

which herewith I have the honor to enclose. I am further to state, that no grant appears on record for the Common Lots Numbers 25 and 33.

I have the honor to be, Sir, your obedient servant, GEORGE COLES, Colonial Secretary.

BENJAMIN DAVIES, Esquire, Chairman of Committee of the City Council, City of Charlottetown.

EXTRACTS FROM MINUTES OF EXECUTIVE COUNCIL. Council Chamber, 26th February, 1789.

PRESENT:—His Excellency the Lieutenant Governor, Mr. Patterson, the Hon. Captain Burns, Mr. Townshend, Captain Gray, the Hon. Mr. Alpin.

The Governor having acquainted the Board that it had been frequently represented to him, by many of the principal inhabitants of Charlottetown and the Island at large, that it would be attended with very beneficial and salutary public purposes, if the tract of ground in the Royalty heretofore appropriated as a Common, should be laid out into Pasture Lots, and grants given of the same, under certain limitations and restrictions, it being now useless in its present waste and unutilized state, and even considered as a nuisance and obstruction to the settlement of the Town. And the Lieutenant Governor further observed, that it appeared to him highly important to the King's service, and the convenience and advantage of His Majesty's future Governor, Lieutenant Governor or Commander-in-Chief, of this Island, for the time being, that a certain portion of the said Common should be appropriated, and a grant thereof made, under the Great Seal of the Colony, for the use and accommodation of His Majesty's Governor, Lieutenant Governor or Commander-in-Chief, for the time being, there not having been any reservation of any land heretofore made, for the erecting of a Government House, for the habitation and residence of His Majesty's Governor. He informed the Board, that he should call for their opinion on the subject at their next meeting, and requested that they would take the same into consideration. The Lieutenant Governor further proposed, that Captain Gray, a Member of the Board, and acting Surveyor General of the Island, should, against the next meeting, prepare a plan of the said Common, laid out into Lots and reservations, as nearly as may be agreeable to what had hitherto been suggested in the Minutes of this day, that the same might be adopted, as the division to be made, if approved of at the next meeting.

Council Chamber, 2nd March, 1789.

PRESENT:—His Excellency the Lieutenant Governor, the Hon. Colonel Desbrisay, &c., Mr. Patterson, Captain Burns, Mr. Townshend, Captain Gray, Mr. Alpin.

Agreeable to what the Lieutenant Governor suggested at the last meeting, respecting the appropriating that part of the Royalty of Charlottetown heretofore considered as a Common, into Pasture Lots, and a reservation to the Governor for the time being, he then requested the opinion of the Board whether the measures appeared to them eligible or not, and whether an equal portion of the Royalty heretofore reserved for Pasture Lots, beginning at the Three Mile Tree, on the Princetown Road, and extending along said Road on both sides, equally as near a square as may be for complement, should not be laid out and reserved as a Common, instead of that part of the Royalty heretofore considered as such.

The Board were unanimously of opinion that the measure was eligible, and that the reserving the like quantity of acres for a Common as above mentioned on the Princetown Road, was both expedient and proper. It was therefore unanimously ordered, that the same should take effect, and be carried into execution accordingly.

The Surveyor General then reported to the Board, that he had made a rough plan of the Common, but that upon measuring a small portion of the ground, he was apprehensive it might not be correct, therefore he proposed referring the same to the next meeting of the Board, when the necessary measurements would be made, in order to make a correct plot of the same, which was agreed to accordingly.

Council Chamber, 12th March, 1789.

PRESENT:—His Excellency the Lieutenant Governor, Colonel Desbrisay, the Hon. Mr. Patterson, Captain Burns, Mr. Townshend, Captain Gray, Mr. Alpin.

The Surveyor General then reported to the Board, that he had made a correct plan agreeable to what he had proposed at the last meeting, which he laid before the Board, and the Board having inspected the same, fully approved thereof, and ordered it to be kept as a lasting evidence of the plan of the distribution of the tract of land, of which it was the plot, and the divisions of the ground to be bounded accordingly.

Mrs. H. B. Douglas acknowledges the receipt of a grant of books and tracts, to the amount of 5,000 pages, from the American Tract Society, 150 Nassau Street, New York.
