, Legion getting 10 hits off Ballem, and Pontiacs clouting out 11 safe bingles off Stull. The MacLennan Ltd. team were steady afield, however chalking up only three errors to seven miscues for the Legion. Ballem was wilder than Stull walking 7 batters to the Legion finger's 2.

Reg Phillips, the league's leading batter, kept on his merry way by poing out two singles and triple in four trips. Grant Grady and Pete Green each hit a circuit clout. Grady hit 2 for 3 and Green 2 for 4. Ulric Gallant also had two bingles in four appearances. Bill Stull led the losers with the stick, getting two singles and a double in 5 trips. Des Callaghan, Henry Gallant, and Enright Doucette all hit 2 for 4.

Catcher Ulric Gallant's swift peg to second to cut down Henry Gallant's attempt to steal in the second inning was the best defensive play of the game, and Henry himself contributed a fine running catch in left field in the third frame. Elmer Phillips officiated behind the plate and Gord Sullivan and Frank Savdiant looked after the bases.

Little Leagues Get Underway

All Little Leaguers are requested to report to Memorial Field this afternoon at 4 p.m. The parents and boys are reminded to return their registration forms properly filled out. For the information of parents, the league is divided into two groups, the Minor League and the Little League. The Minor League is for the youngsters who are just beginning the game, and are being acquainted with the fundamentals. The Little League is somewhat more advanced and this group is taught the more advanced rules of the game. All of the boys who turn out will be given every opportunity to play.

It is hoped that there will be three experienced men to conduct games for the boys every Monday, Monday through Friday, throughout the season. There will also be two evenings a week set aside for the Little League to give the parents an opportunity to see the boys in action.

GIRLS BIDDY LEAGUE
Any group that has a softball team they wish to enter in the girls' "Biddy" League are requested to contact Jack Ready. At present there are three teams definitely interested in swinging into action this week. It is hoped to have at least three more teams to give the girls plenty of competition.

JUNIOR AND SENIOR MEETING
There will be a meeting of all Junior and Senior baseball players this evening at 7 p.m. at the Armouries.

Shamrocks, Lions Are Winners

B. I. S. Shamrocks and Barry's Lions were winners in last evening's City Softball league encounters, Shamrocks edging Rollaway Aces 6-4, and Barry's Lions walloping Junior Basilica Youth Club 10-3. The Aces are still holding the league lead with eighteen points with Barry's Lions and Junior B. Y. C. tied for runner up spot with sixteen points.

The Shamrocks behind the six hit pitching of Keith Dalziel, took their second win in 13 starts. In registering this victory Dalziel gave up 3 walks and struck out two. He was given fine support by his teammates, especially "Cuker" Pineau and Lennie Baglole.

Wif Shepherd, Aces hurler, was touched for 8 hits. He walked four and struck out two. Ralph Pineau relieved him in the top of the seventh.

Shepherd shared batting honors with the opposing pitcher, Dalziel, both hitting two for three. Joe Revell and Ian MacLaine contributed doubles for the Shamrocks cause.

"Cuker" Pineau hammered out a long homer in the top of the sixth, for his second hit of the night, with Dalziel on base, to put the game on ice.

Umpire was Lennie Arsenault and on bases were Red MacFadyen and Frank Bell.

Lorne Israel hurled for the Lions in the other game, giving up only 3 hits and two walks. Israel had to leave the game in the sixth inning and Art Ballem relieved him but Ballem gave up no hits.

The winners got 12 hits off O'Brien of the Aces. He also walked four men.

Duke McCallum was top batter for the Lions, hitting a homer and two doubles in four times at bat. Sammy Gregory got three hits in four times at bat. Billy Hughes hit a triple and a single for the losers.

Alvin Dark Is Hottest Batter In Major League

NEW YORK (AP)—One month and three days ago St. Louis Cardinals traded 35-year-old Alvin Dark to Chicago Cubs for pitcher Jim Brosnan.

Today, Dark is the major leagues' hottest batsman.

While Stan Musial, his former teammate, is in the throes of a .135 batting slump over the last 16 games, Dark has rushed into third place in the National League with 20 hits in his last 31 trips, lifting his average from .293 to .349.

Musial was hitting a sizzling .437 on June 4. Since then he's collected only seven hits in 52 times at bat and his mark has dipped to .360. Stan is still in the runnerup position behind San Francisco's Willie Mays.

Mays, in hospital for 48 hours last week, collected three hits Sunday and continues to lead the league with .380.

George Crowe, Cincinnati's first baseman, climbed 20 points to .340. In last week's games, Crowe had 10 safe blows in 18 at bats.

In the American League, 40-year-old Mickey Vernon is heading the pack with a .352 mark. The two-time American League batting king dropped 13 points with 4-for-16. But none of his closest competitors were able to pick up ground.

However, Vernon's times-at-bat pace will not enable him to finish with the 477 total appearances necessary for consideration for the batting championship. He has 142 official at bats now.

