Ski lift

You planned this snow weekend with your friends ages ago. And nothing could make you change your plans.

Too bad your period couldn't have happened some other weekend. But you're not worried. You brought along Tampax tampons.

You won't have to give up one precious moment in that deep powder. You feel confident protected by Tampax tampons. They're softly compressed for the best possible absorbency. Worn internally, so Tampax tampons are comfortable and discreet. They give you protection you can depend on, whether on skis or toboggan.

Friends are waiting for you on the slopes. You won't have to disappoint them when you have Tampax tampons tucked discreetly into the pocket of your parka.

As is apparent, the Yearbook staff will receive more than in previous years. It entails a great deal of work and when the responsibility for the yearbook lies with only one person, the situation arises as it did with only one person, the situation arises as it did this past year with the late completion of the Yearbook and therefore, late arrival from the printer.

Honoraria for the Social Committee and Film Club were

set up in this manner to ensure that the chairman and members of a committee receive recognition. These moneys will be distributed as recommended by the club chairman and Personnel Board. For example, a committee may decide to have two large parties or they could decide to split up the money.

A special honoraria has been set up for the granting of honorariums to those people who contribute in an all-over sense.
