The Convenience of G. E.  
**REVOLVING  
 SHELVES**

They turn all the way around . . . and in either direction, with one finger you can turn all foods to you . . . right out in front. And to clean refrigerator without removing food—just turn out shelves, whisk a damp cloth over the interior, and it's done. Shelves are also adjustable, up or down, even when loaded, to any level or spacing you wish, by the touch of a button.

... no other brassiere  
 can do so much for your figure

as **Circl-o-form**

with or without Floating Action  
 by **Exquisite Form**

- Bend* . . . and the bra will not hike up
- Twist* . . . without pull on the shoulder straps
- Stretch* . . . and the bra stays in place without slipping

Here's a stroke of genius—the remarkable Circl-o-form with the four section stitched cup. It's incomparably flattering—the way it makes the most of your charms—moulding and lifting like no other bra.

CIRCL-O-FORM with floating action to follow you and support you beautifully through every activity. In white broadcloth or satin. Sizes 30 to 42—A B and C cups. Each—
