There were a variety of splendid dahlias, some imported, and others grown from the seed. We observed a camelia, belonging to Mrs. W. B. Dawson, the first of the kind, it was not in bloom or it would have carried the prize.

On the whole, the labors of the Lady Committee have been crowned with the success they merited.

On Thursday the 2d October, the new Presbyterian Church at New Langholm, Cascumpec, took fire about 12 o'clock, the Carpenters and other workmen being on the spot at the time, but so rapid was the conflagration, that not even the Bible, which was placed in the pulpit for Divine Service on the following Sunday, could be saved. As there was no insurance effected, and having cost £400 or £500, it is a severe loss to the Settlement, besides the disappointment. Mr. Henderson, the contractor, is a severe loser, having lost all his tools in the Building.

The speeches delivered at the opening of the Normal School, will appear in our next issue.

It affords us undisguised pleasure to give publicity to the fact, that the Newton University of Baltimore, has done itself the high honor of conferring upon our distinguished citizen, the Honorable Charles Young, Judge of Probate and Surrogate Courts, the degree of Doctor of Laws. We trust that the Honorable Dr. Young may long live to wear and adorn the honors he has so indefatigably earned and so justly merits.—*Examiner.*

A MARVELLOUS REMEDY!
FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to any organ or inward part. Diseases of the Kidneys, disorders of the Liver, affections of the Heart, Inflamation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows, that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of the skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting the principal hospitals, dispersing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS & ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has dispatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints, even of 20 years' standing.

PILES AND FISULAS.

These and other similar distressing complaints can be effectually cured, if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs	Cancers	Sore-throats
Bad Breasts	Contracted and Stiff Joints	Skindiseases
Burns	Elephantiasis	Scurvy
Bunions	Fistulas	Sore-heads
Bite of Mosquitoes and Sand Flies	Gout	Sore-nipples
Coco-bay	Glandular swellings	Corns
Chiego-foot	Lumbago	Tumours
Chilblains	Piles	Ulcers
Chapped hands	Rheumatism	Wounds
	Scalds	Yaws.
