Holloway's Pills correct bile, prevent flatulency, cleanse the liver, purify the system, strengthen the stomach, increase the appetite, invigorate the nerves, promote health and renew the lease of life. The daily sale of these invaluable Pills in all parts of the globe is perfectly astonishing. They are eagerly purchased by millions of people who have heard of their extraordinary virtues, and are desirous to give them a trial. That trial never ends in disappointment. They are composed of rare balsams, "unmixed with baser matter." Printed directions for their use accompany every box.

MY LORD,—I think it right to apprize your Lordship that I receive communications which lead to the conclusion that more positive assurances from Canada than have yet been given to the Maritime Provinces on the subject of the readiness of Canada to ensure the prompt completion of the Inter-Colonial Railway, in the event of Confederation being adopted, would be very satisfactory to the friends of the measure in those Provinces, and encourage their efforts to recommend the scheme of Confederation to those of their countrymen by whom it has not hitherto been supported.

SIR,—Referring to your despatch No. 120, of July 22nd, I have the honor to transmit a copy of an approved Minute of the Executive Council of this Province, on the subject to which your despatch refers.

I may add the expression of my personal conviction that there exists amongst the Ministers and Members of the Legislature of this Province, not only the determination to construct the Inter-colonial Railway so soon as the Union of the British North American Provinces shall have taken place, but the strongest desire for the early completion of that most important work.

I have, &c.,

The Committee of Council have had under consideration the despatch No. 120 of Her Majesty's Secretary of State for the Colonies, dated 22nd July, 1865, suggesting the propriety of some more positive assurance being given by the Government of Canada to the Maritime Provinces on the subject of the readiness of Canada to ensure the prompt
