NEW YEAR'S DAY was very generally observed here as a holiday. The day was mild, and a large concourse of people had assembled in the Town. Some sought pleasure in a sleigh drive, a few in displaying their pugilistic powers; but the great centre of attraction was the Tea Meeting in the Drill Shed, where all the good things of this life were bountifully dealt out.

Some lines of poetry sent us will receive attention next week.

James Greenough, Esq., will please receive our thanks for the late American and Canadian papers sent us.

We have received the first number of the *Royal Gazette* from the office of Edward Rielly, Esq. It is the same size as the one recently published by his predecessor.

HARVIE'S CALENDAR for 1868 has been received by us. It is very carefully arranged, and contains a very large amount of general and useful information, besides a list of the Courts, Justices of the Peace, &c.; a table for oats, as also one for reducing dollars into pounds, shillings and pence, is to be found among its pages. This of itself is well worth the price of it, and no farmer or merchant should be without it. It is for sale at our Book Store.

Summerside Debating Society.

The subject of debate on Monday evening last—"Would an Act of Incorporation be beneficial to Summerside,"—was opened by D. Rogers, Esq. After the question was discussed and a vote taken, it was decided in the affirmative. Subject for next Monday evening will be—"Should P. E. Island be made a Free Port." To be opened by the President, Finlay McNeill, Esq. An interesting discussion may be expected.

The Steamer *Panther* from Baltimore, bound to St. John's Newfoundland, is ashore at Prospect. It is feared she cannot be got off. During the heavy weather yesterday she was obliged to throw 300 barrels of flour overboard. A schooner is also ashore at the Eastern Passage. We could not ascertain her name.—*Ilx. Express.*

The Christmas market was the largest we have ever witnessed in Charlottetown. The spacious new Market Hall was literally crowded with people, and the supply of geese, ducks, turkeys, &c., was so abundant that a considerable quantity of it remained unsold. The Beef, especially Blake's was excellent.—*Pat.*

We understand that the Revenue for the financial year, ending the 1st January next, will not fall far, if any, short of £80,000. This includes the receipts from Public Lands which are, of course, several thousands less than they were last year.—*Pat.*

We learn that Souris Harbor is quite clear and free from ice, and that there were two or three schooners loading there this week with produce, for Halifax.—*Ib*

A STARTLING TRUTH!—Hundreds die annually, from neglected coughs and colds, when by the use of a single bottle of Dr. Wistar's Balsam of Wild Cherry their lives could be preserved to a green old age.

Fifty young Catholic Highlanders, commanded by Major Gordon, formerly of a Highland regiment, joined the Papal army in November. His Holiness could have no better soldiers to defend him.—*Halifax Paper.*

A correspondent says an enormous rat was killed on Lot 24, 2nd concession, Delaware, last Monday. It measured 23 inches from the point of the nose to the tip of the tale, and its weight was nearly four pounds.—*Exchange.*

When the Marquis of Bute attains his majority next year he will come into a rent roll of one hundred and fifty thousand pounds sterling a year, together with the nice little sum of one million pounds in ready money.

It is stated, in connection with the recent execution of Fenians at Manchester, that the Sovereign of England no longer signs death warrants or exercises the pardoning power. The Queen has no more to do with the matter than the humblest of her subjects—not so much, for they can sign a petition for pardon.

Fourteen girls arrived in this City on Wednesday from Margaret's Bay, in search of situations, driven from their homes by the prospect of starvation. Parties in need of domestic servants will now have no difficulty in supplying themselves.—*Ilx. Express.*

The New York Tribune proposes that when Russia has been paid the stipulated $7,200,000 for Walrussia, it shall be solicited to take the country back again as a free gift, and thus saved the United States a million dollars a year for taking care of it.

A Washington correspondent of the Philadelphia *Express* says:—"Business dull; the labor demands declining; taxes enormous; prices of living very high, and all mechanics, laboring men, and persons of moderate income have hard work to live."

A contract with the Cunard Company for the conveyance of mails between Halifax, Bermuda and St Thomas, at the cost of £19,500 per annum for ten years, with power to terminate the contract within five years, was approved in the House of Commons, England, on the 3d inst.

Mrs. A. Allen's Worlds Hair Restorer and Zylobalsalum or Worlds Hair Dressing are unequalled, and so acknowledged by all who use them for restoring, invigorating andressing the hair, rendering it soft, silky and glossy, and disposing it to remain in any desid red position; quickly cleansing the scalp, arresting the fall and imparting a healthy and natural color to the hair. They never fail to restore grey hair to its original youthful color. They act directly upon the roots of the hair giving the natural nourishment required. No lady's toilet is complete without the Zylobalsamum or hair dressing. It cleanses the hair and imparts to it a most delightful fragrance, and is suited to both young and old.

The Restorer Reproduces. The Hair Dressing cultivates and beautifies.

If your hair is thin try it, if scurfy try it, if harsh try it, if lustreless try it, if none of these try it, for all who use it will preserve their hair through life. For sale by all Druggists.

Wistar's Balsam of Wild Cherry.

Coughs, Colds, Bronchitis, Asthma, Croup, Whooping Cough, Quincy, and the numerous as well as dangerous diseases of the Throat, Chest and lungs, prevail in our changeable climate at all seasons of the year; few are fortunate enough to escape their baneful influence. How important it is then to have at hand a certain antidote to all these complaint. Experience proves that this exists in Wistar's Balsam to an extent not found in any other remedy; however severe the suffering, the application of this soothing, healing and wonderful Balsam at once vanquishes the disease and restores the sufferer to wonted health,

MR. JOHN BUNTO,
OF BALDWIN, CHEMUNG CO., N. Y.—writes:

"I was urged by a neighbor to get one bottle of the Balsam for my wife, being assured by him that in case it did not produce good effects, he would pay for the bottle himself. On the strength of such practical evidence of its merits, I procured a bottle. My wife at this time was so low with what the Physicians termed Seated Consumption as to be unable to raise herself from the bed, coughing constantly and raising more or less blood. I commenced giving the Balsam as directed, and was so much pleased with its operation that I obtained another bottle, and continued giving it. Before this bottle was entirely used, she ceased coughing and was strong enough to sit up. The fifth bottle entirely restored her to health, doing that which several physicians had tried to do but had failed."