Nellie Fox of Chicago White Sox is in second place with .336. He gained one point in last week's action.

Preston Ward of Kansas City remained third although he fell nine points to .329. Harvey Kuenn

NEW FANS FOR INDIANS

SPORTS FRONT

By PIUS CALLAGHAN

This year's edition of the City Softball League is providing some great competition and there promises to be plenty more before a champion is crowned in late August.

Rollaway Aces and Junior Basilica Youth Club at present are having a really bitter battle for the league lead, with Barry's Lions and Summerside Air Force just within striking distance.

However the Shamrocks are trailing far behind and unless they go on an extended winning streak, they will be the team to watch the playoffs from the sidelines. The Irish started off the real champions blanking the Juniors 5-0 in the league opener. After that they proceeded to drop 11 straight games. Just that happened to the team, no one rightly knows. But one thing is certain, they are not that much outclassed by the rest of the league.

Perhaps the managerial change they made recently will have some results. The Irish may prove to be just like the Detroit Tigers and start rolling, especially against the top brass. For the good of the league, a better thing couldn't happen. A few more losses by the Shamrocks and they will lose all their desire to win.

So here's hoping the Irishmen really get good and sore. Yes, sore enough that they'll yet make it an interesting race from here till playoff time.

They have a big mountain to climb but it's not so big that it can't be done.

You didn't have to be a St. Louis Cardinal fan in order to be mightily delighted about old Sal Maglie's performance against the world champion Milwaukee Braves Sunday afternoon.

The Barber, maddened because he was replaced by another old man on the Yankee pitching staff, Virgil Trucks, had real determination when he strode to the hill at County Stadium, Milwaukee. Old Sal used all the cunning he had stored up over the years and held the Braves to five hits and one run in the even innings he worked. Fred Hutchinson, seeing that Sal was giving, took no chances. He hit for Maglie in the eighth and had Larry Jackson come in to finish the job that Sal had started and Larry wasn't letting Maglie's victory slip away. Jackson didn't allow a Brave runner to reach base and Cardinals had the triumph 2-1.

It was the second consecutive 2-1 victory for Fred Hutchinson's boys over Fred Haney's Milwaukee outfit.

These are the good ones to win and they'll probably loom large as life in the late days of September.

Hutchinson may look plenty good yet as a result of his acquiring the Barber. He may do plenty of shoving for the Red Birds from here on—and it just could be the big difference.

We'll see.

Dodgers' Buzzy Bavasi claims that the televising of baseball games is getting out of hand.

The general manager of the Los Angeles team was referring to the flood of ball games that being channeled into New York from Philadelphia, Pittsburgh and St. Louis now that the Polo Grounds and Ebbets Field have no baseball tenants.

Buzzy claims he's not against the televising of a limited number of games but he insists the whole thing has gone much too far. He insists the televising of games back east has become nothing more than a bear war.

As far as the Los Angeles team is concerned, 11 games that the Dodgers play with the Giants in San Francisco are televised but none of the Los Angeles home games have or will be televised.

This column is in receipt of a letter from Sandy Burns, coach of Mt. Carmel junior baseball team in New Waterford, Cape Breton.

Sandy wants to know if any junior club in this province would be interested in playing some exhibitions games with his boys. He admits his lads are a strong club and the facts surely bear this out. They've won every game they played this season in the Cape Breton junior circuit and also handed the New Waterford seniors a 10-0 shellacking.

Well right now junior ball prospects are not the brightest but if anyone is interested in arranging games with the New Waterford juniors they should contact Sandy Burns at once.

Ever hear of a pitcher walking a batter to get at Babe Ruth? Well it happened once and a fellow named Fred Haney was the guy who drew the intentional pass. And Fred believes it's a record that no one else can claim.

It was an exhibition game at Flint, Michigan about twenty-five years ago. It was two out in the top of the ninth and the people wanted to see the mighty Ruth come to bat once more.

And to make sure the folks got their wish the pitcher was instructed to put Haney on base and then pitch to Mr. Ruth.

Frank Lane is discouraging every good baseball prospect from signing with the New York Yankees. Lane's line of reasoning runs this way:

"A kid has to be crazy to go with the Yankees—that's what we tell them. It's true. How can a first baseman sign a Yankee contract when he knows George Weiss has 17 of them lying around. He'll be ancient before he hits Yankee Stadium. We're selling every prospect we can find. There's only one place to play baseball and that's in the majors. You'll never make it with the Yanks. You have a chance with us."

We don't doubt that Lane's motives are purely selfish but we are inclined to agree that he has pretty well spoken the truth.

Anybody who had the idea that H. R. Bevan's Sir Joseph was not going to be much of a contender this year had better get that notion right out of their head.

Last Saturday Sir Joseph stepped the final mile of the night in 2:10:3, mighty good time for so early in the season and the 10-year old gelding did it after looking not too sensational in the first trip out.

