WINDSOR, England — (CP) — The old joke about swapping places with the horse came true for 58-year-old Joseph Pomfret. When his pony went lame on a country road he placed it in the back of the cart and pulled the cart home himself.

ARBORFIELD, England — (CP) — Derek Mills, 20-year-old recruit, felt too tired to walk the six miles back to his army depot. Later he was fined £3 for taking an automobile worth £2,000 without the owner's consent.
