 Two Pasture Lots,  
 on which there have been recently erected a Building 40 x 25 feet, used as a Distillery, and a good Dwelling House, 30 x 26 feet. This Mill Site being one of the best in the Island—for a Grist and Felling Mill—is well worthy the attention of purchasers.  
 If sold, one half of the purchase money can remain secured on the property for a period of five years. For further particulars, apply to W. H. PORS, Esq., or to the Subscriber, City, April 27.

**Extensive Sale of REAL ESTATE, &c.**  
 (POSITIVE AND UNLIMITED.)  
**TO BE SOLD at PUBLIC AUCTION,** on the premises in Summerside Village, Bedouque, Prince Edward Island, by W. DODD, on WEDNESDAY, the 17th day of June next, the whole of the Subscriber's  
**REAL ESTATE, HOUSES, &c.**  
 in this Island, consisting in some FIFTY VILLAGE LOTS, or more, in said Village, including 12 Water Lots, some with a good breastwork of considerable expense. Opposite some of these Lots is the best location in the Village for a Wharf. On part of the Village Lots, near the Government Wharf, stands two DWELLING HOUSES, one Store and Warehouse, and one Carriage Factory, which will be sold with the Lots on which they stand.  
 Immediately adjoining the Village is a FARM of about 30 acres, 50 of which are in a good state of cultivation, and the balance well covered with a splendid growth of wood. There are also a large Barn, a small Farm-house, Out-houses and a large Spring of superior water on the premises. This Farm being situate on the North Side of Bedouque Bay, and gradually descending South to said Village, renders its location pleasant; and as it commands a full view of the Straits, with New Brunswick in the distance, makes it a very desirable site for residences; consequently it will be sold in 5 acre Lots, or in the whole, as may best suit purchasers—the whole of this Farm, however, will be shortly required to supply the growth of the Village, in Village and fancy Building Lots. This property in point of beauty, pleasure, convenience and profit, is second to none in the length and breadth of the Island. A more healthy place cannot be found on the globe—old people have often been known to leave the Island to go to the United States to die. Much might be said of the many advantages for fishing, shipping, general business, &c., of Summerside, and of its proximity to Shediac—the terminus of the Railroad. This Village has grown within the last 3 or 4 years from nothing into quite a town.  
 Also—At the same time and place will be sold 300 acres of LAND on Lot 8; 100 acres on Lot 3; 100 acres on Lot 15, as also an interest in other Lands at Fifteen Points.  
 Also—The Freehold of two FARMS on Lot 25, (John Pickett's and Archibald Waugh's), paying an annual rent of £9 14s. currency. The whole of this property will be sold in Lots, Farms and portions to suit purchasers, and on liberal terms. Good titles will be given. For further particulars, apply to Messrs. BEER & SON, Charlottetown, or to P. BAKER, Esq., Bedouque, with whom plans of said Village Property can be seen.  
 April 20, 1857. J. WEATHERS.  
 This sale will commence at 11 a.m., and will (unless all is sold on the 17th) continue on the 18th.  
 WILLIAM DODD, Auctioneer.  
 N. B.—Twenty per cent. of the purchase money on the day of sale. Two-thirds of the whole amount may remain on the property one or more healthy place cannot be found on the globe—old people have often been known to leave the Island to go to the United States to die. Much might be said of the many advantages for fishing, shipping, general business, &c., of Summerside, and of its proximity to Shediac—the terminus of the Railroad. This Village has grown within the last 3 or 4 years from nothing into quite a town.

**House and three valuable Building Lots for Sale at Summerside.**  
**THE** subscriber will sell by private sale the following property, (as the terms of the former sale were not complied with), consisting of three good BUILDING LOTS, fronting on Broadway or Water-street. On the centre Lot there is erected a good DWELLING HOUSE, 28 1/2 by 23 feet, 13 feet post, nearly finished; also, a Kitchen attached, 20 1/2 by 13 feet. This property is situate within a few chains of the public wharf. As a Business Stand it is unsurpassed by any that may be offered for sale for some time to come. It is pleasantly situated, and commands a splendid prospect of the Harbor of Bedouque, the Straits of Northumberland, and a portion of the Province of New Brunswick in the distance. Much might be said of this property in regard to business facilities, being within four or five hours sail of Shediac—the terminus of the Railway which will be in operation soon after the opening of the navigation—and connected with the latter port by means of regular steam and sailing packets, carrying tri-weekly American and Colonial mails; also, with Charlottetown by mail and stage conveyance, (in summer daily), makes it one of the best Business Stands in the vicinity of the public in Prince County. Part of the purchase money will be required down, the remainder in summer. Good titles of each Lot will be given. Further information may be obtained by applying to the Hon. P. WALKER, Charlottetown, with whom a plan of the property may be seen, or to the subscriber on the premises.

**Valuable Property at Casumpeque for Sale.**  
**FOR SALE,** and possession given immediately, the subscriber's interest in that valuable Business Stand in Casumpeque Harbour, in the immediate neighbourhood of the public wharf. This property is one of the best situations in Prince Edward Island for a general business. The waters in the neighbourhood teem with abundance of every description of fish, which renders it a desirable stand for the prosecution of that valuable branch of trade,—while the harbour is the rendezvous of the whole American and Colonial fishing fleet (to the number of 800 sail); and the country in the vicinity is fast rising into importance in an agricultural point of view, rendering the property every day of increasing value. The embarrassed circumstances of the subscriber is the cause which renders the sale of this property necessary. Misfortune in trade in 1854, which he has been unable to retrieve, has prevented him prosecuting that business for which the situation is adapted, and which the resources of the country warrant in undertaking. For terms and particulars apply on the premises to Casumpeque, March 9, 1857. ADAM C. FIFE.  
 Should the above property not be disposed of before the 2d of June, it will be offered at Auction on that day.

**Medicine of the Million. Philophy and Fact.**  
**HOLLOWAY'S PILLS.**  
 THE EXCITING CAUSE OF SICKNESS.  
 The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.  
 THE NATIONAL COMPLAINT.  
 Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.  
 BILIOUS AFFECTIONS.  
 The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.  
 A WORD TO FEMALES.  
 The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.  
 USED THROUGHOUT THE WORLD.  
 Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.  
 ALARMING DISORDERS.  
 Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.  
 GENERAL WEAKNESS.—NERVOUS COMPLAINTS.  
 When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.  
 Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	Scalds
Asthma	Erysipelas	Lumbago	St. Vitus's Dance
Bilious Complaints	Female Irregularities	Piles	Tumours
Blisters on skin	Rheumatism	Ulcers	Warts