This is the third time the Bevan free-for-all has done the same act this season. Each time he has raced he has come back after the hettors' poor first dashes to grab the final mile. And each time the bettors had thought that he couldn't do it.

Last Saturday only Sir Joseph's race was behind Sir Joseph in the first trip of the Feature event but next trip it was Sir Joe in a thrilling finish with Betty French. To show how lightly the bettors regarded the Bevan-owned horse, a win ticket was worth \$3.70.

The bettors will hardly let the same thing happen again.

One of 400 Cleveland diocese nuns who attended last Thursday's 9-3 New York Yankee victory over the Cleveland Indians is shown here reaching for a foul ball off the bat of Billy Hunter, Cleveland shortstop, in the 3rd inning. A ball boy picked it up and gave it to her. This was the first time nuns here had permission to attend a game as a group. One nun, a Yankee fan, was made to sit three rows back of the others. The Yanks heard of this and presented her an autographed baseball.

Cecil Dowling Takes Lead In N.S. Tourney
KENTVILLE, N.S. (CP)—Charlottetown's Cecil Dowling took a two-stroke lead in the Nova Scotia Open Golf Championships here Monday after 27 holes.

Dowling, Maritime and New Brunswick-Prince Edward Island Open champ, fired a 110 in the first rounds of the 72-hole championship, five over par. Jim Walker and Boyd Lockhart, both of the host Kentville club, came home with 112s. Pete Kelly of Bathurst, N.B., had a 113.

The big surprise of the day was the withdrawal of the defending champion John Smith, Chester pro, who fired a 125 for the 27 holes.

Another 27 holes is slated for today with the final 18 Wednesday.

Race Results In Maritimes
HALIFAX (CP)—Convair, one of the speediest steeds on Maritime tracks, captured both ends of a \$1,000 free-for-all in a Saturday night harness racing card at nearby Sackville Downs, and both times he breezed under the wire below 2:10.

The horse, owned by Harry Hirsch of Sydney, won the first heat in 2:09 4-5 and beat out Raven Abbe in a photo-finish in the second with the same time. Raven Abbe is owned by H. R. Bevan, Charlottetown.

Other winners were Tenniswood of Moncton, Governor Bay, Janeville, Hoosier Connie, Cardinal's Echo, and Lucky bet.

MONCTON (CP)—Walter Rosecroft, owned by the Bud McCombs stables of Newcastle, ran the season's fastest mile here Saturday night.

A double dash winner, Rosecraft had times of 2:09 4-5 and 2:10.

Cottage Frank, owned by George Bourgeois of Memramcook, sliced 4-5 seconds off his record to take a new mark of 2:14 in the third dash.

Other winners were Kalmuck in the first and fourth, Frankie Budlong, Laheys Boy and Jester Jane.

Laheys Boy produced the highest payoff of the evening, returning \$56.20.

SPORT ECHOES

BY NORMAN MACDONALD

Cape Traverse and Tyne Valley, the two outpost entries in the Prince County Softball League acted the dual roles of Lions and lambs alternately last week. Tyne Valley won a squeaker from MacLennan's Pontiacs 10-9, and Cape Traverse lambasted the Legion 15-4 but the worms turned when the rural boys traded partners. Legion squelched Tyne Valley 10-1, and Pontiacs romped over Cape Traverse 18-4.

Bill Stull, taking his first shellacking of the season from Cape Traverse was master again when he faced Tyne Valley in their own ballpark. He didn't strike out as many as usual, but the TV boys hitting pop flies with disgusting (at least, to Tyne Valley fans), regularity. The Tyne Valley batters popped up so often you'd swear they were kleenex. Harold Leard, a tough enough pitcher when he is right, was very, very wrong against the Legion. He was throwing in the general direction of catches Cutcliffe, but his shots were missing the target far too often. 10 Legion batters took their time going down to first. George Chappell's boys sandwiched in enough base hits to account for the big score.

We watched a game between the R.C.A.F. and the Shamrocks

of Charlottetown on Saturday afternoon. We weren't close enough to the plate to judge the pitching, and if you can't assess the quality of flinging, naturally you can't get much idea about the hitting. There are boys who can break all records for distance against pop: pitching, but when they face the deluxe product, all they break is their wrists. The fielding was just so-so, we thought, but, of course, it could have been an off day for the clubs. Our fielding in the PCSL is pretty good. There are a few boys who would rather do it pretty than make sure. Those one hand stabs look spectacular when they click, but what if they miss and the fielder can't have done a better job with both hands? Somebody should sing to those softball toreros, Eydie Gorme's latest song hit.

The last Sunday in July is the deadline for registration of Island softball teams for Maritime playdowns. It will cost \$25.00 for Island teams to register for this competition, regardless of how many teams there are. The more teams that register, the smaller the financial burden on each individual team. Island clubs wishing to register should therefore get together before sending their lists in.
